TEASE!

THIS · MONTH · IN · CLUB

Hello, good evening and welcome. This issue comes to you on a direct satellite link from Sardinia, where the immortal Club Feet football team is warming up for their crucial Group DD match. Scoring in the box is second nature to them, but they must remember to double up and look after the back, and look out for bouncers too (or is that cricket?).

OK, OK, I'm lying. Fact is, I haven't got any tickets for Cagliari, because you could only get them if you agreed to take a package holiday in an Italian hotel that looks like Strangeways without the air conditioning or sanitary facilities. I only pretended to be there so I could get in a lot of bad puns about dribbling and shooting. Ah well, I'll watch it on the box like everyone else.

Changing the subject completely, one of the questions readers are always asking us is, "How come you manage to get all those stunning women? Where do they come from?" Well, until the recent sunny weather I was as confused as the rest of you. They ring us up and say they want to model, claiming to come from Salford or Chiswick or Swansea or wherever, but if you go to Salford or Chiswick or Swansea (or wherever, for that matter) and look around there isn't a stunning girl in sight. I had begun to think there was a factory which hand-built them and secretly sent them straight to us.

But then the heatwave struck, and hundreds of women were strolling down the street outside the palatial Club HQ with *almost no clothes on*. And quite a few of them were gorgeous! At that moment I realised - there are hundreds of stunning girls in Salford and Chiswick and Swansea, but they all go around wearing huge baggy jumpers and lumpy jeans, so we never get to see them. Except when they strip off for Club.

The worrying thing about all this is... will the greenhouse effect put us out of business? And even more important - if I can see loads of girls in no bras, tight T-shirts and tiny, clinging shorts skanking down the street... do I care if we go out of business or not?

Answer... 'course! Those girls need somewhere to try on their prettiest lingerie, after all. So sod the World Cup - I'm going to take another look through the magazine and watch them do it. And I can't answer for my ball control. - *Ed* ♣

IN·THE·BAG

If you've been at it like a rabbit, then send your rampant ramblings to: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Nicole Jacks The Lad

My boyfriend Tim and I are regular readers of your magazine, and I know from him that one of the things that gets him going about Club is that the girls really look as if they're enjoying themselves and actually getting off at the thought of all those busy, meaty cocks coming for them. I don't think most men know just how much we girls enjoy masturbating too! I'd like to let your readers know now that most girls get really horny at the sight of a guy tossing off, and wouldn't be able to keep their naughty fingers away from their sticky pussies while they watched.

Tim and I really love wanking off while we watch each other get more and more excited. Usually we'll sit on armchairs facing each other, wearing clothes that we know look sexy. Tim will just watch me at first. I like wearing tight jeans and rubbing my bump through the denim. I get very wet, and pretty soon he can see a dark wet patch where I'm feeling myself. Then I'll unzip myself and slip my fingers down to my heated pussy, getting my first feel of my wet cunt.

By now Tim usually has his pants down and his fist full of rigid cock, begging me to show him my tits. Obligingly, I lift up my jersey and squeeze my boobs for him. That used to make him come right away, but now he can keep going for much longer! When I get my jeans off, I give him a full view of my gaping, wet fanny, and fix my eyes on his juicy prong.

I love watching him slowly and loosely moving his hand up and down its length, holding back his jizz as long as possible. Meanwhile, I'm in heaven, playing with my clitty and pushing my fingers up and down my soaking channel. Sometimes I treat Tim - and my pussy - to a dick-shaped vibrator, but there's really nothing to beat bringing myself off with my own delicate touch while I watch Tim jerking ribbons of spunk out of his bursting prick.

As foreplay, there's nothing to beat these mutual wank displays. Both of us are left still feeling as horny as hell, and we fuck like crazy as soon as we've recovered our strength. Also, from watching each other wank off we've learnt what the other likes and how to stimulate each other, so that the hand-jobs Tim gets from me are something special - I know they are because the way he masturbates *me* is out of this world! - *Nicole, Cheadle*

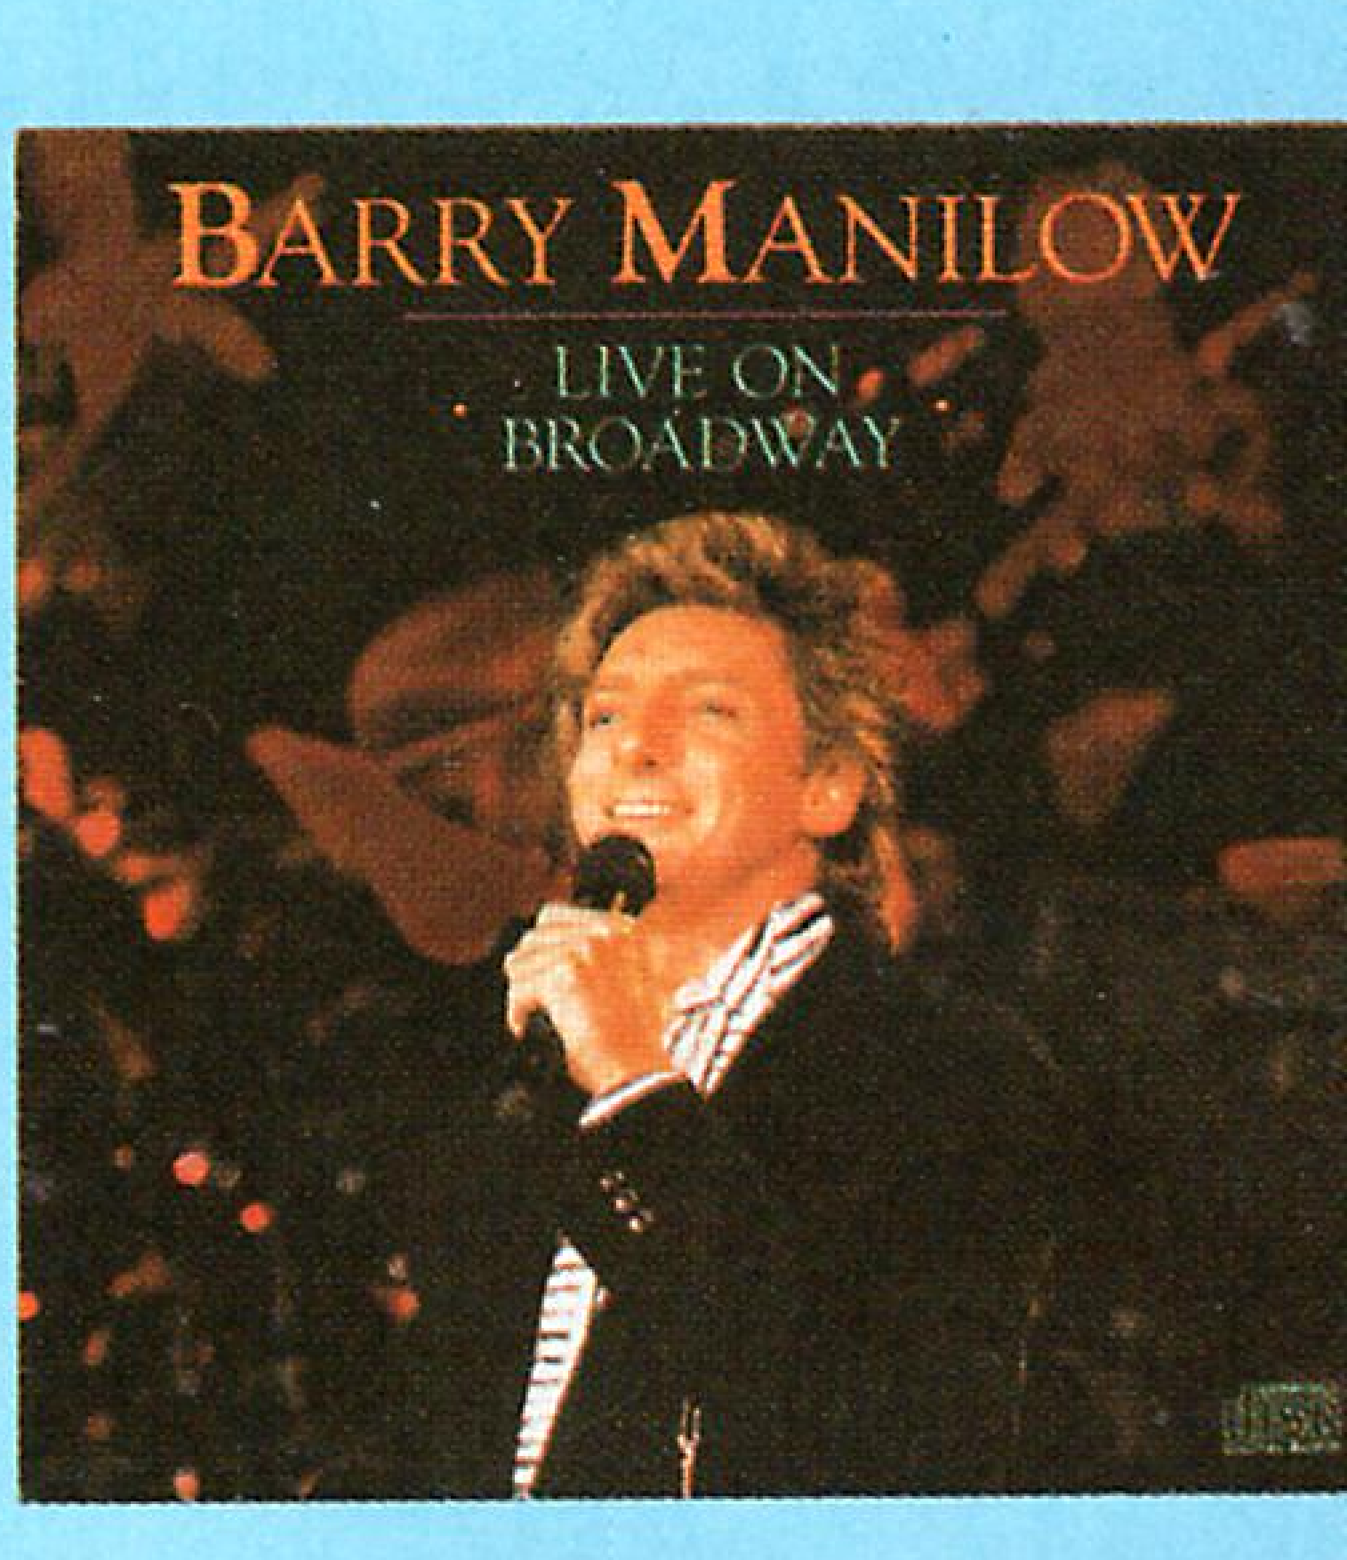
PLUG!



Barry Manilow and the box of co
dung. Barry's the one on top.

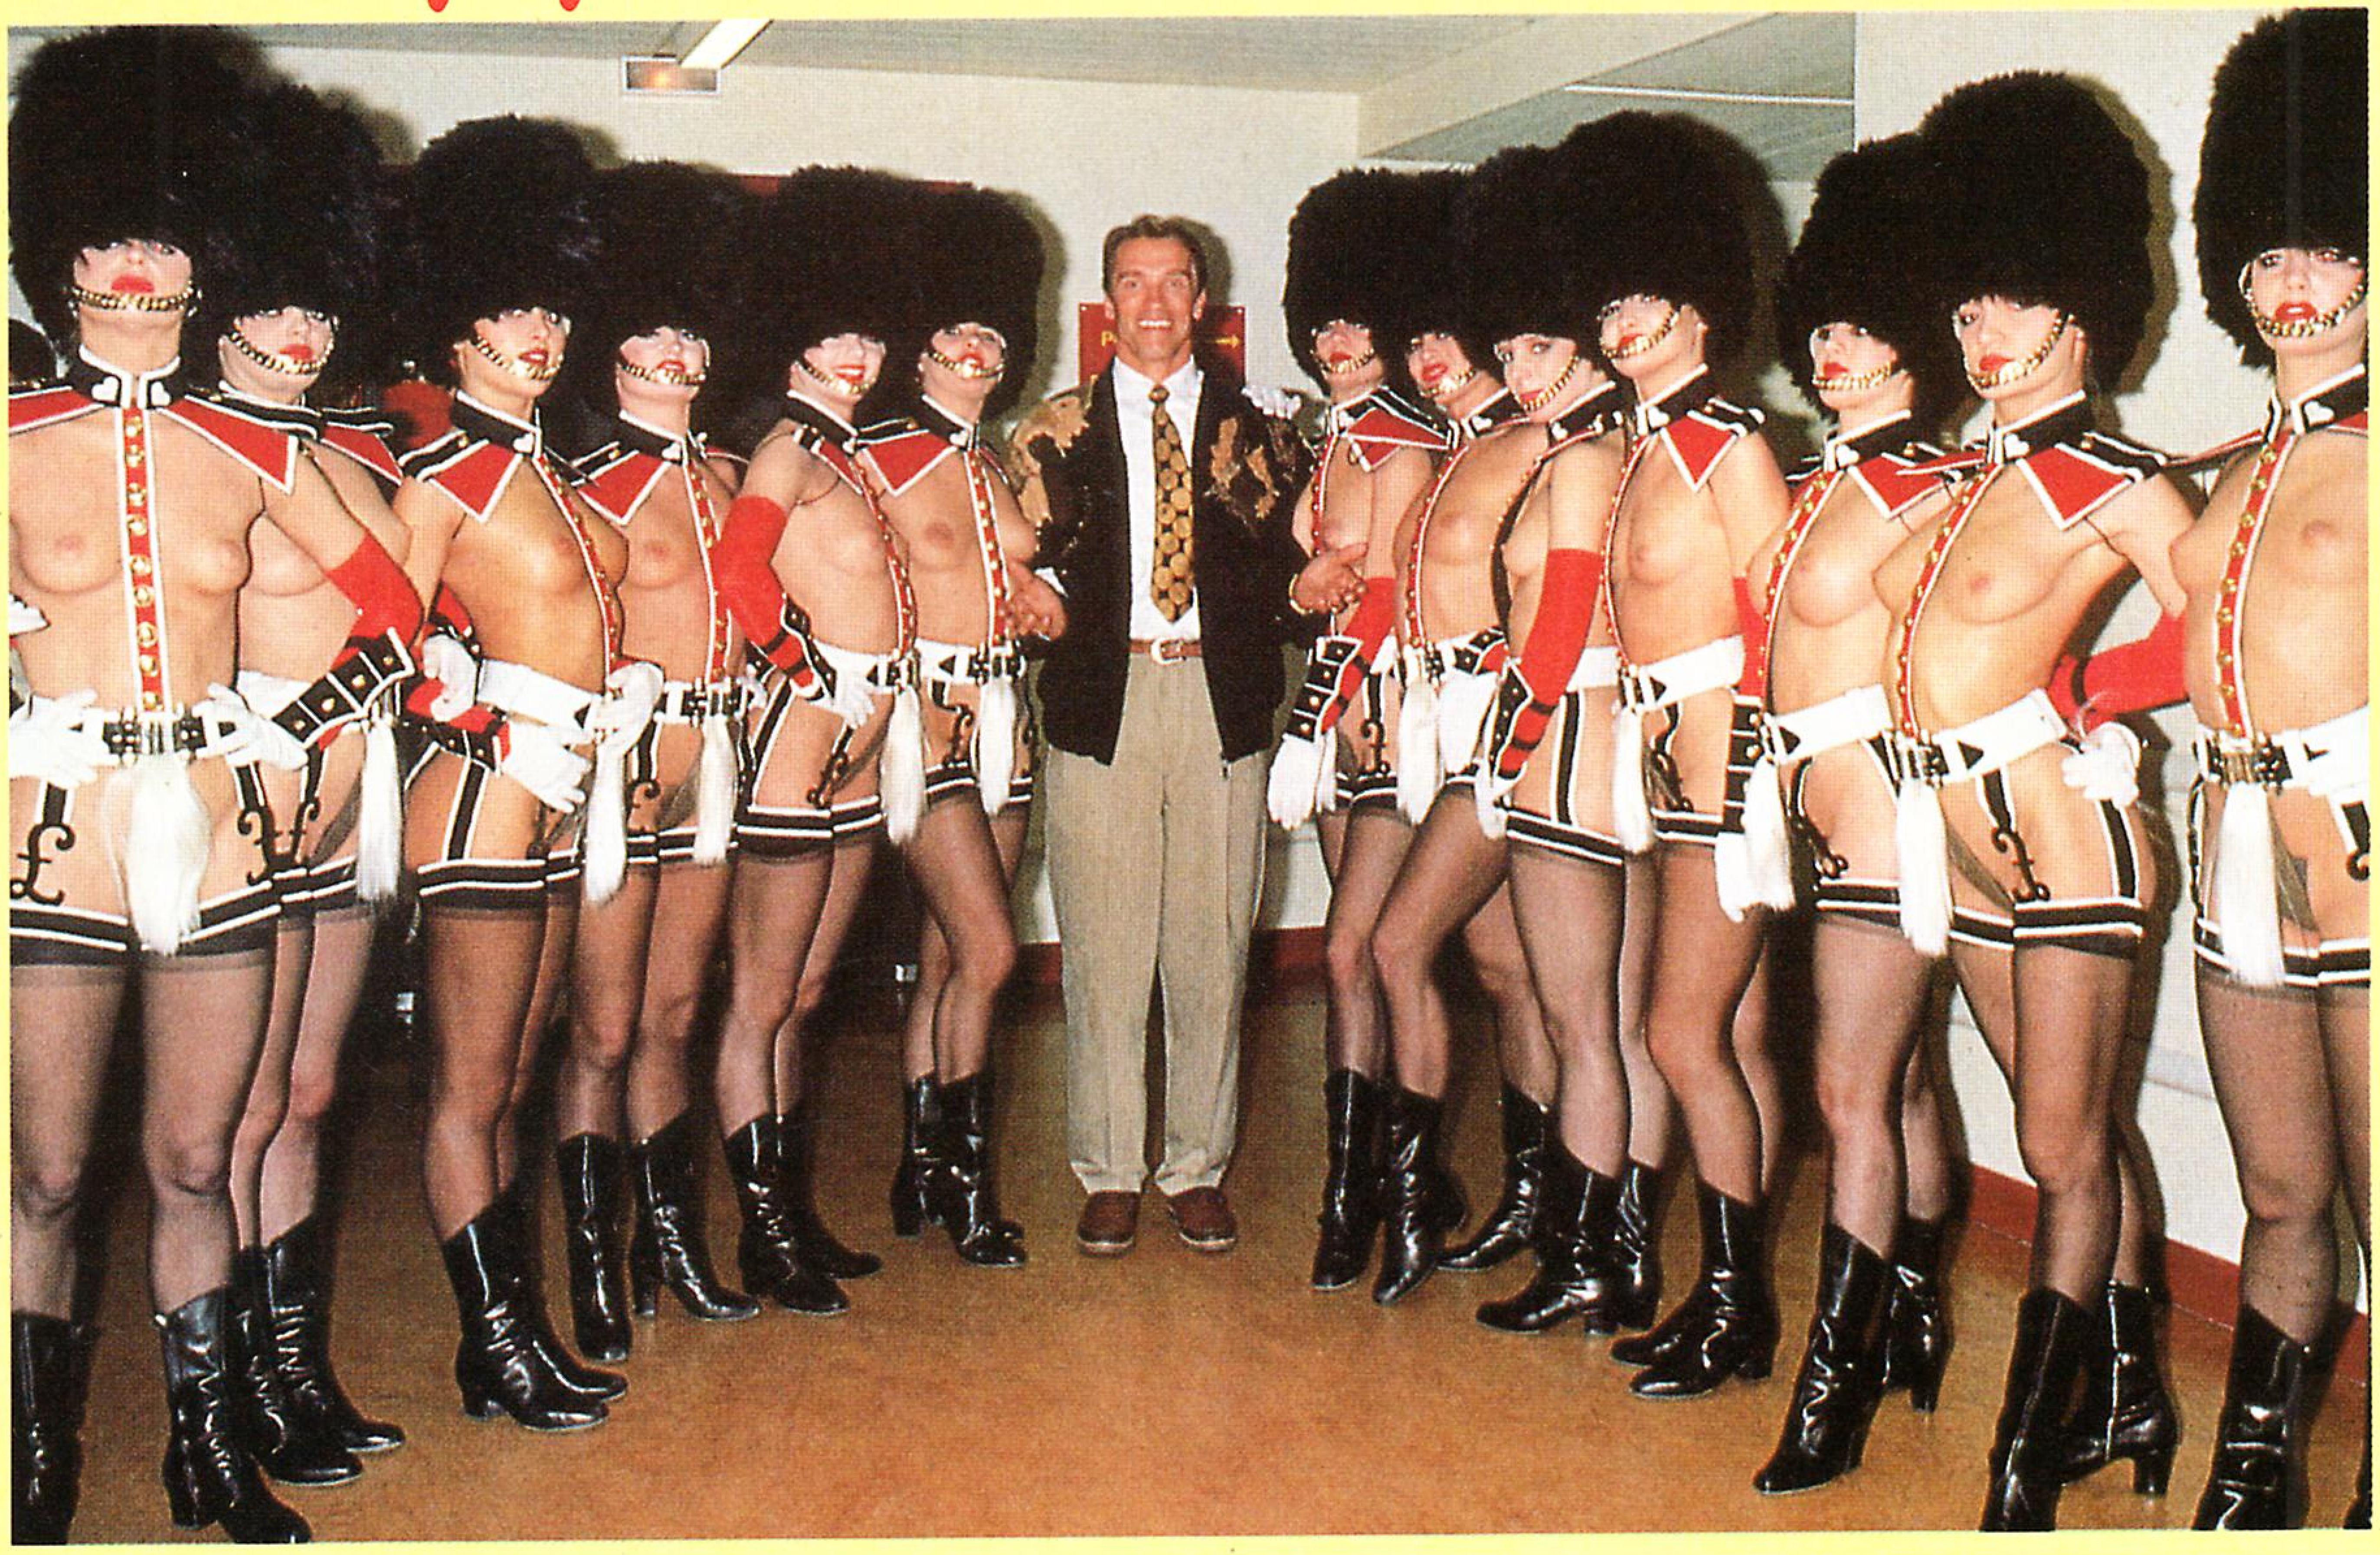
This month's *Plug!* is a brown-nose bonanza with not one but two bouts of bum-tonguing by our ever-acquisitive Editor, and a chance to bring out lots of old conk jokes into the bargain.

First, Barry Manilow's CD. *(I know he is - Dominant Dowse)*. Yes, it's Baz the Snozz's Tritest Hits as he sings *Live On Broadway*. This consists of some nostrilgic, er nostalgic, numbers like *Mandy* and *It's A Miracle*, plus lots of new songs sung in front of an audience of half a million housewives wetting their knickers. Rumour has it that he's had a nose job *(Who did it? Wimpeys? - Ed)* but old Concorde conk still sounds the same to me. Shite.

No, I mustn't joke. According to the sleeve notes, old Manly Barrilow has suffered in his life (especially when he has a cold). He was brought up in the slums of Brooklyn in a broken home (he broke it

Snapped!

"Phew - look at the beaver on that!" as manically grinning movie monster Arnold Schwarzenegger might have said (though in fact, he didn't). The Club research department is drunk at the moment, so we can't tell you when, where, why or how this shot was taken - but then, who cares? At least we know why Arnie's so happy: for once in his life, he's surrounded by people who have bigger tits than he does.♣



turning around too quickly). His wife walked out on him (she had to go two miles not to be in touching distance of his hooter) and has put up with, they say, "some of the worst reviews in the world". This is another one. The CD's crap.

For the more discerning, our other product is a box of cow shit. It's just one of a range of presents specially designed for people you hate from Allan Pool's Beverly Hills Trash Store. The others include faded flowers, black roses, stinking fish and the Barry Manilow *Live On Broadway* CD. Prices start at $20. For a bit more you can have an actor insult your friend in the street. Better still, send him to the office marked "For the *Plug!* column" and we'll do it for free.

So Barry Manilow's CD or a box of shit. We leave it up to you.♣

her big, bouncy boobs dangling as she leans forward or kneels on all fours. And please let's see her arse - I'd love to stroke and lick it, worshipping her plump, peachy posterior. Every girl loves a sailor, or so we're told. But here at Club we reckon that every guy loves our own *breed of sailor - if she looks as good as Vanessa!*

It's a welcome return for our black haired vamp, who first displayed her charms for us way back in November. If anything, she looks even more ready to splice your mainbraces this time.

"I've been messing about on the water since my last visit to Club,"

Vanessa told us excitedly. "My latest boyfriend owns a small schooner which we've been taking out around the south coast over the last couple of months. All that bobbing up and down on the water really gave me some good vibrations - and dropping the captain's anchor has just put me back in the mood for taking 'em all off for you again!" ♣

female, and I read quite a large selection of men's magazines, but Club has the best choice of beautiful, horny women I've ever seen. I only have to flick through it looking at the pert bums and tits to get very turned on, and I've spent many hours lying on my bed with Club and a bottle of baby oil, having one hell of a good frig. All your women look proud and dignified, unlike a lot of other magazines - and I look forward to many more of them. - *Emily, Bristol*

Jelly Japes

I've noticed lately that in *Talking Blue* and *In The Bag* there has been much made of the delights of sexy fun with baby oil and KY jelly. It would be fantastic if you featured girls not just with wet and shiny bodies, but actually rubbing the oil or jelly on to themselves. It would be a real cock-stiffener to see a lovely girl like Teri from Vol 19 No 3 squeezing a big dollop of KY on to her boobs and then spreading it around, then covering her pussy with baby oil and rubbing it into her fleshy lips.

I've been a fan of oil and jelly ever since I was introduced to it by my girlfriend Josie. She had fabulous, pale boobs with broad, pink nipples that she loved playing with. I'll never forget the first time she got the KY out. It was after we'd both had a shower and were nice and dry, Josie having dusted herself and my cock with talc. I watched, my cock getting stiffer and stiffer as she put a great wad of jelly on the end of each breast and slowly rubbed it all over.

"Come over here and slip your fat cock between my tits," she said to me wickedly. The feeling was indescribable as my cock

GUTT OF THE STUNT

*Our mate **Frankie** "The Goat" **Gutt**, the newshound who's not afraid to follow his nose in where it's not wanted, continues his FUC Cup report from Bumnippa on the scum-kissed Italian island of Anchovia.*

Piddleham Hotspurs' first game of the FUC Cup competition took place in the all-seater luxury of the San Atation Stadium. Their opponents were the dazzling Dutchmen of Domestos Amsterdam, lead by dreadlocked Mr Dynamite, Ruud Bastaad. The North Devon lads went into the game as underdogs. In fact, local bookmaker Franco Fattcigaro was offering shorter odds on Pamella Bordes being a virgin than he was on the Spunkfronts getting a result.

One member of the Spurts' team staff who wasn't disheartened by this sort of talk was firm-thighed physio, Samantha Scroates. The humpable ham-string tweaker told me, "I've been up against it a few times in my life. These hard ones don't worry me. Somehow I always end up on top." Stirring words indeed from the perky little packet from Piddleham.

Sadly for scrummy Sam, even her expert fingers were incapable of putting any stiffness into the Spurts' limp defence. The back four of Emlyn Moonie, Kevin Crapp, Gary Guano and Des Bumfluff were left gasping by the razor-sharp blind-side probes of the two-footed tulipgrowers. The only bright-spot for Piddleham fans came in the 53rd minute when manager Terry Vegetable ordered midfielder Vimto Vomit to mark Domestos' main driving force, Budget Van Rental. The Spunkfronts' pit-bull of the pitch responded enthusiastically to instructions and gave Van Rental a black-eye, two broken teeth and severely bruised ribs.

The 17:0 drubbing didn't augur well for the next day's meeting with the famed crack Kraut outfit Borussia Moenchenpickledeggs. The flatulent fat boys from Frankfurt have been drilled to military precision by their legendary Fuhrer, Fartz Beckenforwartz. It seemed certain that the explosive forward combination of Karl-Heinz Beanz and Horst Radisch would keep the Spurts' net bulging.

There was little option left to Terry Vegetable but to opt for panic measures. He and the lads went out on the piss with yours truly.

By 11.30 your old mate The Goat had downed his 37th can of Pissoroni lager. A familiar sensation came over me, a weakening of the knees and a tingling in the groin that could signify only one thing: some lucky lady's kippers were in for a bloody good grilling!

It didn't take more than a split second to decide that the fortunate female was going to be none other than slurpable Sammy Scroates. I let my feelings towards the delectable doyenne of the dug-out be known to her by gazing into her eyes whilst I let out a seductive rendition of *The Theme From Love Story* composed entirely of beer belches (it's a knack I have). I could see Sam was touched. She quickly responded to my performance by indicating, with hand signals, that she was in room two and I should meet her there in one hour.

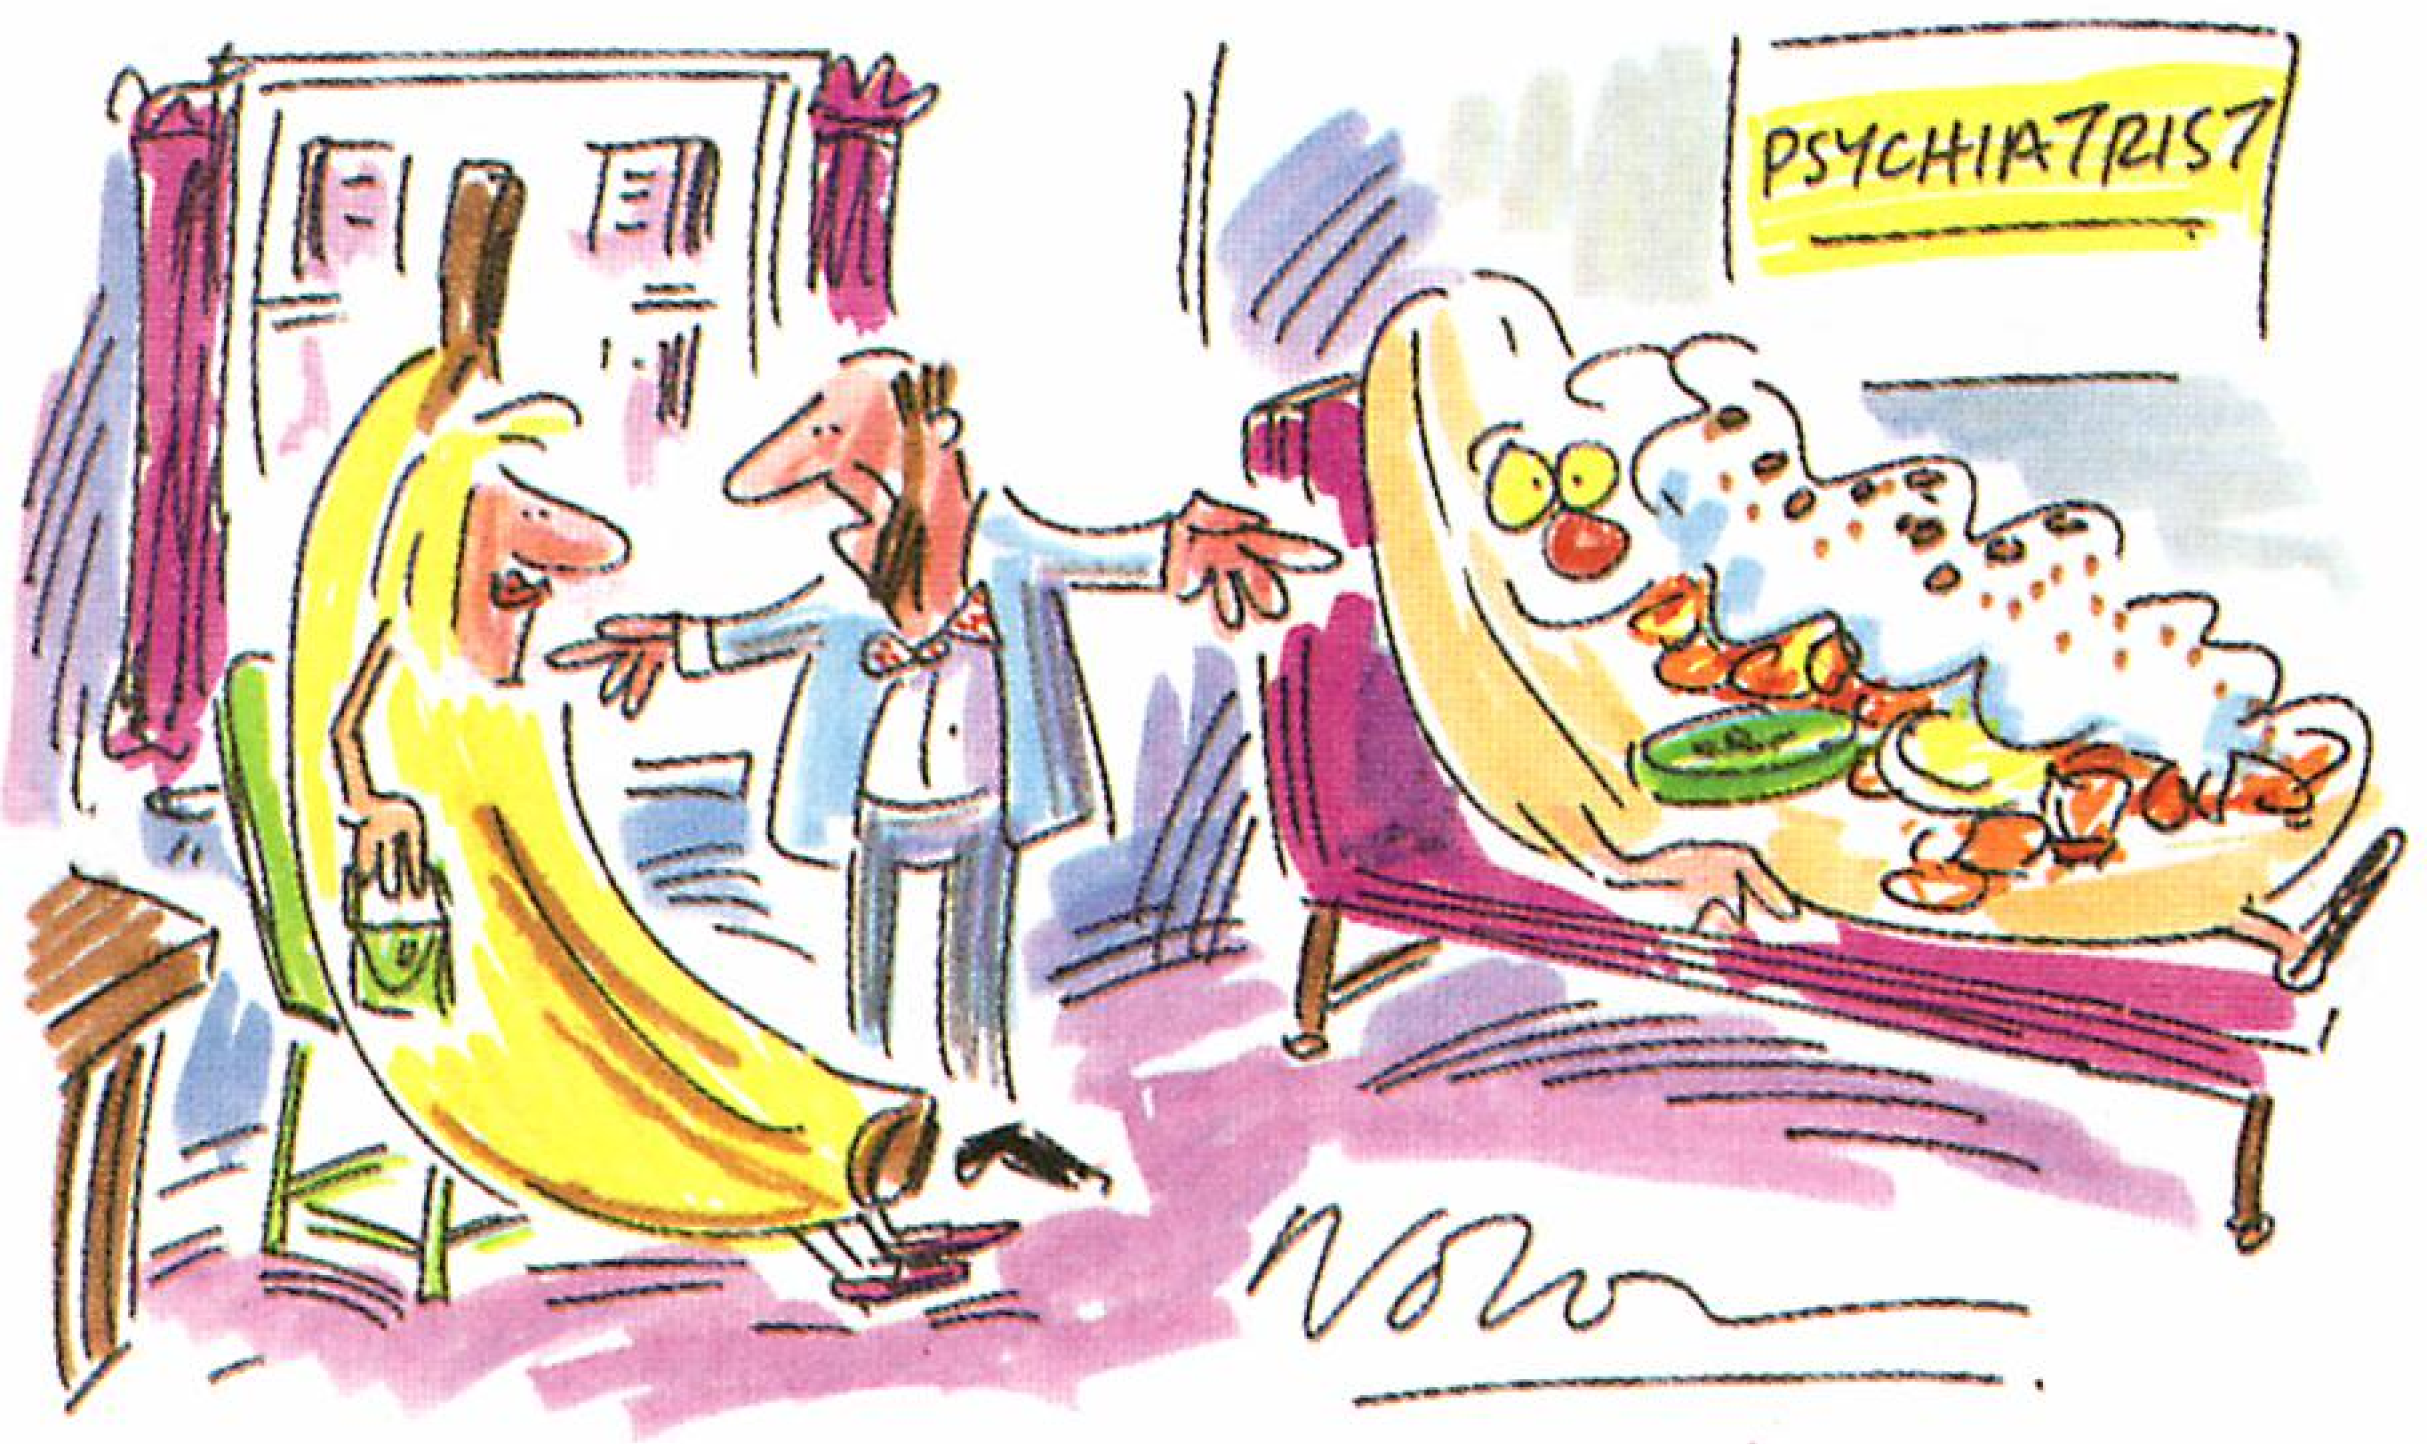
Ever the gentleman, I decided to nip back to the Hotel Inn Continental and apply a bit of air freshener to my niffy bits. I also used the opportunity to take a few performance-enhancing drugs, namely half-a-litre of Scotch and two bottles of some local rocket fuel called Grappa Nockas. I chucked the whole lot down quicker than a Fred Trueman bouncer and, suitably fortified, strode out for what I hoped would be the first leg of a successful European run.

As you've no doubt guessed, your old mate Frankie is something of a soppy romantic at heart. I'd decided to carry out the Scroates seduction in the traditional Italian manner, serenading her by moonlight with a haunting melody. I positioned myself beneath the balcony of room two, cleared my throat a few times, and began, "OOOH OIM F'REVER BLOWIN' BUBBLES, PRETTY BUBBLES IN THE AIR..." After seven choruses I'd had a few shoes chucked at me from other rooms, but the fuckable physio still hadn't appeared.

I thought I'd better try a different tack and attract her attention by casting a few pebbles at her window. Picking up a suitable hunk of breezeblock, I lobbed it in that direction. I'll tell you what, that Italian glass isn't a patch on the good honest British stuff. Result: a fucking great shattering noise, dogs barking, alarms ringing, sirens wailing, people screaming. And when someone does appear at the window of number two it's not Samantha Scroates at all, but Ruud Bastaad.

It was only as I was running for my life through the back passages of Bumnippa that I twigged my mistake. Sammy's two-fingered signal followed by a one-fingered salute had meant something completely different from what I'd thought. She was in room 21!

At that moment the combination of violent exercise and greasy foreign



I'm afraid your husband's got a split personality, Mrs Banana!

slithered between her warm, squashy boobs. She carried on squeezing her titty-flesh, making my cock as shiny as her gorgeous bosom. And it wasn't long before she was rubbing in lots of spunk too!

After that, there was no stopping us. Josie really liked making her cunt a squashy, squidgy hole for my aching prick. She'd lie there,

Continued on page 24

food had its inevitable effect. Luckily for me, the Anchovians had thoughtfully provided a suitable receptacle for the contents of Frank's toilet tank in the shape of some statue of a shrivel-stonkered shirt-lifter carrying a bucket.

After a quick Whitechapel Wave in this convenient bin I felt much better. But I thought I'd better play safe and go and have a couple of brandies to settle my stomach.

As I walked into the bar of the Hotel Di Bortch I found my eyes resting upon a pert-looking partridge wearing a dress that revealed more smooth, round flesh than Bobby Charlton's hair-do. The sight of all this continental cleavage gave me the idea for a spot of fun.

I walked up to the bird and introduced myself. "Buona Serra. I am Hans Onbazonkas, Professor of Mammarology at the University of Brest. I'm currently studying bosom sizes in the Med. I wondered if it might be possible for me to weigh your chestal protuberances?"

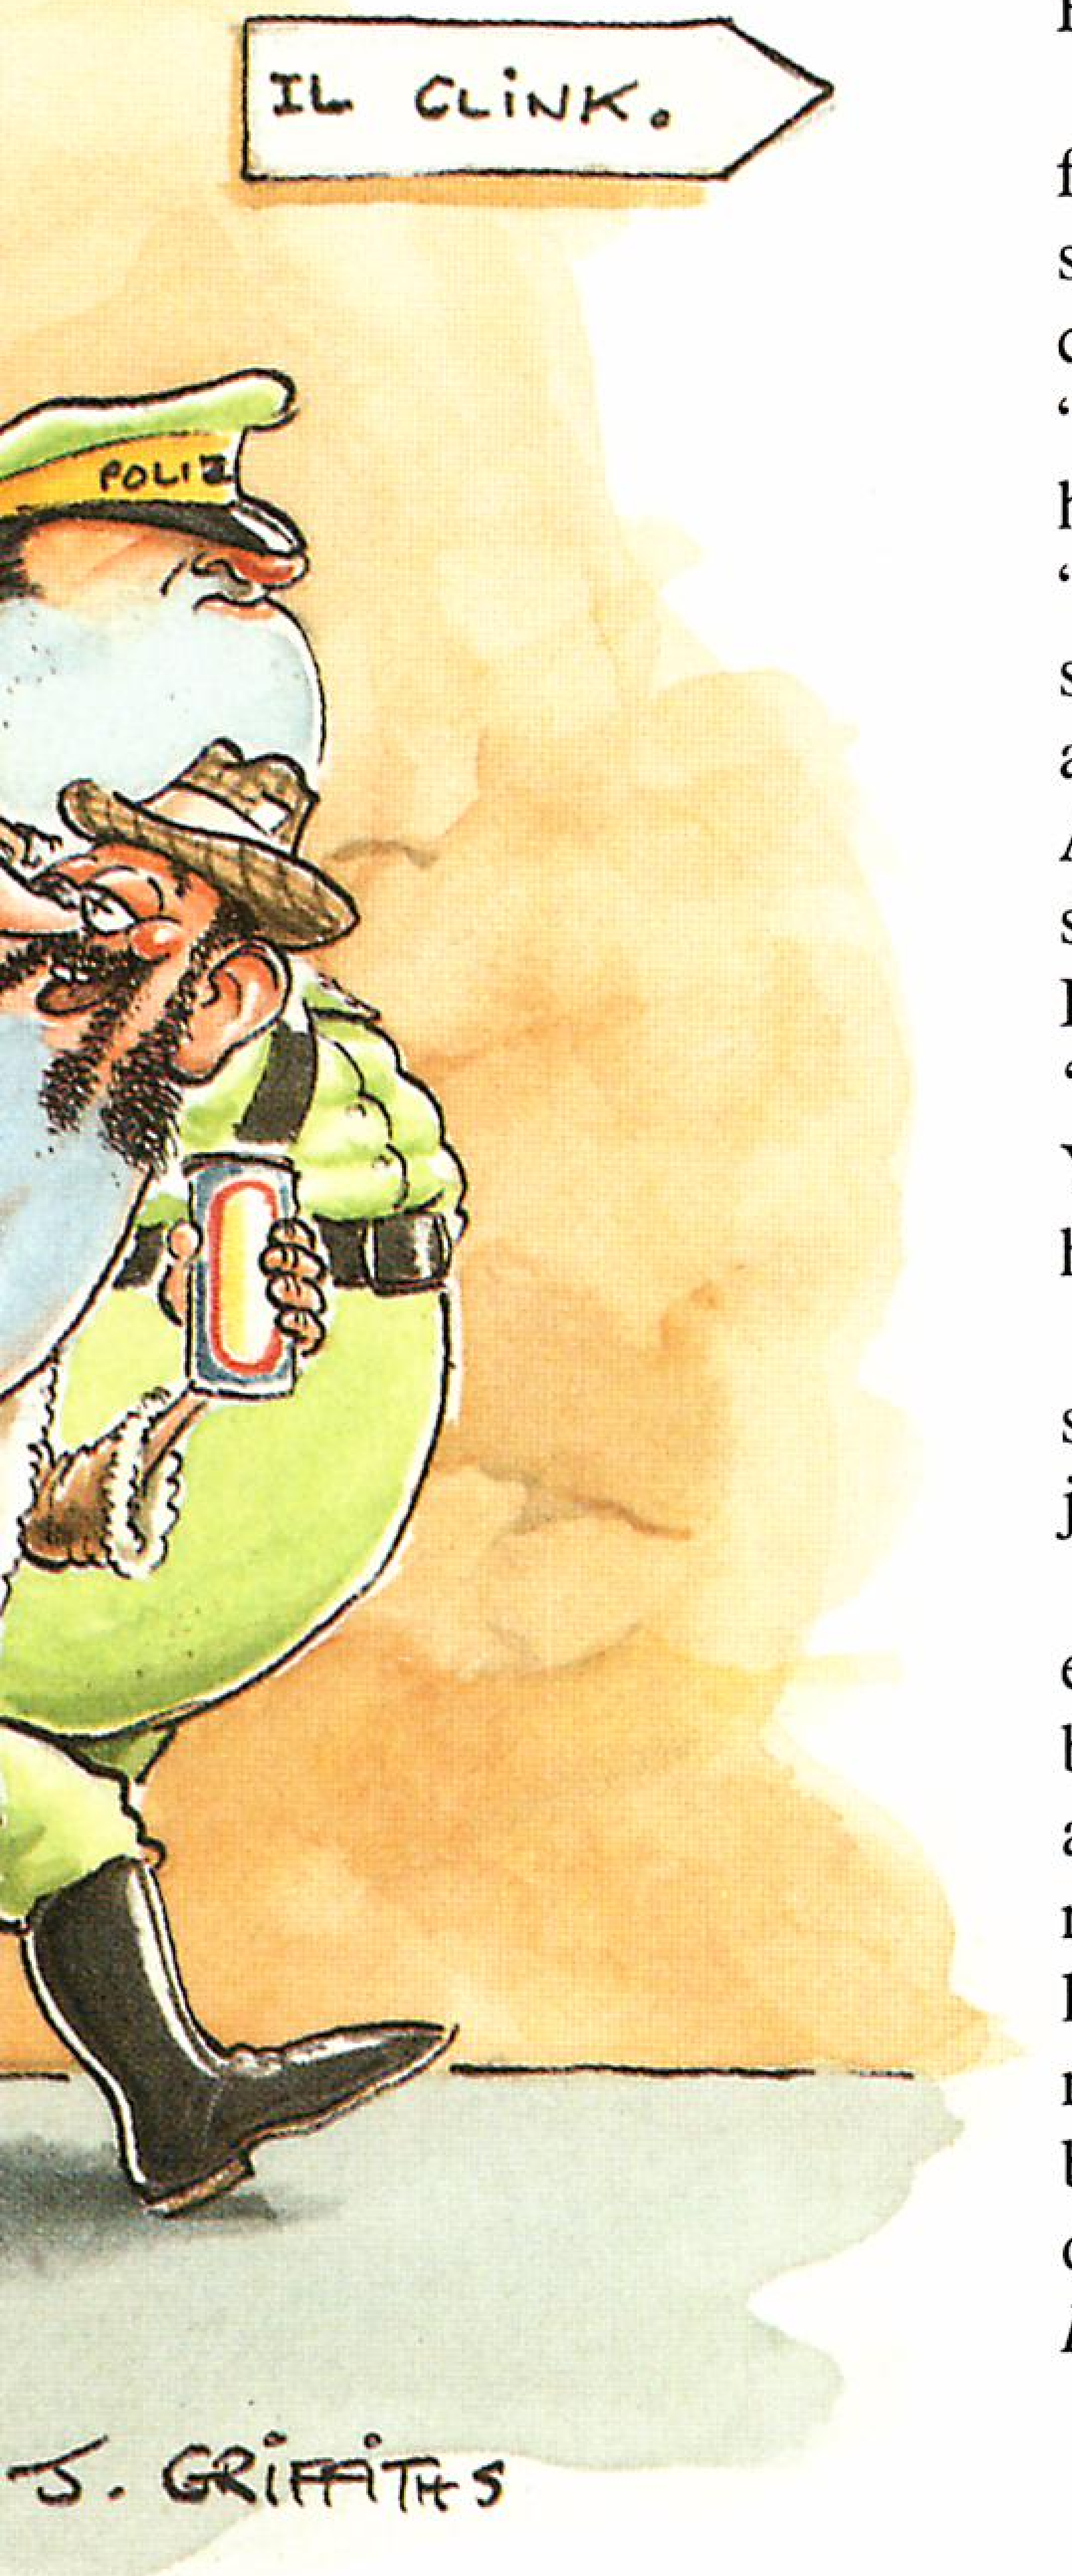
"Certainly, Professor," says the adorable Anchovian, completely taken in. "When will be a convenient moment for you?"

"There's no time like the present, petal," I shouts. Cupping a nubile knocker in either hand I began bouncing them up and down with a raucous cry of "WEIGGGGGGHEHHHH HEY HEY!"

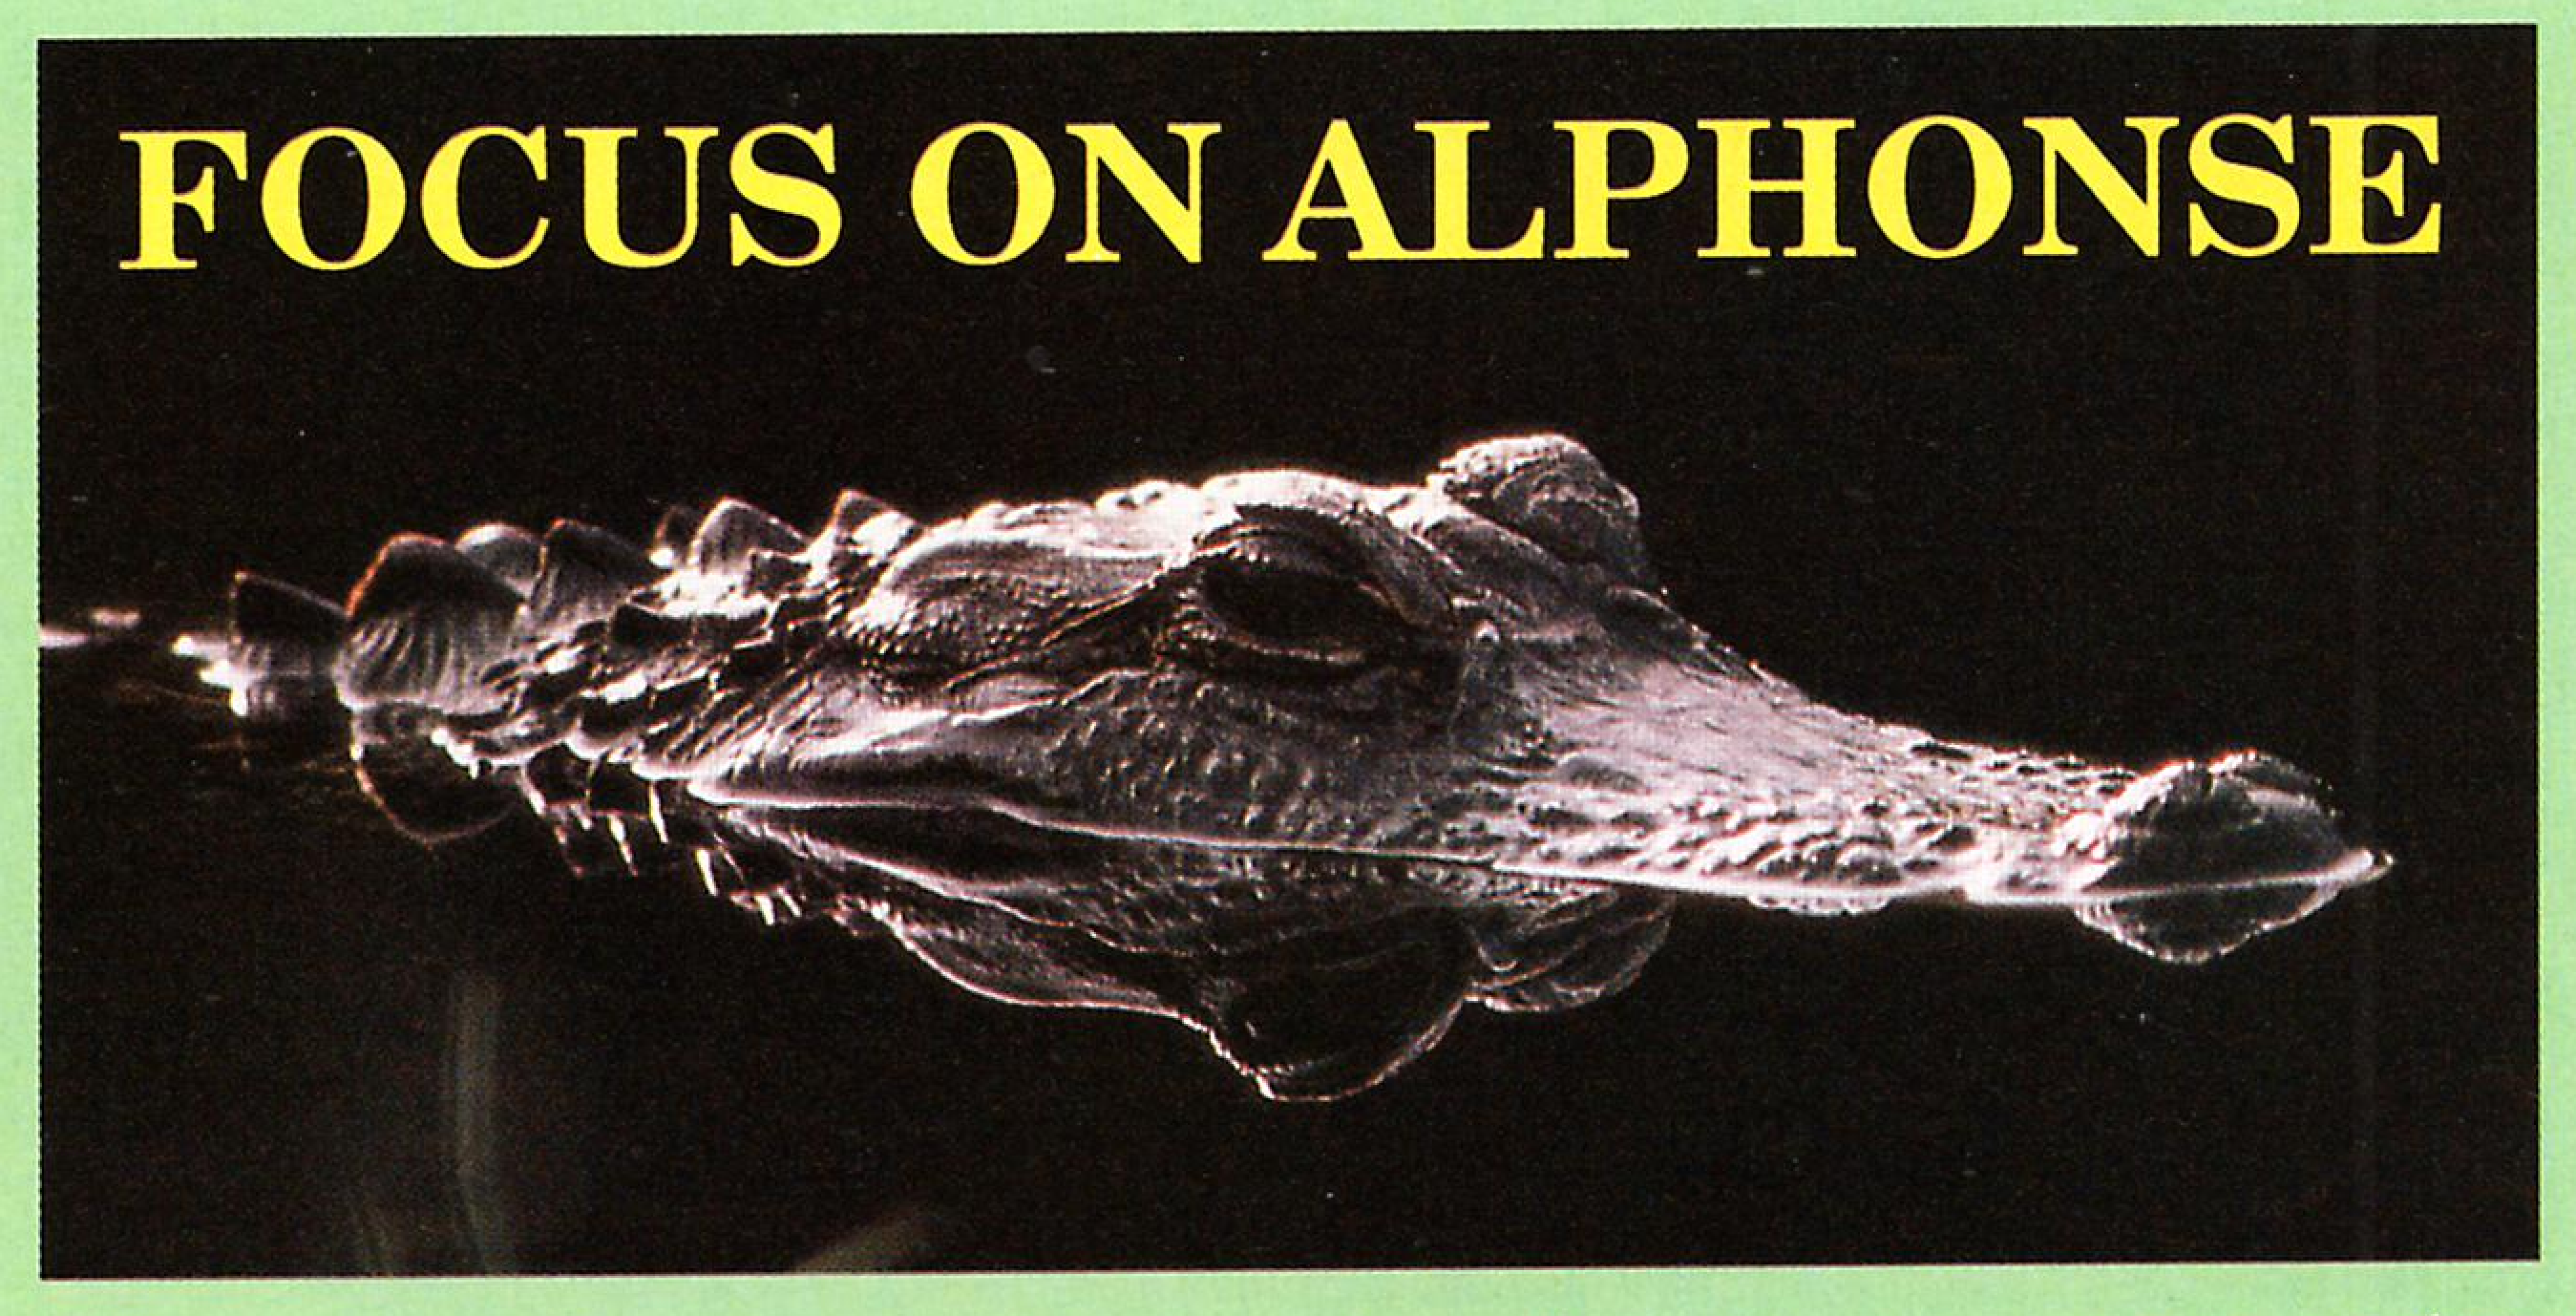
The trouble with foreigners is, they have no sense of humour. I told the coppers the same thing. "Drunk and disorderly," the head carabinier says. "Molesting women, smashing windows, singing and disturbing the peace. And finally, and most seriously, vomiting over Boticillism's priceless statue 'The urn-carrier of Venus'. You are an English hooligan."

"No I'm not, matey," I says. "I'm an English journalist."

But despite all the evidence, he wouldn't believe me. As my old man always used to say, "There's many a slip twixt cup and lip". So bear that in mind next time you're whipping a bird's bra off. Only seven days left to serve. Ciao. - *Frankie*♣



FOCUS ON ALPHONSE



Even more of our great-but-not-really-new-any-more series on the Editor's pets. This month: Alphonse the Alligator.

An alligator with an eye for the main chance - that's Alphonse. "Anything you want - watches, nylons, rotten chunks of bison, those little birds that pick the worms out of your teeth - I can get it for you," says smoothie Alphonse with a wide and charming smile.

The wheeler and dealer of the Ed's pet community, Alphonse lives in the roof garden of the palatial Club HQ. He favours casual clothes, golfing wear in particular, and has a collection of 42 signet rings: he drives a Saab turbo and is partial to ballads by Luther Vandross and Anita Baker. The thing that irritates him most is "people thinking I'm some sort of criminal. I'm just a hardworking businessman." His greatest pleasure in life is "either doing a successful deal or sunbathing with my kids, Joey and Cassandra. It's all about family in the end, isn't it?"♣

Here at Filosex, it seems that our City profile has been improving in leaps and bounds over the past few months. Not only have the City gents been dealing in their droves, but the ladies of the establishment are getting in on the act too.

"Could you imagine my surprise," wrote Ms S, a legal secretary with a well known City firm, "when I opened my boss's Filofax to check his appointments, and was faced with two gorgeous women!

"Here was I thinking that the Managing Executive was a bit of a lame pup - and he turns out to be a right horny old dog! TAPED!

*When **Allan Bryce** came across Dominant Dowse at the photocopier, she told him he'd better clean up the mess. Still, at least he managed to get his column in on time...*

It's a popular misconception that the offices of men's magazines are permanently packed to bursting with cracking crumpet. In all of my visits to Raymond Towers I have never encountered a luscious, leggy Linda, a pouting Paula, or even a busty Brenda for that matter. In fact, the only thrill I ever get comes from encountering the whip-carrying Dominant Dowse. She's a woman who usually wears the sort of outfits that bring out the bust in her. Marvelling at the sight of her bending over the photocopier (whose name escapes me) the other day, I asked: "How on earth do you manage to get into that skin-tight leather dress?" and she replied, "Well, you can start by buying me a drink..."

You're probably asking yourself what all this has to do with video porn. So am I, actually, but the Ed insisted I get a few gags in from *The Best Of Tarby's Golfing Giggles* (50p from all good sports shops) before leaping into this month's batch of percy-pullers.

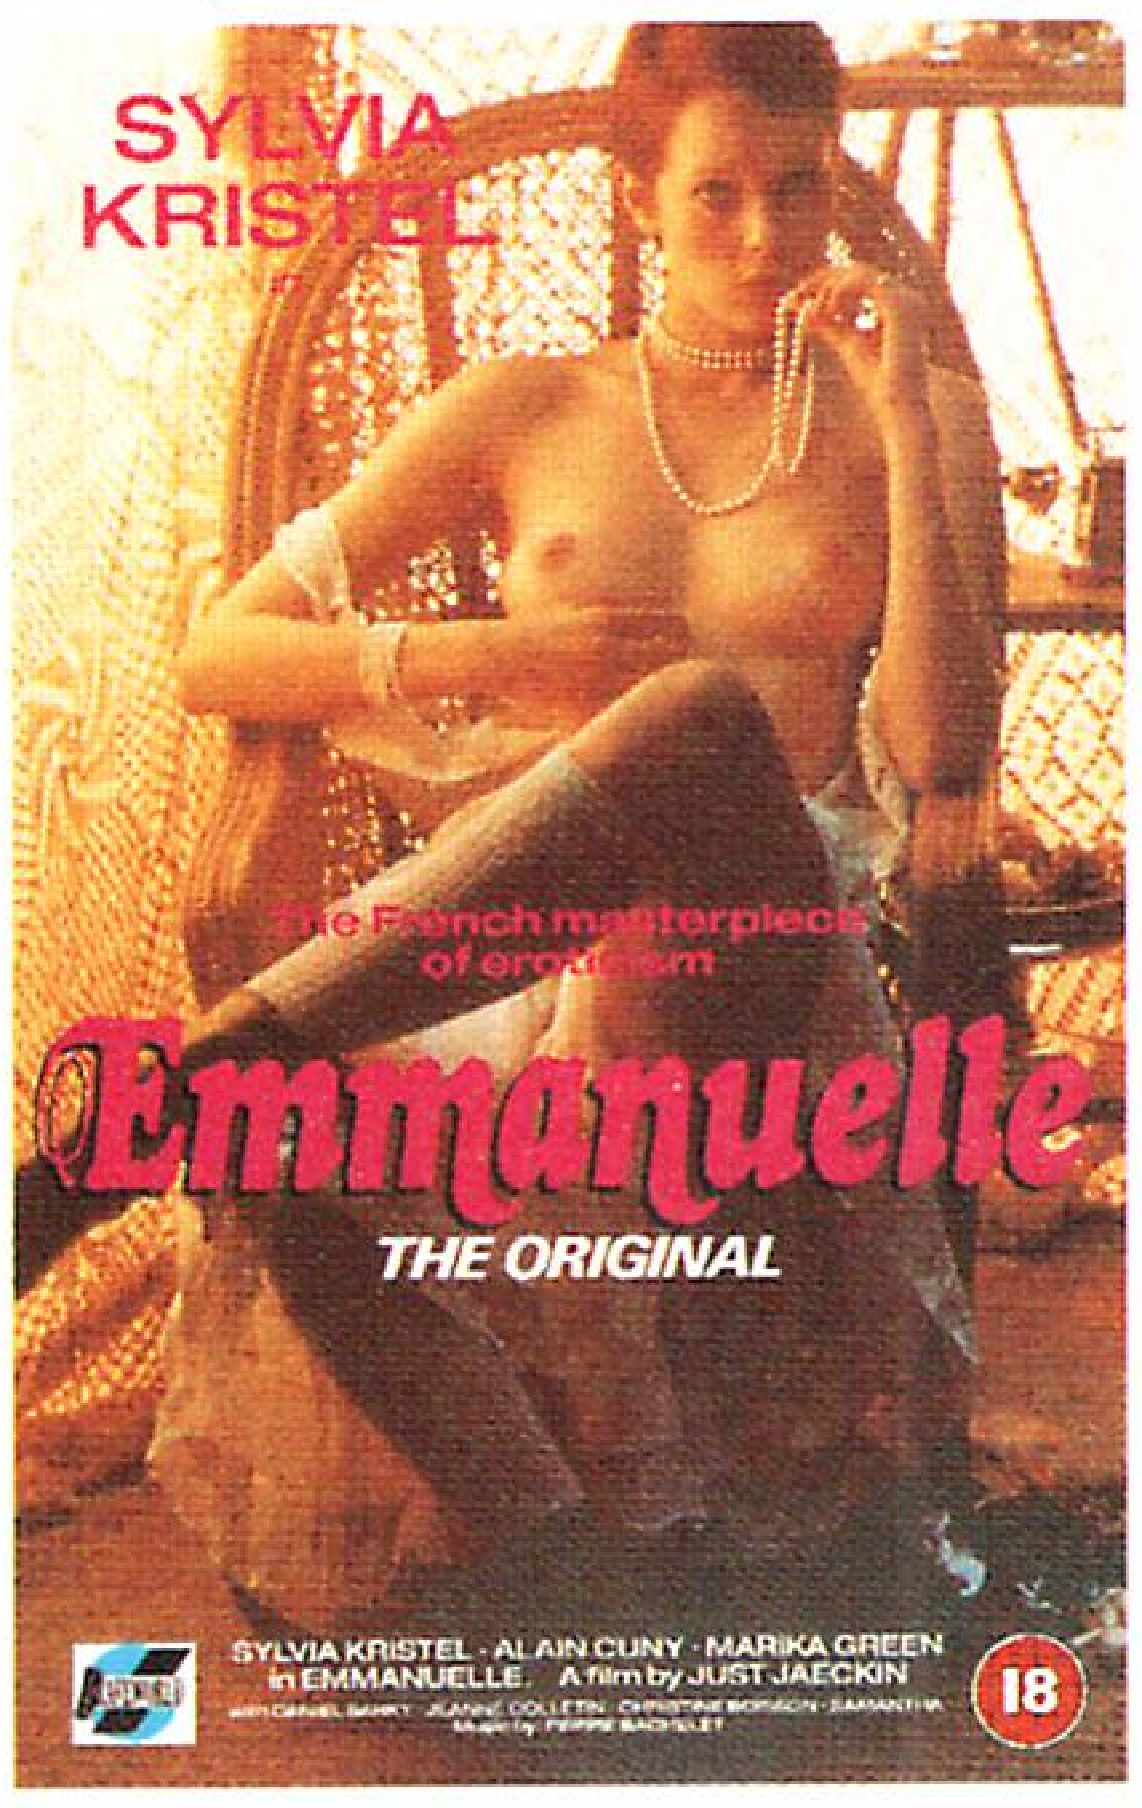
Now, without further ado, let us plunge head first into the highly salacious, starting with a trio of titillating new titles guaranteed to put a spring in your step and a bulge in your St Michaels. Or as Sir Larry would have put it: Once more into the breeches, dear friends...

First on the five knuckle shuffle trail comes **Babyface 2,** which is a sequel to the most popular adult movie of all time (that's what it says on the cover anyway), and tells the story of a hen night party that turns into a sexual free-for-all when a group of gorgeous gals hire a male stripper for their soon-to-be-wed friend. From the moment that well-known porn star Jamie Gillis turns up on the doorstep, regular viewers of this sort of movie entertainment will realise that it's only a matter of time before at least five of the party guests attempting to get their gums round his plums.

Then, in a plot twist worthy of Hitchcock (or any other cock for that matter), Jamie puts a spell on the rest of the party guests and turns them into insatiable sex machines.

Top American porn princesses Taija Rae, Stacey Donovan, Lois Ayres and Candie Evens star in this red hot new release from the infamous San Francisco-based director Alex De Renzy. It's hotter than the Ed's car, but less likely to turn up on *Police 5*.

Staying with sequels we come to **Every Woman Has A Fantasy Part 2**, which is a follow-up to a movie we never got a chance to see - now there's a novelty for you. This one asks us to come again with Ben and Teri Conti (Lois Ayres and John Leslie) as they continue to probe the boundaries of sexual experimentation and discover some shocking new pleasures. Precisely what these shocking new pleasures are remains something of a mystery thanks to the efforts of the BBFC, who seem to have handed the sensitive job of cutting the movie over to a close relative of Freddy Krueger! Now an epic 53 minutes in length, it still has its sexy sequences, but those in search of hardcore would be better off going down to their local building site.



Next up on the old pornosonic is **Misbehavin'**, which features a whole host of porn stars doing just that. The setting is a remote lakeside mansion owned by busty Gloria Leonard, publisher of a very naughty magazine not dissimilar to this one. She's invited a number of guests down there for the weekend, and they all end up in each other's beds at one stage or another. I once threw a similar party - but everyone wanted to go home when we lost the Monopoly.

Adult movies come and go, but when the conversation turns to the classics of the genre, only a handful really stand out from the crowd. On the hardcore level we're talking *Deep Throat, Behind The Green Door, The Devil In Miss Jones,* while on a softcore level the undoubted champ is the original **Emmanuelle**, in which sultry Sylvia Kristel played the good time had by all.

The good news this month is that the first two *Emmanuelle* movies have at last been given UK video certificates. The first *Emmanuelle* contains extra footage that was cut from the film's 1974 cinema release, including shots of Bangkok night club entertainers smoking ciggies in a *most* unusual fashion.

As for the plot, there can't be many adult movie fans who don't remember the story of how bored bride Sylvia has her libido liberated on a trip to Thailand, getting shafted in the loo of a 747 and thus totally missing out on the duty frees. From there on in it's a short step to lesbianism, troilism, and a lot of other isms best performed in the comfort of your own home.

Emmanuelle 2 is more of the same. This time out erotic Em abandons her horny hubby on his luxury estate and tries to find sexual fulfilment in the infamous Jade Garden. This gives rise to some very steamy sequences where Sylvia gets into clinches with Thai beauties (well, they don't let you into the club without a Thai). This is softcore at its best, and one video that you can safely show the girlfriend without getting a thump.

Finally, we come to **Last Exit To Brooklyn**, the controversial film version of Hubert Selby's long-banned novel about life in the raw in a 50s New York ghetto. This

one goes straight for the jugular, with choice scenes showing the locals urinating from windows, while a foul-mouthed blonde hooker gives blow-jobs to sailors on the dockside and gets gang-banged in the back of a transit (cock-au-van?) by half the neighbourhood. All of human life is here.

The episodic storyline dots back and forth between a trio of detestible characters: the vampish, gum-chewing prossie Tralala (Jennifer Jason Leigh) who plans to screw her way to a better life; the downtrodden union man Harry (Stephen Lang) who has just come to the realisation that he's as bent as a nine bob note; and the slobbish Big Joe (Burt Young), whose fat daughter has just been made pregnant by a workmate.

Made by the same team of German filmmakers who brought us the drug addiction drama *Christiane F*, it's sordid, riveting stuff, the type of thing that you can find elsewhere in this issue. That's all for this month. I'm off to replenish my stock of Kleenex, so let me leave you with this gem from *Ted Rogers Party Time Funbook* (25p per volume from all good garden centres). jumpin

THIS FREE-FALL CAN SERIOUSLY DAMAGE YOUR HEALTH

If you've always fancied parachute jumping but are shit-scared of flying, then we have just the sport for you. It's called base jumping: it's more exhilarating, and more spectacular to watch, pulls more birds and is even more dangerous to your health than merely leaping out of a plane.

Base jumping is a simple matter of climbing an extremely high mountain, or being dropped on top of one by helicopter like Dominique Gleizes here, and then free-fall parachuting off a suitable precipice like the top of Mount Crus, near Mont Blanc in the French Alps. Simple, eh?

Not exactly. So dangerous is the sport that even this fearless member of the French equivalent of the SAS won't do it without a vital piece of experimentation. An orange has to make the jump first. Yes, an *orange*. The unfortunate orange is dropped from the jump point (without a chute) to determine just how far Gleizes can fall before he can open his own chute safely. Quite how a small piece of citrus fruit does this is a mystery, but that's just the start of the base jumper's problems.

Assuming you've landed on top of the mountain successfully, plucked up the courage to stand on the edge of a cliff some 1500 feet above the ground, and jumped off after following the safety advice of a Jaffa, then you'll more than likely be killed by the opening parachute propelling you at some speed into the jagged cliff face.

After dropping his soft fruit, Gleizes reckons he can safely free-fall 900 feet (or for about four seconds) before pulling the ripcord. Even then, if the chute fails to open perfectly, he will almost certainly be killed. Unlike ordinary parachute jumping, the free-fall has to be done feet first with the back to the cliff or else the rectangular chute will be torn to ribbons on the jagged mountainside....

So Gleizes edges towards the cliff - and jumps - watched by photographers and film crews. At one terrifying point on the jump that you see here, Gleizes was facing the wrong direction. He had less than three seconds to twist himself to face away from the cliff before opening his chute - otherwise it would almost certainly have caught on the rocks, ripped and sent him plummeting to his death.

It was a close thing, but on this occasion Gleizes landed safely, to be congratulated by friends and colleagues. He says that he learned the art from American Erich Band, who pioneered base jumping

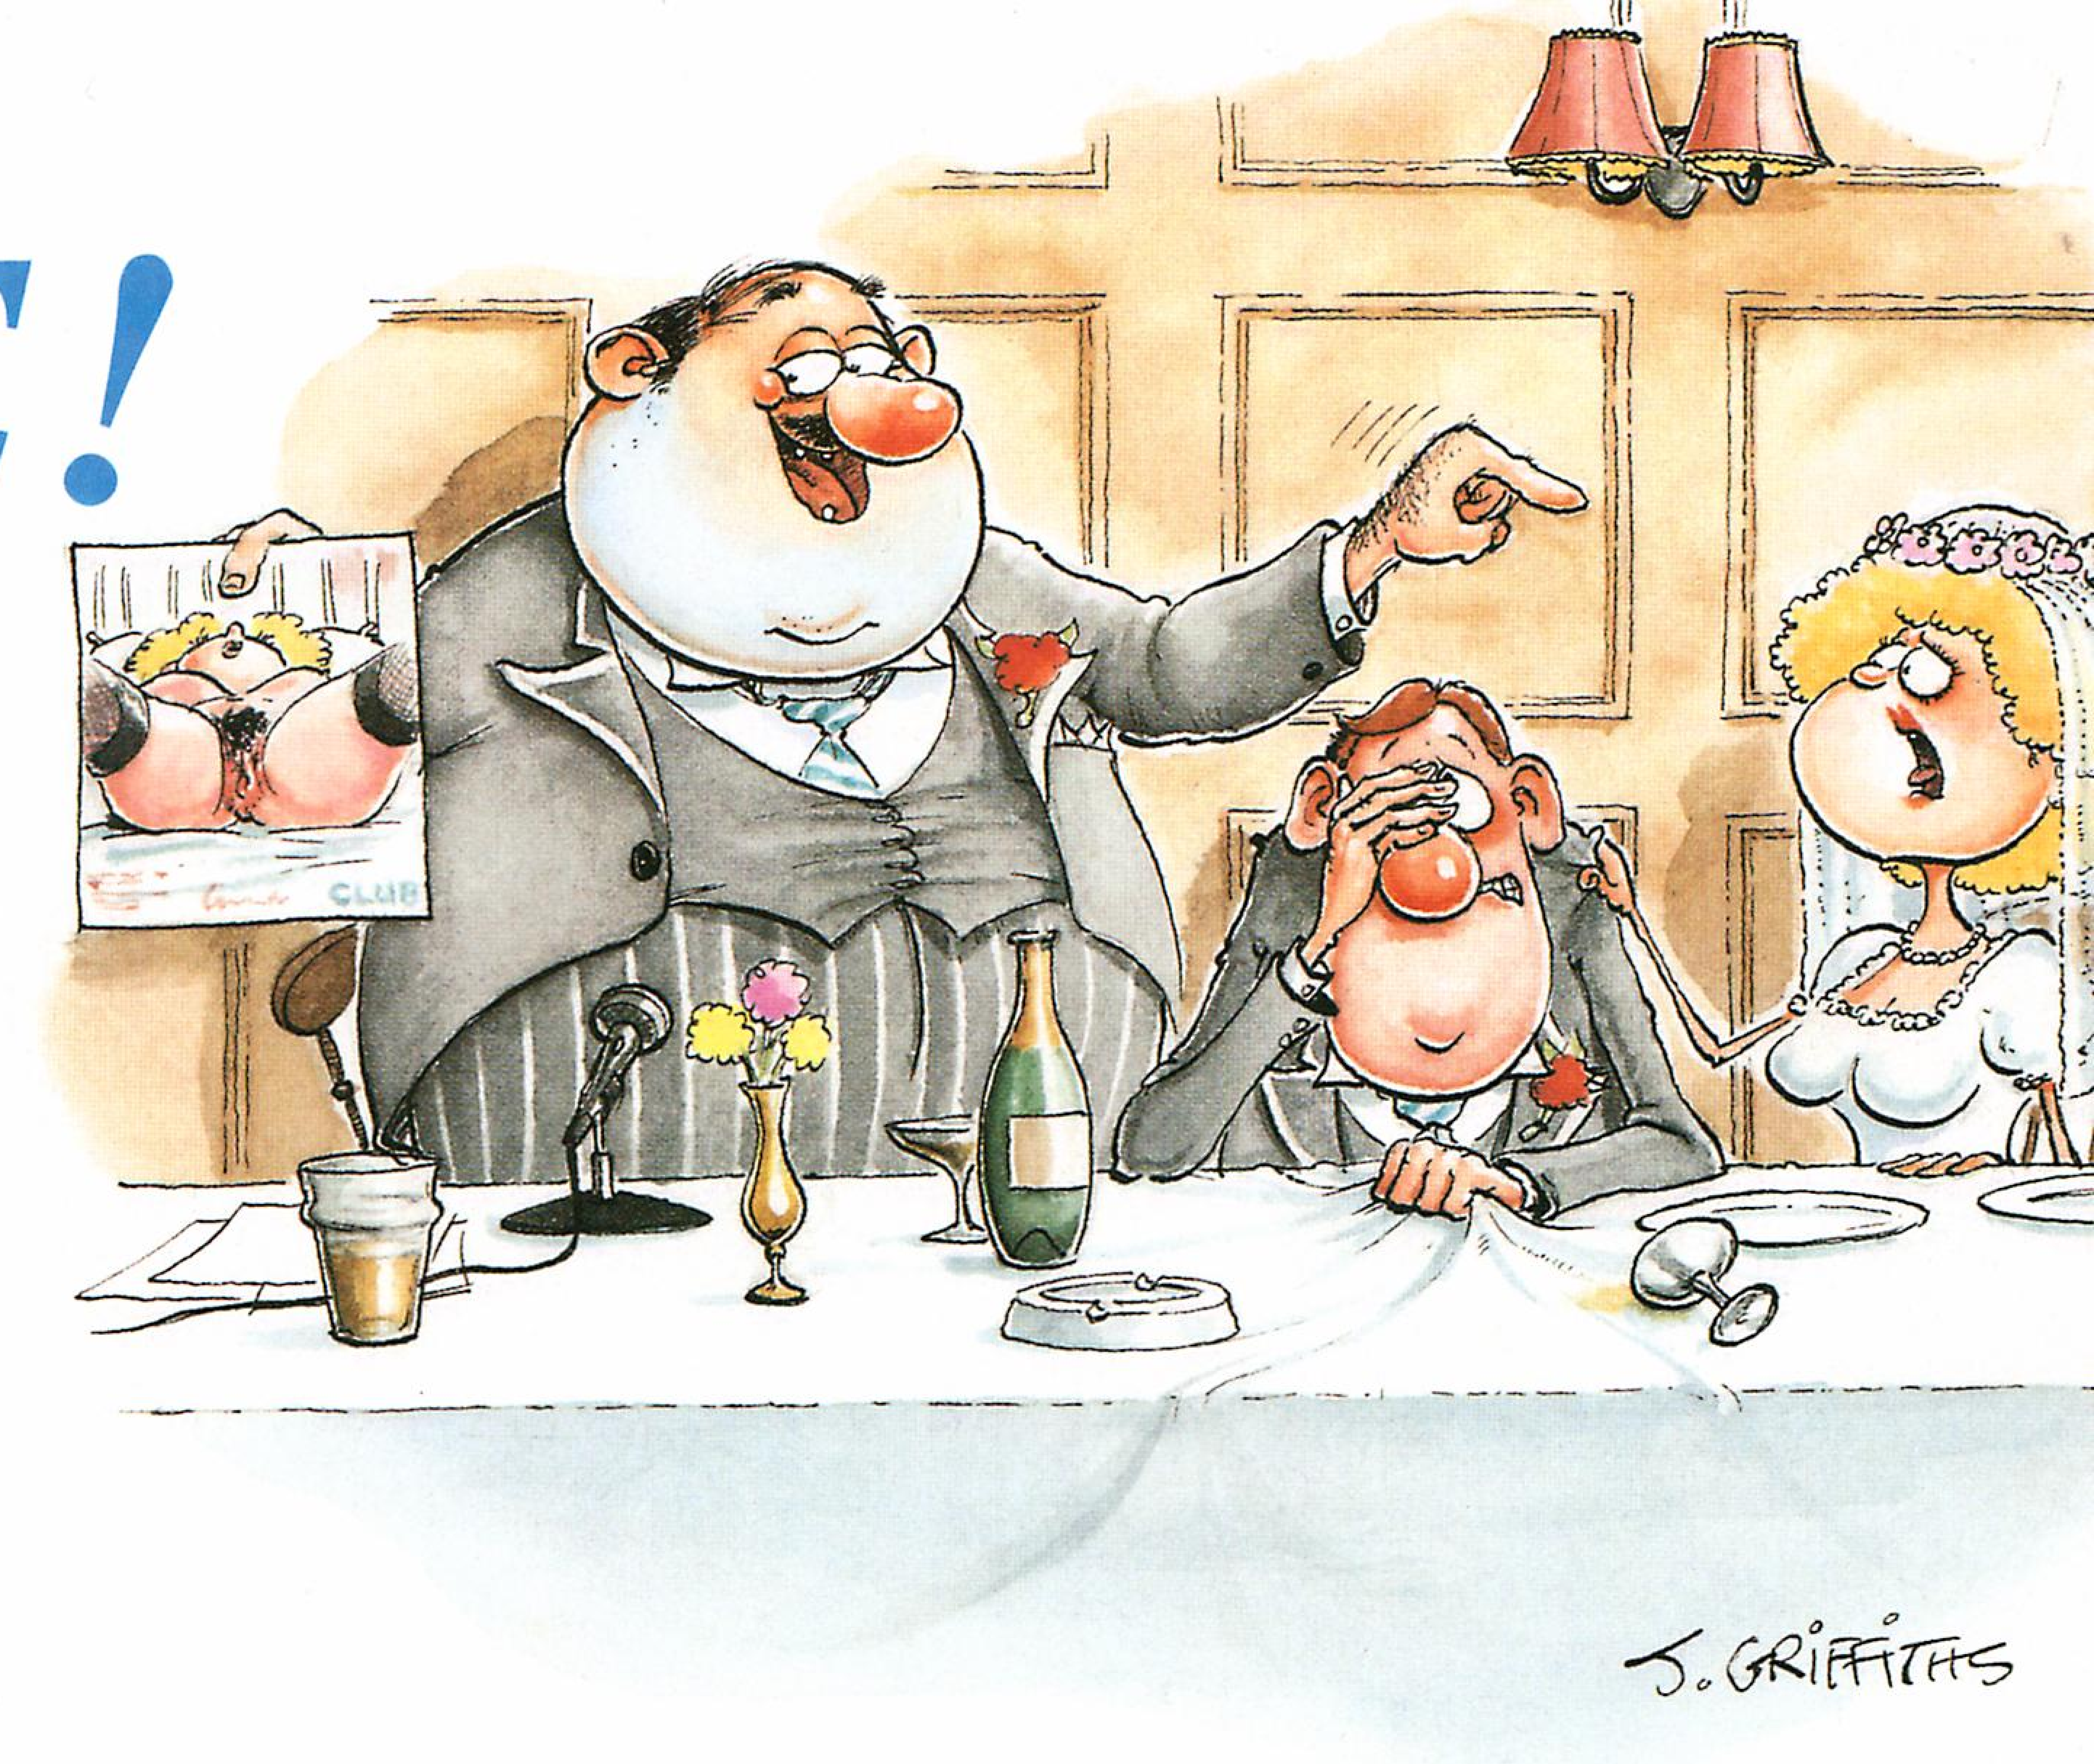
in 1988. But as a trained mountain guide he is still more used to climbing mountains than leaping off them.

The sport is popular in the US and Alpine countries but so far hasn't crossed to these shores due to a severe lack of mountains. Thank Christ! That's a great relief for cowards like ourselves. If we had a few lofty snow-capped summits, some idiot, or Jimmy Savile, would want us to risk our lives leaping off them for charity...♣

GOBBLE!

*When **Nathaniel Fatbastard** was best man, the bride didn't come because she'd already been, but he still managed a few liquid coughs along the way...*



As an upstanding member of the community and one of the biggest knobs in Lewisham, I've been highly valued for my part in a variety of functions. It's been touched upon many times, I know, but I'm often asked discreetly by the hostess if I'd like to get up after dinner and give her and the guests the benefit of the enormous length and breadth of my experience.

Having a famous column helps, of course, but what really matters is how you use it and knowing when to stop, so that at the end of the day, you satisfy everyone. You could say I've found a small niche for my large talent, though you'd be amazed at some of the places I've been to fill in - some of which have left me in a real hole, I can tell you.

But there aren't many things I'm not prepared to have a crack at, and I've always kept my end up and scraped through. However when it comes to being best man at a "joining together", and the service that this entails for all the relatives, I really come into my own.

Only the other week I was asked to do the business at the wedding of a colleague, freelance film reviewer Russell Mycock, who specialises in arty foreign films like *Emmanuelle Goes East, Emmanuelle In Denmark* and *Black Emmanuelle On The Job*. It had been a whirlwind romance; he met her in the back row of the Odious Leicester Square, where he found the lost ark rather quicker than Indiana Jones did. They got on famously as he licked her King Cone and she sucked his Kia-Ora, squirting the contents over the next row. Despite knowing her less than a week, romantic old Russ had gone down on his knees to propose. Not surprisingly. She'd kicked him in the cobblers when she found out he'd got her pregnant. Naturally, he requested I should be best man.

My first job was to look after him the night before the big match. I refused to let him go to the pub, settling instead for a couple of bottles of Scotch at his place and an evening watching his extensive video collection. His choice of viewing was in keeping with wedding traditions - something old, something new, something borrowed and something blue. I can particularly recommend Chuck Noxiously in *The Inseminator* (Vestoff Video £12.99) and *Danish Dentist Fills Her Cavity* (Duller Climax £49.99). Both are a hand shandyman's dream, though by far the most prominent organ in the latter is the Hammond electric one that provides the soundtrack.

The next morning, only slightly hungover, we put on our morning suits (£59 an hour from Gloss Dross), and I drove us to the small Seventh Day Of Non-Conforming church in Balham. We only got lost once, but a local soon put us right.

"Do you know where I might find St John Steva's Church of the Saviour of Our Souls?" I asked.

"Saviour of what?" he asked.

"Our souls!" I repeated.

"Up yours and all," he replied. I took this to mean we should carry on along the same road, and sure enough, we were soon outside. I parked the car on a handy stone slab in the grass outside the church, and we went in.

Soon the bride arrived. She looked radiant in more white satin and lace than all the naughty undies the groom had seen in his years of film reviewing.

I know what you're thinking. I lost the rings. Well, you're wrong. They were still there wrapped in my handkerchief - though there had been a nasty moment when they nearly fell out during an unexpectedly liquid cough during the first hymn.

After the "I dos" (or "I already haves" in this case), it was off to the *Olde Dead Lion Hotel* (traditionale ales, selectione of fyne wines and ye satellite televisione - next to the Acrapaminute Kebab House, Balham High Street) for the reception. As an eating out reviewer this is where I really feel at home. It was buffet-style, namely plate in one hand and bottle in the other - occasionally slipping the latter under your armpit to eat. We started with Pervy's Pissed Old Cream sherry (£1.99 a litre), followed by canapes (shitty little things that taste like tiny twats). Then came the Nasti Spewgrandli sparkling white (£9.99 a case). Sadly, real champers was out of the question as it costs more per magnum than Tom Selleck. Next out came the Bastard Matthews turkey flavoured meat slices (99p a foot), Old Farmer Piles' Genuine 'Wiltshire-based factory' pork pies (55p), and prawn vol au vents (French for 'full of fart').

Finally came that apology for pudding - fruit salad. I'm sorry but I don't count five lumps of Pete Beale rejects and the obligatory wafer-thin

massaging her pussy lips with jelly, making filthy, squelchy sounds, till she couldn't wait any longer for my cock. And when she was feeling really teasy, Josie would make me lie naked on the bed and, forbidding me to touch myself, would slowly pour oil over her breasts, massaging her flesh till my cock was throbbing at the sight of her. When her whole body was oiled, she'd come close to me and, lifting up my eager, erect cock, pour oodles of oil all over my knob-end and start wanking me slowly.

I've never known orgasms like those - Josie seemed to make them last for ever, sliding her long fingers up and down my shaft, rubbing the oil round the edge of my knob, which was by then purple and near to bursting. She could tell when the spunk was coming and would press her oily tits over my face as gob after gob of milky come splattered all over her.

Unfortunately, I'm not with Josie any longer, but I've learnt the art of wanking with oil and jelly from her. With the help of baby oil and the latest copy of Club, I've sometimes managed to keep a hard-on teetering on the edge of ejaculation for an hour and a half. The excitement is beyond description.

That's why I'd love you to show girls lubricating their luscious bodies, so that when my oily wank comes to its climax, I can imagine it's between the tits of the girl I'm looking at, who's massaging her bosom for me just like Josie did. *- Ken, Poynton*

slice of Kiwi fruit as a course - even though I did cover it with more cream than the Danish Dentist produced in 90 minutes. I washed the lot down with a few more glasses of champagne-clone, and then managed a sizable wedge of Stilton (£3.99 a pound) with a half pint of Cocksuckers (pronounced Co-suckers) 30-year-old Vintage Port (£9.99 a bottle) before my speech.

It all started well. I read out the telemessages, and the joke about the nun and the dildo always gets a laugh. However, some of my remarks about a certain Tory MP taking a liking to the five-year-old bridesmaids went over most people's heads. I'd just launched into a particularly Ustinov-like anecdote about the groom shagging the usherette at the Rialto during *The Sound of Music* complete with sound effects when my buffet rebuffed me. Like Miss World finalists, the three course meal came out in reverse order, splattering most of the bride's relatives, including the disgusting satin shirt and mini kilt of Justin the page boy. But like a trooper, I carried on. I only fluffed once when I caught sight of my re-released Kiwi fruit sliding down the cleavage of the bride's mother, which threw my timing a little.

On the whole, I think it went down very well, even if a lot of it did come back up again. I expect, having read this, you'll want me to handle something at your next get-together. I always come, even at short notice, but I do have a lot on my hands at the moment. ♣

MOVE OVER LOTUS

The world's best sports car is Japanese, says Club car guru **Horst Pipe**.

The new Mazda has already been voted Car of the Year in the US, and anyone taking it for a quick spin will soon see why. The MX-5 takes up where the original Lotus Elan left off and is all set to become the definitive sports car of the 1990s. Unlike the new Elan (a scaled-up version of Sinclair's plastic clog), it is quite simply everything a sports car should be: simple but stylish, built for two, front engined, rear wheel drive, perfectly balanced, and of course open topped.

With a powerful twin-cam 16 valve 1.6 litre engine it'll hit 60 from standstill in less time than it takes to read Dan Quayle's war memoirs and the top speed is, er, loads. In short, it's ideal for pulling 5g at Junction Four on the M3. The perfect embodiment of the *Kansei* belief that achieving a one-ness between man and machine is ultimate aim of honourable customer, it costs just £14K, weighs less than an *Origami* duck, and goes like stink. Confucius, he say, "Waiting rist is velly rong so lemember ancient Zen teachings about patient monk who waits 10,000 moons to buy this Rotus Eater." Alternatively, Glasshopper, stump up the extra hundred grand and have yourself a Fellali. Ah So! *(And ah-sos to you too matey - Ed.)*♣

TOP TITS

Tits are like cheap trousers. They come in all shapes and sizes to suit every taste, make you feel cramped around the crotch, and need something to hold them up - especially if they're a baggy pair. However, whilst C&A polyester twills wear a bit thin after only a few weeks, tits never do. Taking the bra off a pair of .44 magnums will never be a let down. Which brings us very nicely to this month's tit tirade. Today I'm turning my attention to big 'uns, and pretty close attention it is.

Now some guys like a pair of pert protuberances as firm and rounded as small seashells. Well, they're OK in their place (which is inside a tight white T-shirt so that the nipples poke through like size nine knitting needles) but to my mind massive mammaries beat them hands down - or up and under them, as the case may be.

There's nothing like plumping up a pair of proud pink pillows to rest your head on all through the night, sighing as you slowly sink between them. Enormous knockers are soft and smooth, yet warm and cuddly, with big brown nipples that you can really get your teeth into.

But best of all is the way world-class whammers move when she walks. Freed from behind bras, they sway from side to side and bounce up and down like two giant jellies in a juggernaut. Even when she sits down they quiver for hours under her blouse. That's why some lusty busties buy a basque. It holds them in place like twin scoops of raspberry ice cream in a double cone - cool, pink and ready to be licked.

Give me a girl with big things in front of her every time. She'll always be out in front.

Ginny

We had to do it. We just *had* to. There was nothing for it really, except to ring up Ginny, our 20-year-old from Cheshire, and beg her to come into our studio to shoot a series specially for us.

We had a hard time persuading her to break off from her hobby - bonking in the back seats of cars - but when she saw the sackloads of mail we'd had from our readers wanting to see all her charms on a regular basis, she couldn't refuse.

Photographs by Scott Evans

We'll let her take things from here...

"I just can't believe all the post I've received, with all the naughty suggestions and dirty ideas for poses, and even a couple of proposals of marriage! I made the Ed get down on his knees before I agreed to do a series for Club - but I was only pretending! The idea of appearing in the magazine every month, acting out all your fantasies, just turned me on so much that I played with myself for an hour, right there on the bed that you can see in these pictures.

"I decided to dress up in some of my favourite lingerie for my first request spot, because that's how I feel most comfortable, in just my undies, and when I feel comfortable is when I start to feel randy. And when I feel randy you know how good I look in my pictures!

"I picked out the best undies from my wardrobe and had a very horny time dressing and undressing myself, running my hands over my silky smooth skin, feeling my perky little nipples getting harder, and my pussy getting wetter... You can see me at the end of the shoot, lying on the bed, my legs spread, that expression of ecstasy on my face, imagining all of you pulling your peckers for me - guess what I did as soon as the shoot was over!

"I'll be back next month with another reader's request, so why not make it yours?" ♣

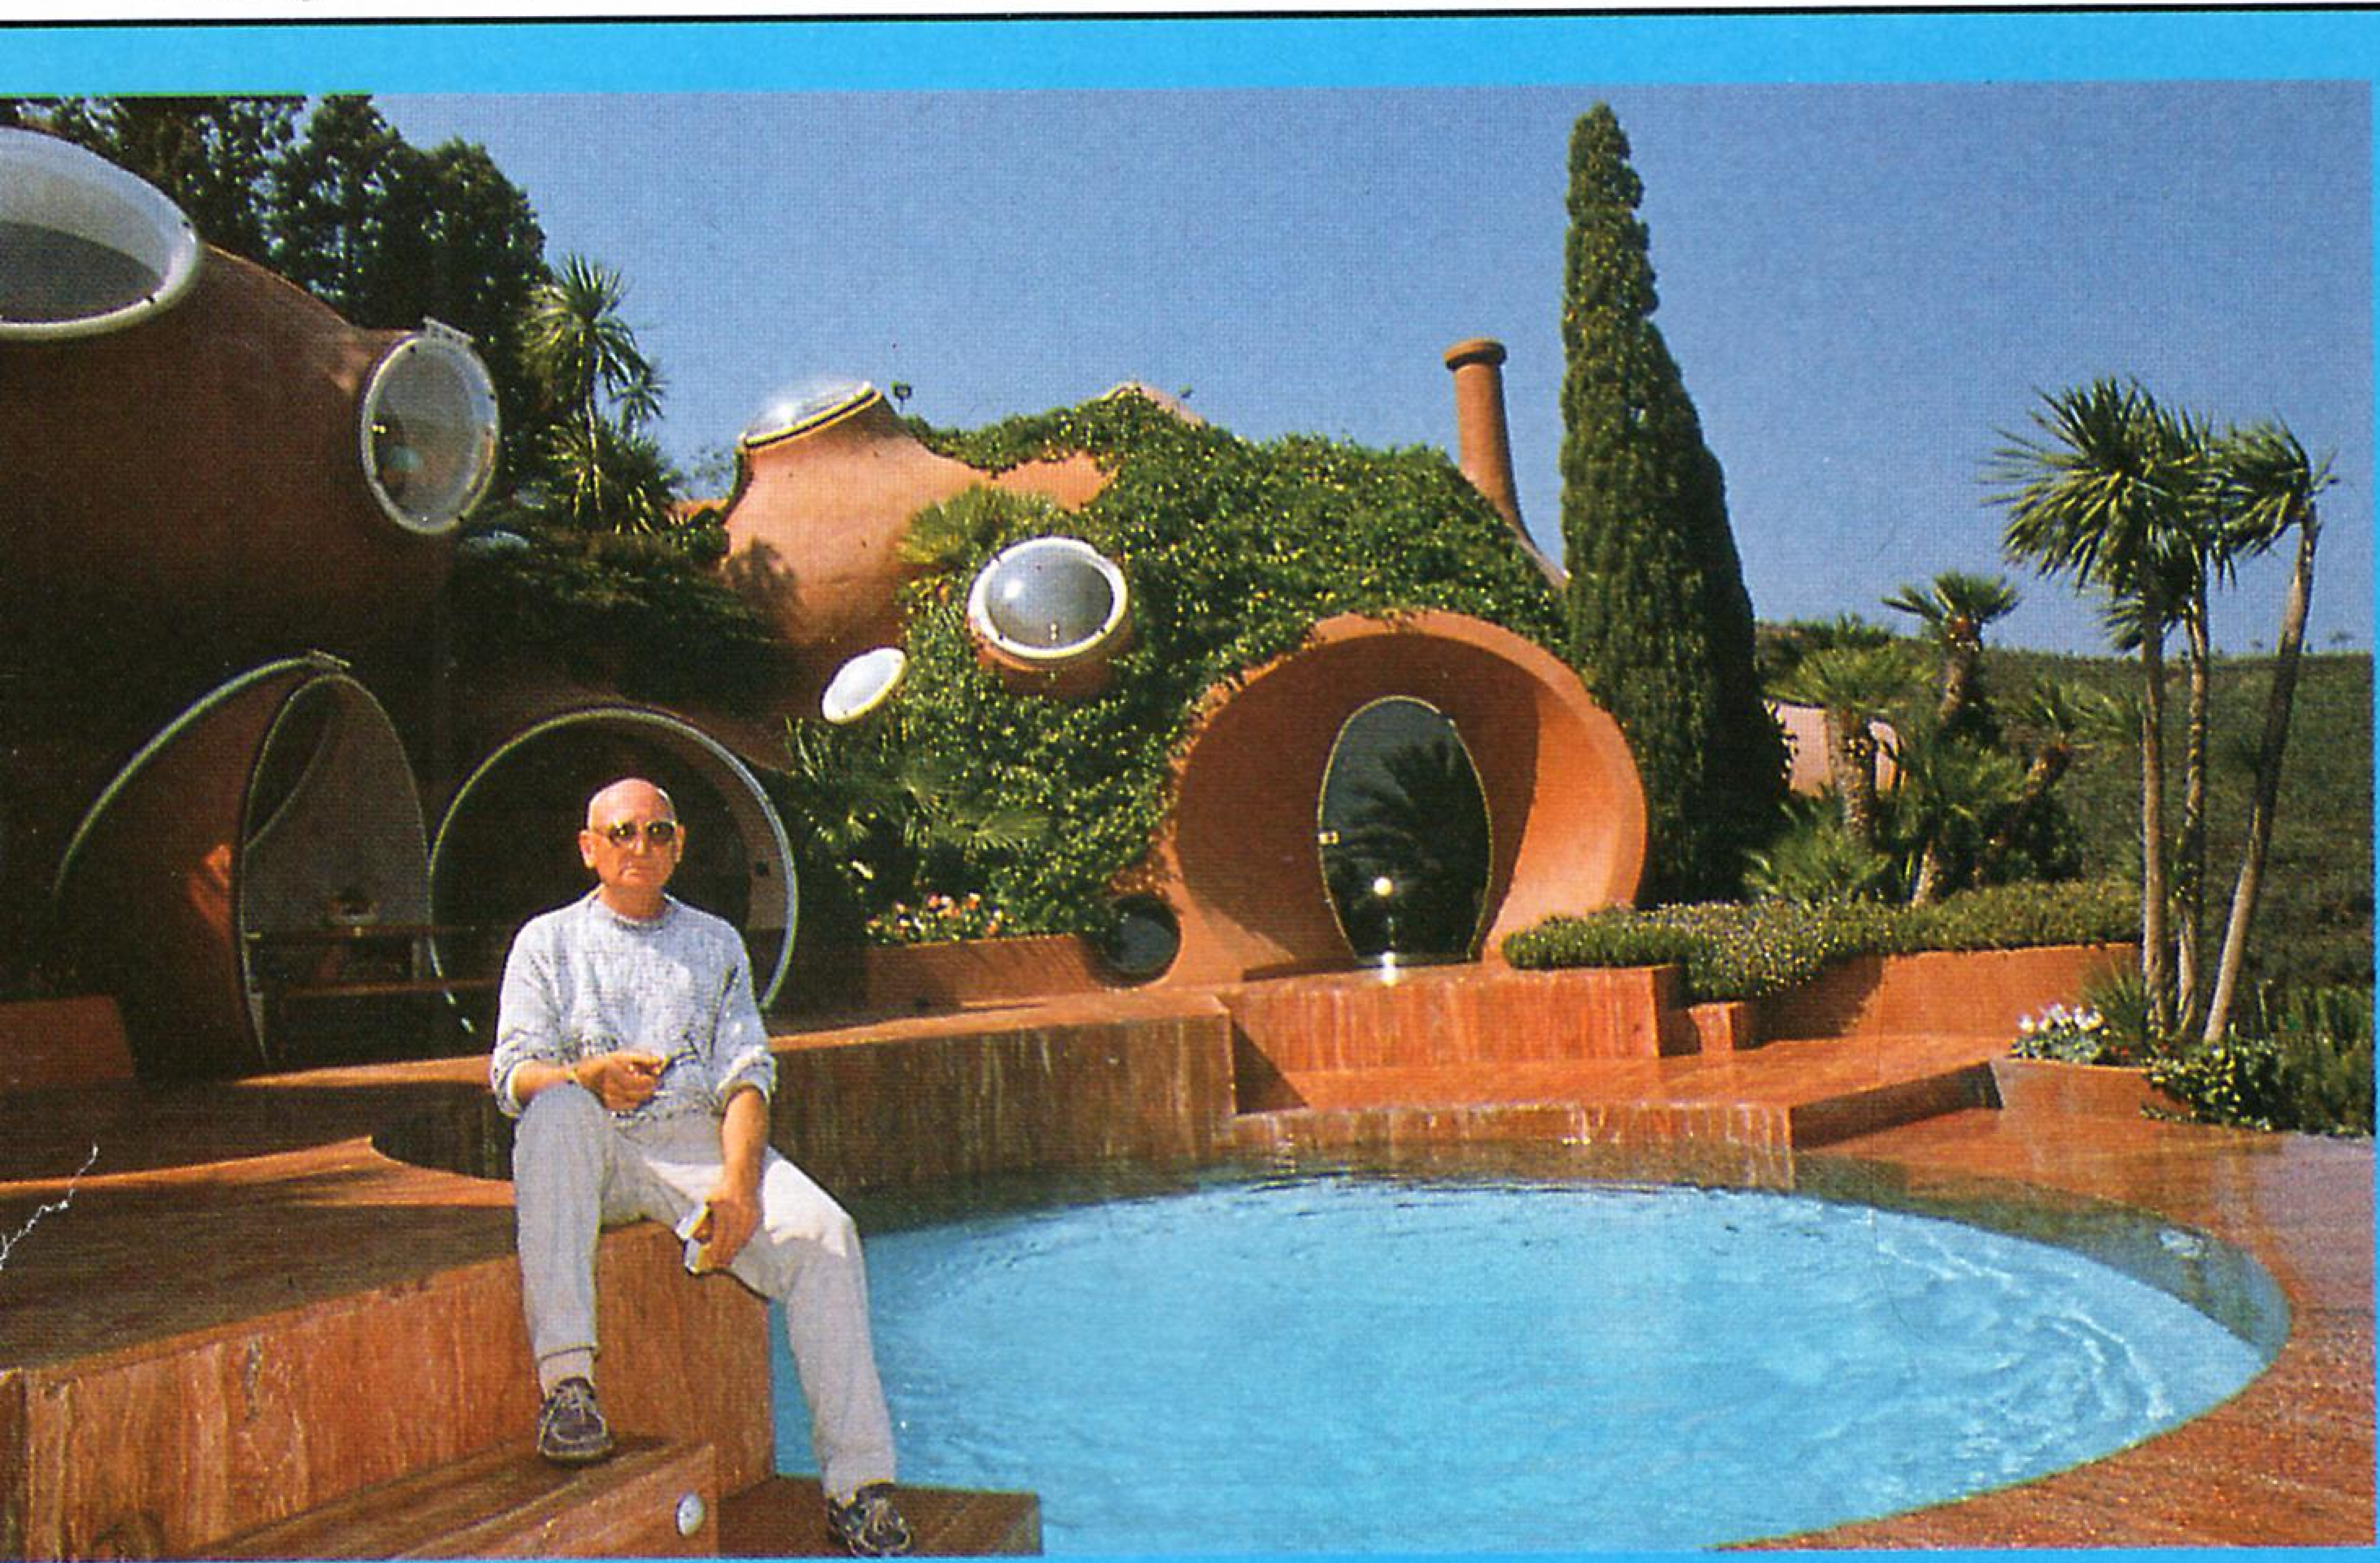
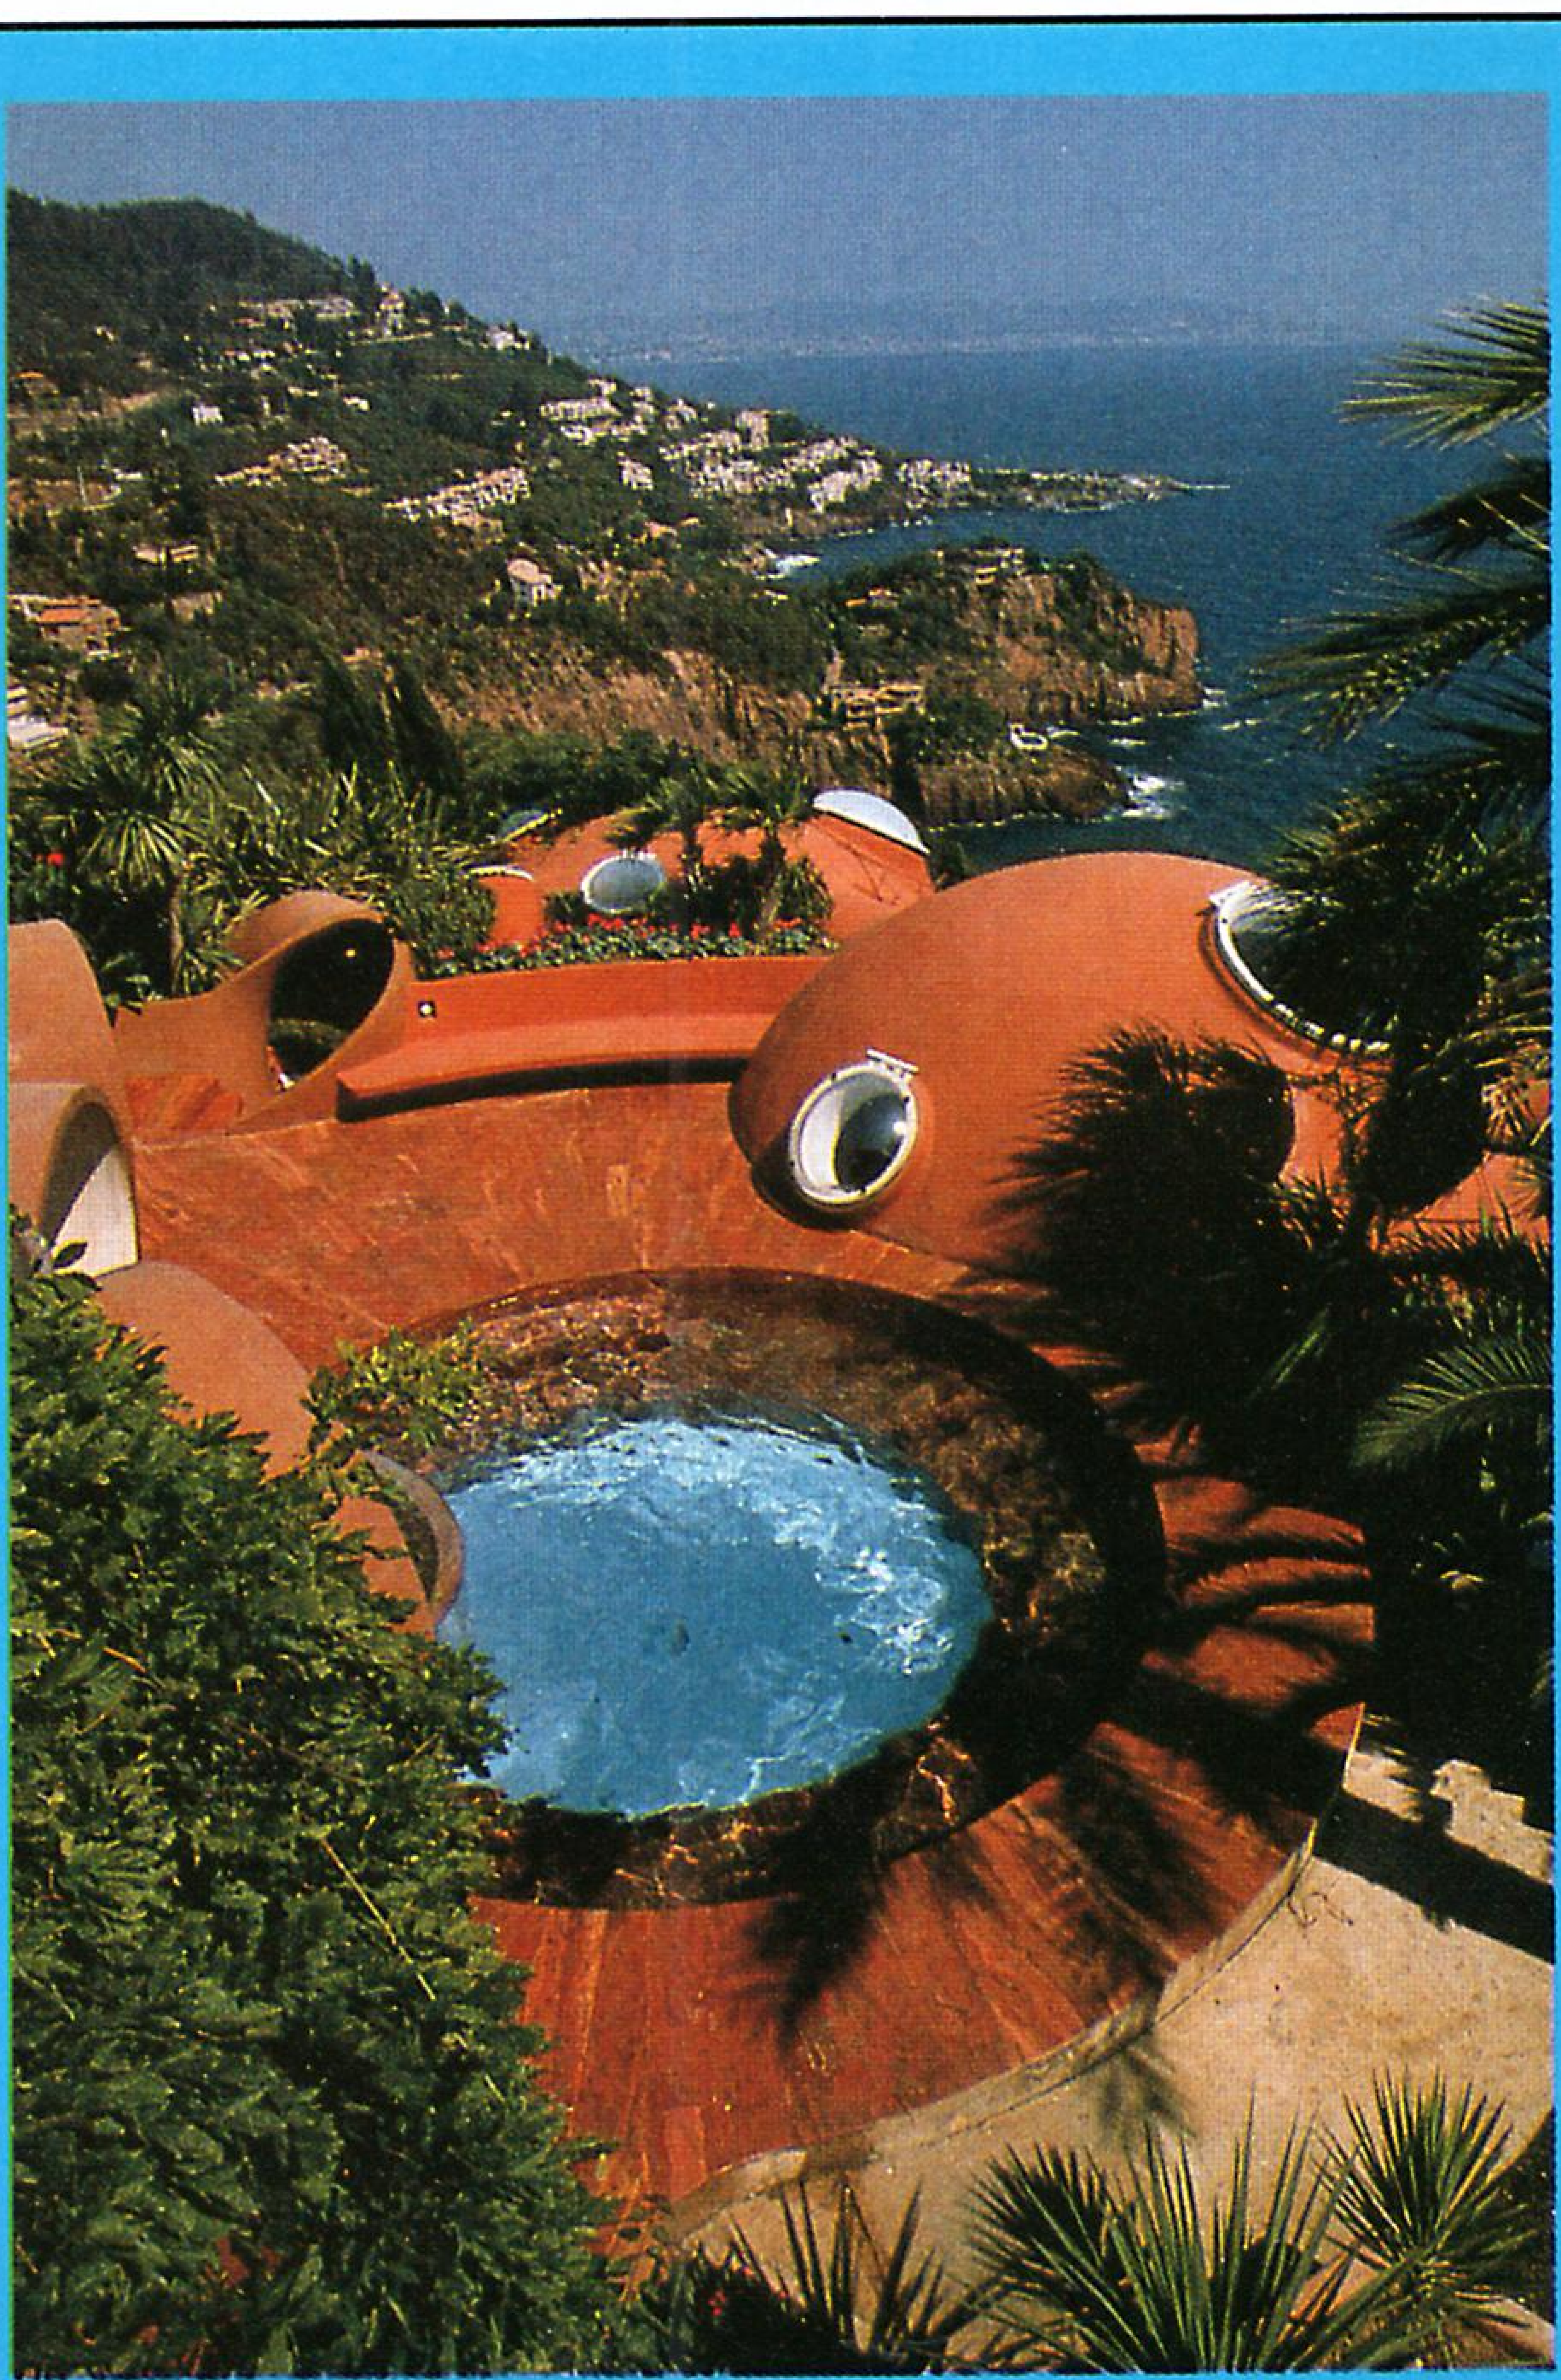
I'm five feet ten in height, and all my boyfriends tell me I have the shapeliest legs they've ever seen. I'm quite shameless when it comes to using my legs to pull blokes I fancy. I only have to put on my tight leather mini-skirt and I can just pick out who I want by the size of the hard-on in his pants. Getting a leg-lover means that I can do what I want with him, provided that I indulge his leg fantasies a little first.

Last week I enticed a gorgeous guy home. He was much smaller than me but I could see him ogling my legs all evening, and the size of his stiffy looked well worth the effort. When I got him to my flat I sat him on the settee and treated him to a strip, leaving only my black stockings and high heels on.

His name was Ben and I could tell that he was a leg man when I heard him gasp as I ran my hands up and down my long, lithe pins.

"I can see you like my legs," I said. "Don't you want to play with yourself while I show them to you?" In a flash he had his lovely, long dick out, and had stripped naked. I stood right in front of him, my back towards him with my legs





ARCHITECTURE SUPPLEMENT

As part of our new drive upmarket, we present a property special. This month: a shithouse.

Estate agents are having a tough time of it at the moment *(Poor bastards - Ed)*, what with interest rates about as likely to come down as Mrs Thatcher's knickers. So we've decided to help them out by publishing details of one of the properties that's been on their books rather a long time.

La Maison de Reve is a surprisingly spacious collection of old sewage outflow pipes overlooking the Bay of Cannes. Affording an excellent seafront aspect with fine views of the tits on the beach, this surprisingly spacious detached mock-terracotta pile of pots comprises eight beds with en suite bathrms, two receps, din rm, cinema, kitchn, laundry, staff bedrm and caretaker's cottage. Set in mature gardens with swimming pool, pond, waterfall, amphitheatre, poisonous spiders, Peeping Toms and ample parking, it is handily placed for local facilities, with Nice International Airport just 30 minutes away, and Cannes (15 minutes by Ferrari) with its excellent shops, launderette and pubs.

Ideal for the naive first time buyer or blind person, this character property has been architect-designed by Hungarian Antti Lovag, who says there is plenty of scope for the purchaser to impose his personality on the interior.

He will consider offers around £5 million, but is prepared to negotiate over curtains, carpets etc. Early viewing is recommended, in case you don't believe your eyes. The current owners Bill N. Benn and Ms Weed would consider a swap for any reasonable council flat in Peckham that doesn't look like bubbling heap of shit...

dead straight and tight together, and then I bent over low and looked back at him stroking his shaft, his eyes fixed on my legs and bum.

"Like it?" I asked. "I know you must be able to see my quim between my bum cheeks. I think I'm getting a bit moist there. Don't you want to touch my legs?" The next moment I was thrilling at the delicate touch of Ben's hands on my skin. "Come on, stroke me more," I whispered. "Let me feel your hard cock against my thighs." He pressed himself urgently against my legs, rubbing his hot prick firmly on them and pulling down my stockings so that he could feel my soft skin against his prick.

I found myself panting with him, feeling the love juice starting to trickle out of my pussy and down my legs. It wasn't long before I felt Ben's cock jerking fiercely and his jets of spunk felt hot and sticky against my legs as he pumped it out.

After that, Ben was virtually my slave. He'd do anything to be allowed to bring himself off on my thighs. On another occasion with him, I wore pure silk stockings which he hadn't seen before. "How does your cock like the feel of that?" I asked him as he pressed himself against me. This time he didn't pull my stockings down and let the feel of the sheer silk bring him off instead. He loved it so much that the next time he begged me to wank him with the silk. Being a very obliging girl, I got him really hot and horny by parading my legs in front of him before I peeled off my stockings and wrapped one around his rigid cock, jerking him slowly into an ecstatic orgasm that drenched my stocking with so much come that I gave it to him as a present.

I suspect he uses it every time he wanks off over a particularly leggy girl in Club - in fact, I've watched him do it on many occasions! I like to keep his cock in trim to fill my pussy when he wants it, so he gets plenty of training on my legs! - *Lucille, Manchester*

IN ARREARS

Hi there, cheek squeezers, it's time once again for the best bit of Club - the end, or rather the rear end. No buts, it's our hot bot of the month, and here are a few bottom lines from yours truly.

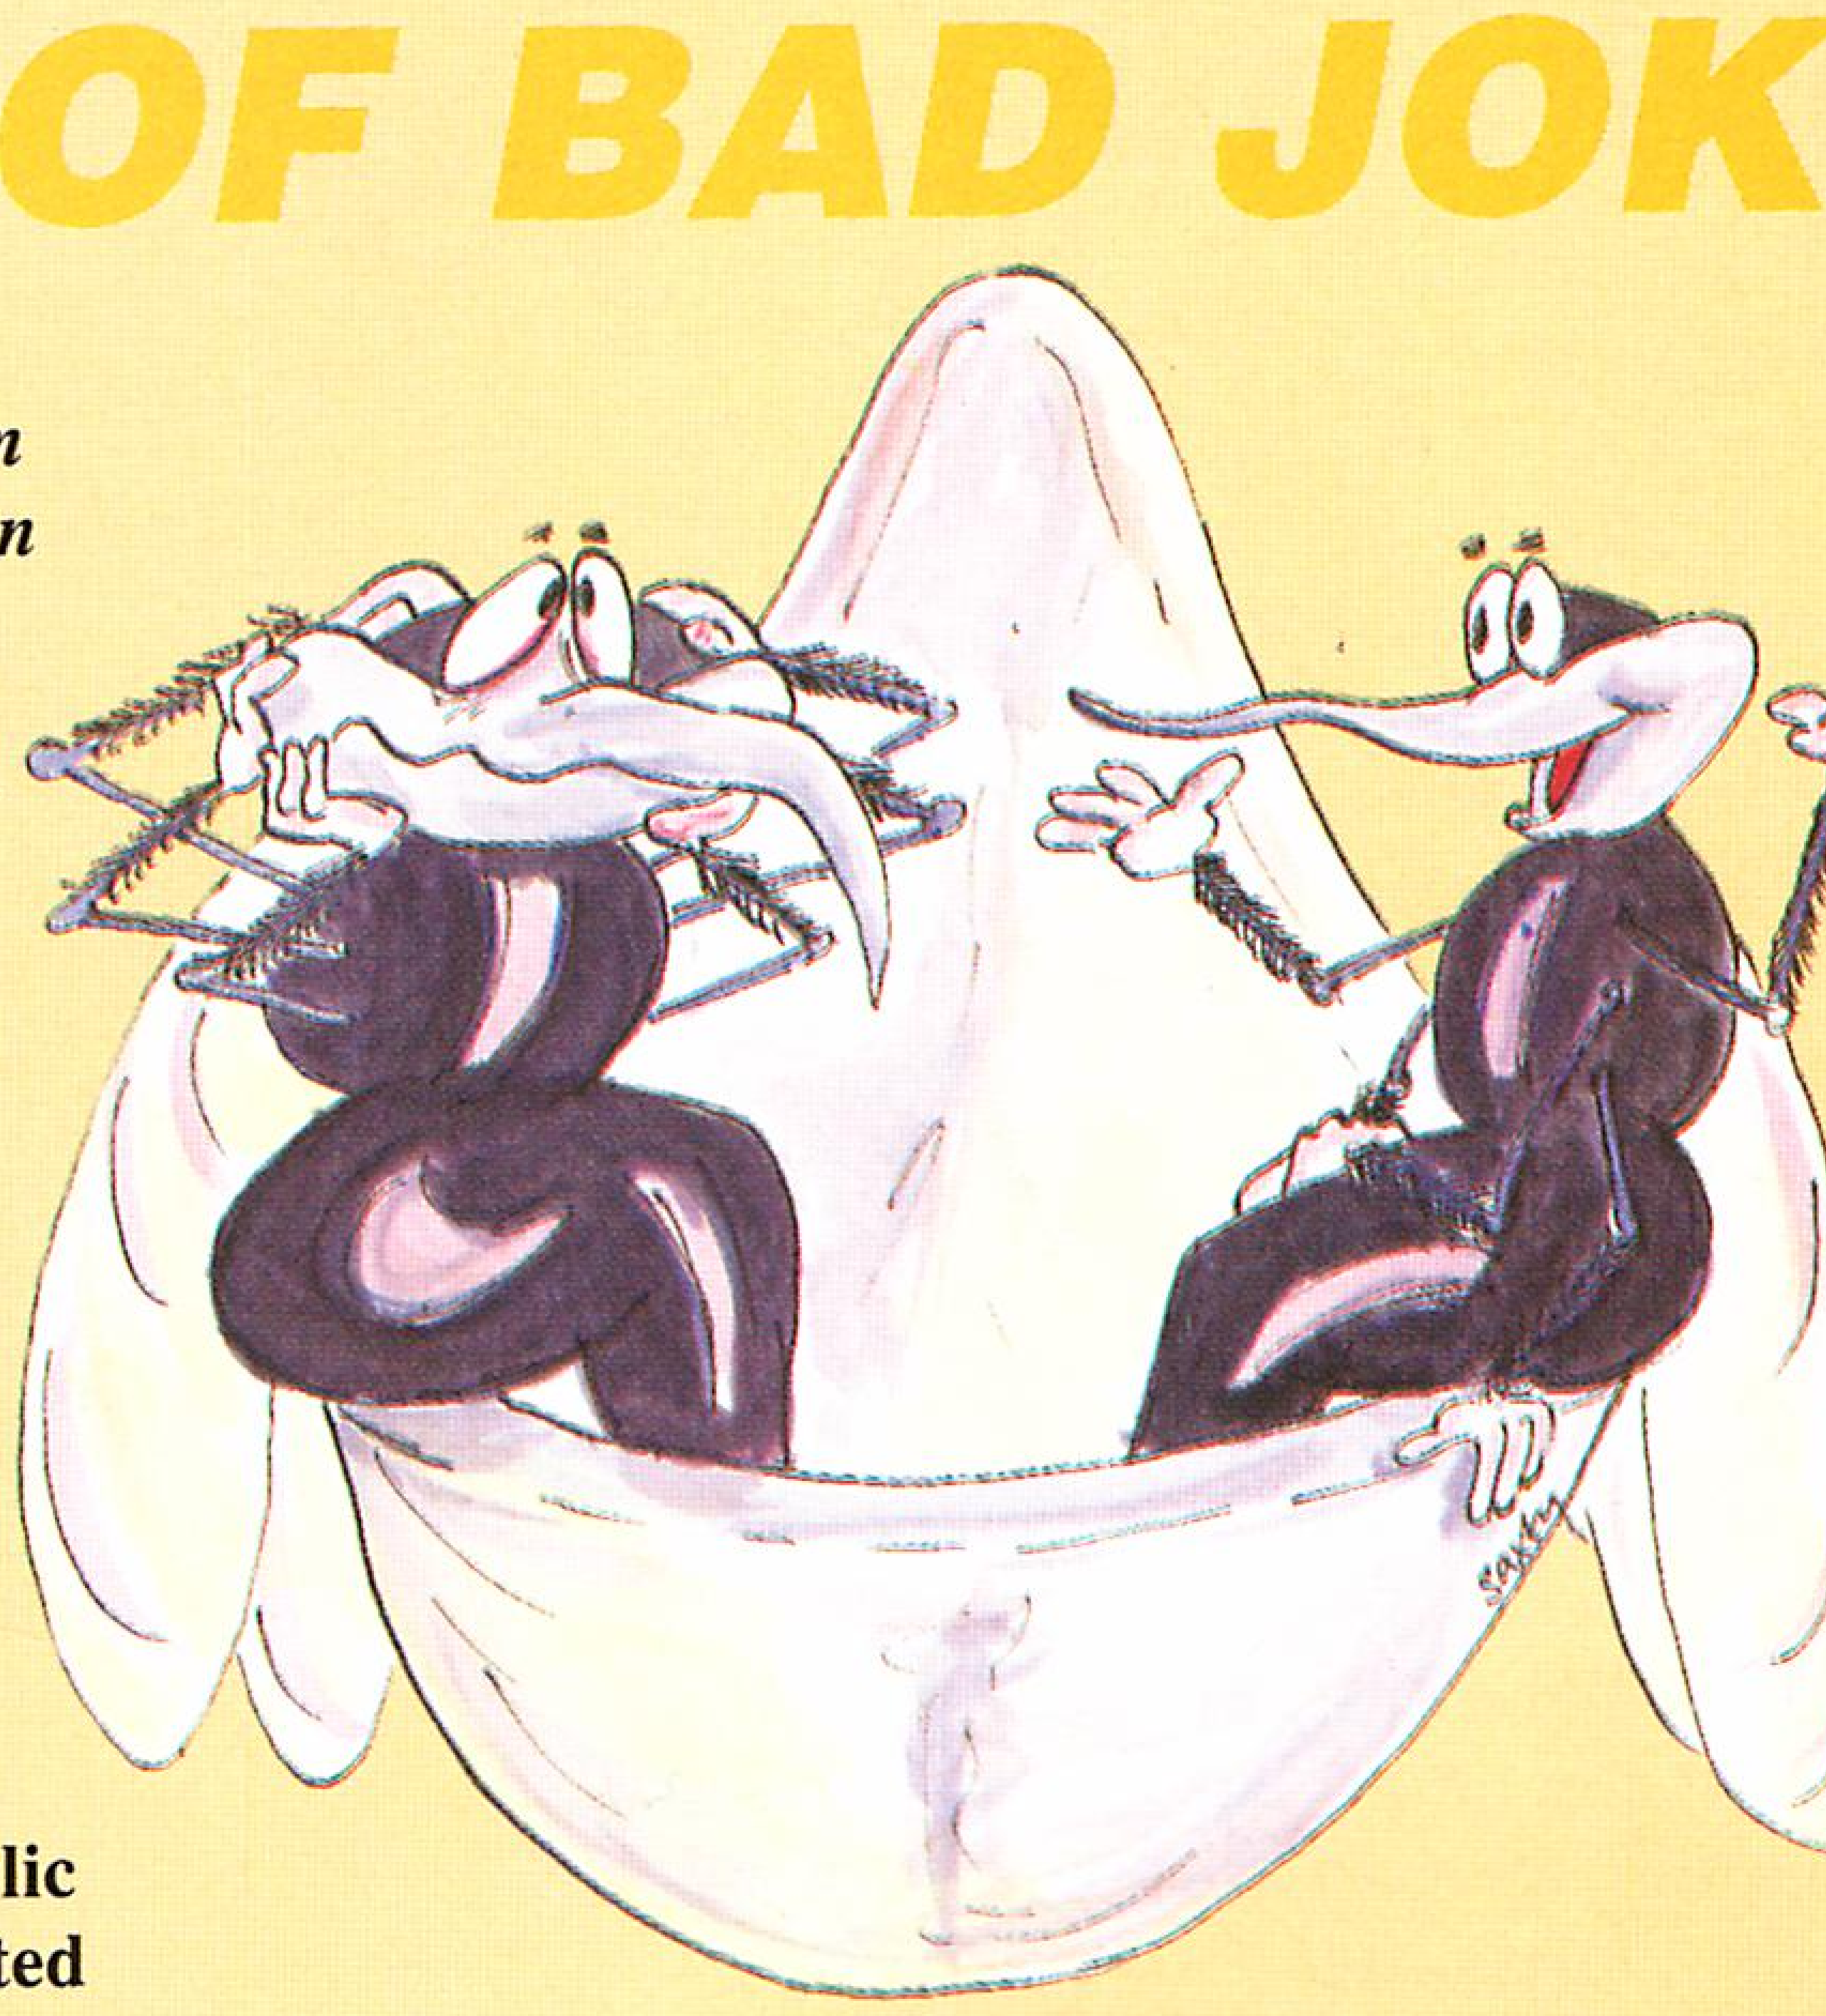
This time I'd like to get to grips with the subject of fondling. No pert part of a bird's bod cries out more for a good grope than her plump little rump. Conveniently placed at hand height, the bum can be rubbed, squeezed, tweaked, and fingered. It has two gorgeous globes that are just the right texture - soft enough to squash slightly in your hand but sufficiently firm to fill your fist.

So how do you go about groping a pert posterior or big squat bot? Sneak up on it gently; the heavy handed get bottom marks. And refrain from pinching it like an oversized Oxo cube. Instead, slide your mitts over the smooth curves feeling their firm fullness. Then gradually increase the pressure by bending your fingers. But a word of warning; don't try this with total strangers, or you'll wind up another smack victim.

Now slowly slide you palm over her posterior, moving down to feel the weight of her wobblers. Soon you'll be wibbly-wobbling those warm bare buttocks, and she'll be putty in your hands.

But remember, practise makes perfect, so grab any opportunity you can! - *Ricky Rear*♣

SON OF BAD JOKE



This month's massive mirth-makers come from Harry of Oldham, known to his friends as 'that miserable bastard over there'. In an effort to be considered the life and soul of the party, he has sent us a few gags that made his lips twitch slightly.

What do you call three women's libbers up to their necks in cement?

Insufficient cement.

Two flies were in a public toilet chatting. One rested his head in his six hands and started groaning.

"What's up, Fred?" asked his colleague.

"I'm fed up," he replied.

"Why?"

"Do you know what I had for breakfast this morning? Shit! Do you know what I had for lunch? Shit! For tea? More shit, and for supper tonight? You guessed it. Shit. Shit. Shit. Shit. That's all I ever get for every meal. Where's the fun? Where's the variety? All I ever do is eat shit."

His friend patted him on the shoulder with each of his legs in turn.

"Oh cheer up, Fred," he said. "Remember we're out on the piss tomorrow."

A cannibal walked into his local watering hole minus his left arm.

"Hello, Umdingo," cried his old friend Suboti in greeting. "Where have you been? I haven't seen you in weeks."

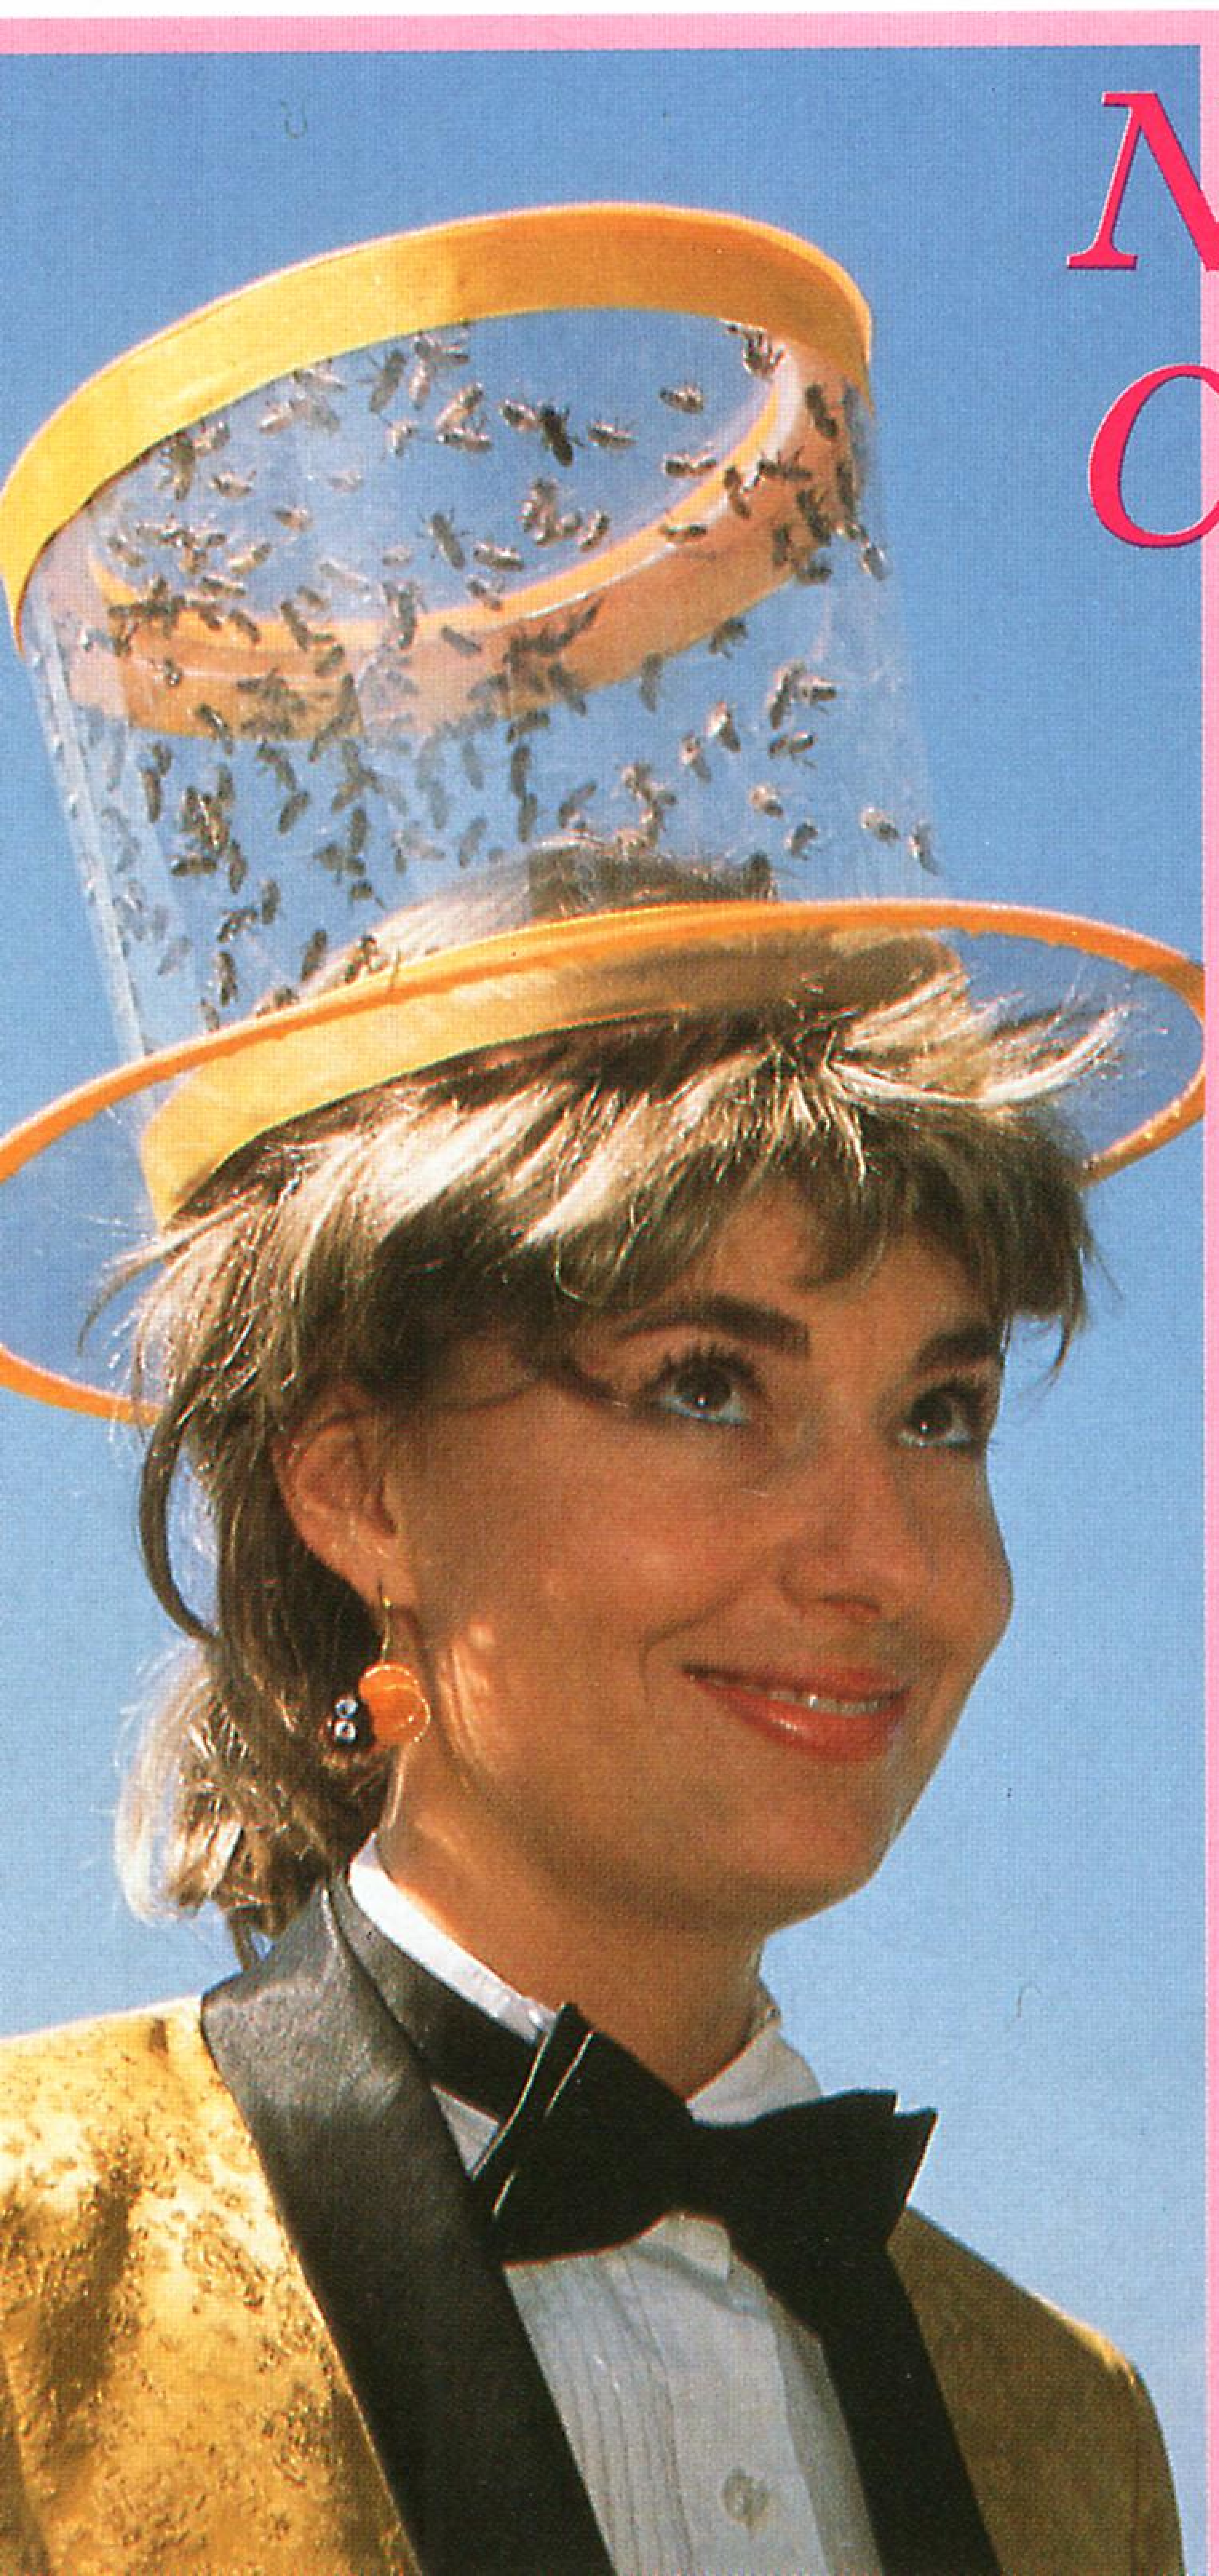
"I've been to Spain on holiday," replied Umdingo.

Then Suboti noticed his mate's missing limb. "My God! What happened to your arm?"

"We went self-catering."

So is Harry a miserable bastard or a laff-a-second gagsmith? We rang Robin Williams to ask him. Fortunately he was out. However, as far as we know Harry is the most amusing person in his part of Oldham, and wins a cheerful red Club T-shirt to prove it.♣

NUTTER'S CORNER



This month's lovable loony is a lady. The fairer sex aren't usually known as mad bastards, but Carissa Traut here is an exception. She is certifiable.

The Los Angeles designer believes in taking the beehive hairstyle one stage further. The mad hatter has come up with a topper full of bumble bees for the little honey in your life. They're kept in a yellow plastic cage inside the hat, which has air holes big enough to let them breathe but small enough to stop them buzzing off. Fortunately for the wearer, it has a lining to stop nature's little marvels from settling on your scalp and trying to pollenate your follicles.

Old Traut the manic milliner reckons the hat is for 'individualistic ladies who want to stand out', and don't mind humming in crowded places into the bargain. Will the women of Britain be swarming to buy them? Sorry, flower, we doubt it. There's a sting, you see. The hat costs £30 and the bees aren't included. On your head bee it!♣

Doing It Donna's Way

I'd like to tell you of an incident which happened a few months ago - largely due to me being an avid reader of your magazine.

I'm presently at college and share a house with five other lads. One Friday morning I woke up at around 10.30, as usual feeling rather horny. As I had no lectures that day I decided to see if I was alone, hoping to indulge in an undisturbed wanking session.

None of the other guys were in, it seemed, as most of them had lectures all day in any case. Quickly I headed to the bathroom where we store our supply of magazines. I rummaged through the pile and found some old copies of Club, Vol 18 Nos 12 and 10, the pictures of Maria Whittaker as a sexy secretary and delicious Daisy being the main reasons for my choice. I began to head back to my room, dressed in only a pair of boxer shorts, the tip of my semi-erect penis bursting through the fly.

Suddenly I heard someone moving about in Mike's room as I went past it. I thought at first that he must be skiving college, but then I heard a girl's voice - it was his girlfriend Donna.

"Who's there?" she called out, and before I could answer, the door opened and there she stood, wearing a long white T-shirt.

Donna is an attractive girl with dark, shoulder length hair, but her most gorgeous feature are her large, full, rounded boobs, which she loves to show off by wearing low cut tops showing plenty of cleavage.

I managed to stammer a welcome, trying to hide the two copies of Club and also my erection. Donna explained that she'd arrived late that previous night and would be staying the weekend. Then she glanced at the two magazines in my hand, and smilingly asked if she could see one of them. "I've never had a good look at a dirty book before," she confessed.

She smiled as she flicked through the pages looking at the girls. "I hear the letters are good," she giggled. "Let's read them together." And before I knew it, she'd ushered me into the room.

Donna got back into bed and told me to come and sit beside her. Starting with Vol

"Mmm, she looks quite horny," Donna said. My cock was now rock hard and I was having a difficult time concealing it. Carrying on, Donna spent some time studying Nancy's tits from the same issue. "Almost as big as mine," she giggled.

Flicking through Vol 18 No 12 we both became a little less inhibited, Donna asking how I'd like to fuck the girls in the photos. Eventually we came to Maria. Again, I told Donna that she was my favourite girl from that issue, especially dressed like that with black stockings and basque.

"Would you like to see me like that?" Donna asked. I couldn't refuse. Getting out of bed, she went over to her bag and took out some clothes. "Make yourself comfortable and I'll be back," she said, leaving the room.

I lay on the bed, removing my bursting cock from my boxers. A few short minutes later Donna returned, dressed exactly like Maria. On top she wore one of Mike's white shirts, a mini skirt, black stockings and high heels. "You can look but you mustn't touch - remember I'm Mike's!" she laughed, and began to undress.

Slowly sliding off her blouse, revealing a black lacy bra, she began posing, stroking her boobs. Then sitting on a stool she started crossing and uncrossing her legs, giving me wonderful flashes of white flesh above black nylon. She bent down, touching her toes, then stood up straight, revealing a pair

"I've taken up nature rambling recently," Emily told us, "and I'm really enjoying being out in the open air, getting back to nature and going wild in the country!"

But isn't nature rambling the kind of thing stuffy old middle aged couples do, Emily?

"Goodness me, of course not! Our rambling club 'The Young Bucks' head out to the country most weekends - it's great fun! There are three times as many guys as girls in the club, which is really why I joined in the first place. ROB LOWE

One fateful night in 1988, Brat Pack actor Rob Lowe took two girls to bed and filmed the sex they had. In the morning the girls - and the videotape - were gone. One girl was just 16 years old. **Francis Lauden** *heard the true confessions of the star at the centre of the biggest scandal to hit Hollywood for a decade.*

"You don't know how much I wish this had never happened," says Rob Lowe, resting his furrowed brow on his hands. "I wish that tape had never been made."

In fact, Rob Lowe's notorious home video may have been the best thing that ever happened to him. He may not think so at the moment - he hates the media pressure and infringement on his private life - but he will. Because now Hollywood has to take Rob Lowe seriously: he was at the centre of the 80's juiciest scandal, and scandal means box office. All over the world, women want to see Rob Lowe the sexual athlete, Rob Lowe the irresistible hunk, Rob Lowe the handsome stud who can keep it up for hours on end - if you don't believe it, just check out the tape.

"The reaction from most people I've met has been positive and supportive," says Lowe in New York, promoting his new film *Bad Influence*. Strangely enough, it's all about a bad guy, Alex, who manipulates people with sex and booze. Sound familiar?

"Alex," explains Lowe who is keen to talk about the project, "is a seducer. He's a manipulator. He's the guy who fascinates you. The one your mum always warned you about, but still you made friends with him. It's a kind of fatal fascination."

Rob's own recent "downfall" came with a fascination for making home movies. His interest in film stems back to childhood, when he was growing up with fellow Brat Packers Emilio Estevez, Charlie Sheen and Sean Penn. Indeed, in later years he used to ask his fiancee Melissa Gilbert (former star of *Little House On The Prairie*) to video houses she was visiting when they were looking to move in together. Melissa eventually left Rob and married someone else because of his tendency to "wander".

He's been linked with some of the world's most beautiful women: Fawn Hall (Oliver North's secretary) was one, of whom he says, "She was real smart, real smart, and great looking. The only problem was we never agreed on anything."

Then there was Princess Stephanie of Monaco, who used to sleep with pictures of Rob on her wall. "I remember when I was first going to meet her, I was so nervous." (He ended up claiming that kissing her was like kissing a boy.) And of course there have been many more, including Jane Fonda, Nastassia Kinski and Brooke Shields.

"Why do people go on about sex all the time? For God's sake, there are greater crimes!"

The recent pornographic slant on his filming technique was by no means Lowe's first effort. An ex-girlfriend revealed that she stumbled upon a whole collection of tapes starring Rob and various partners, though no names were mentioned. Not surprisingly that relationship didn't last too long either.

On one hand Lowe says he prefers the company of women to men. "I had a lot more women friends at school than I did guys," he claims, "I think they're smarter. After all, the sexiest part of a body is the brain."

On the other hand Rob admits he's shy around women. "I don't assume that they want to go to bed with me. Why would they? I look for something more than that in a woman."

Except, perhaps, on that fateful night in 1988 in Atlanta, Georgia...

Living in California, Rob would normally have no business to be in Atlanta, but a Democratic party conference held there drew him and a host of other Hollywood stars to pledge their support. One evening during the campaign Rob decided to go out clubbing and phoned ahead to a club called the Club Rio to announce that he was coming down with some friends.

He spent most of the evening in a special celebrity lounge until he spotted two girls nearby and started talking to them. All three later ended up in Rob's bed, swapping partners and being filmed by Rob's portable video camera. According to one report Rob had such a huge sexual appetite that at one stage he had to be dragged off one of the girls who was, after a couple of hours, exhausted.

The girls, unknown to Rob, took the tape as a souvenir - and that's when the trouble started...

The court papers list the charges brought against him: "Using his celebrity status as an inducement to females to engage in sexual intercourse, sodomy and multiple party sexual activity for the purpose of making pornographic films."

Rob expresses nothing but regret for what happened. "Sometimes I think; why me? And then I think, you have to be responsible for your own actions and take the consequences." He claims he genuinely did not know how young one of the girls, Jan, was. (The club he picked her up in had a strict over-21 policy, but she turned out to be 16.) It is Jan's mother who is trying to bring the case against Rob, which could prove very expensive. However, because her mother is now divorced and no longer has custody of Jan, it has been argued that she has no right to sue on her behalf. Complicated stuff which Rob has to keep quiet about until it's resolved.

Jan has since forgiven Lowe for what happened and he is still bemused by it all. "I could understand if I had been an old man or something," he says, "but I was 24 when this happened."

When probed about the incident he gets a little shirty. "Why do people always go on about sex all the time? For God's sake, there are far greater crimes!"

He admits that it has infringed greatly on his personal life. At one stage he was a prisoner in his own home for over four months. But he says that a lot of good things have come out of it; "When something like this happens you get to know who your friends are, and I was happy to find out I've got a lot." Even the hostile press offered to make peace if he would come and talk to them - which he didn't. But even after all this, an American magazine survey revealed that one in three women would consider Rob an ideal date.

He's not that bothered by such talk. "What people write about me has nothing to do with my acting," he responds. He is, however, still more than happy to have people write about his new film *Bad Influence* which resurrects some of Rob's past indulgences.

"It's a great movie," he says. "I was offered the part of the good guy, but I really wanted to do something different and play the bad guy for a change."

He has no qualms about the sex scenes with two girls. "It was necessary to the plot," is his reply. And he has a strong attachment to his character: "Alex has this great speech at the end of the movie which I particularly like. He says, 'People walk though their whole lives playing innocent until the day they die. But they're not. No-one is innocent.' And it's true. Most people aren't willing to look into themselves and see that a dark side exists."♣

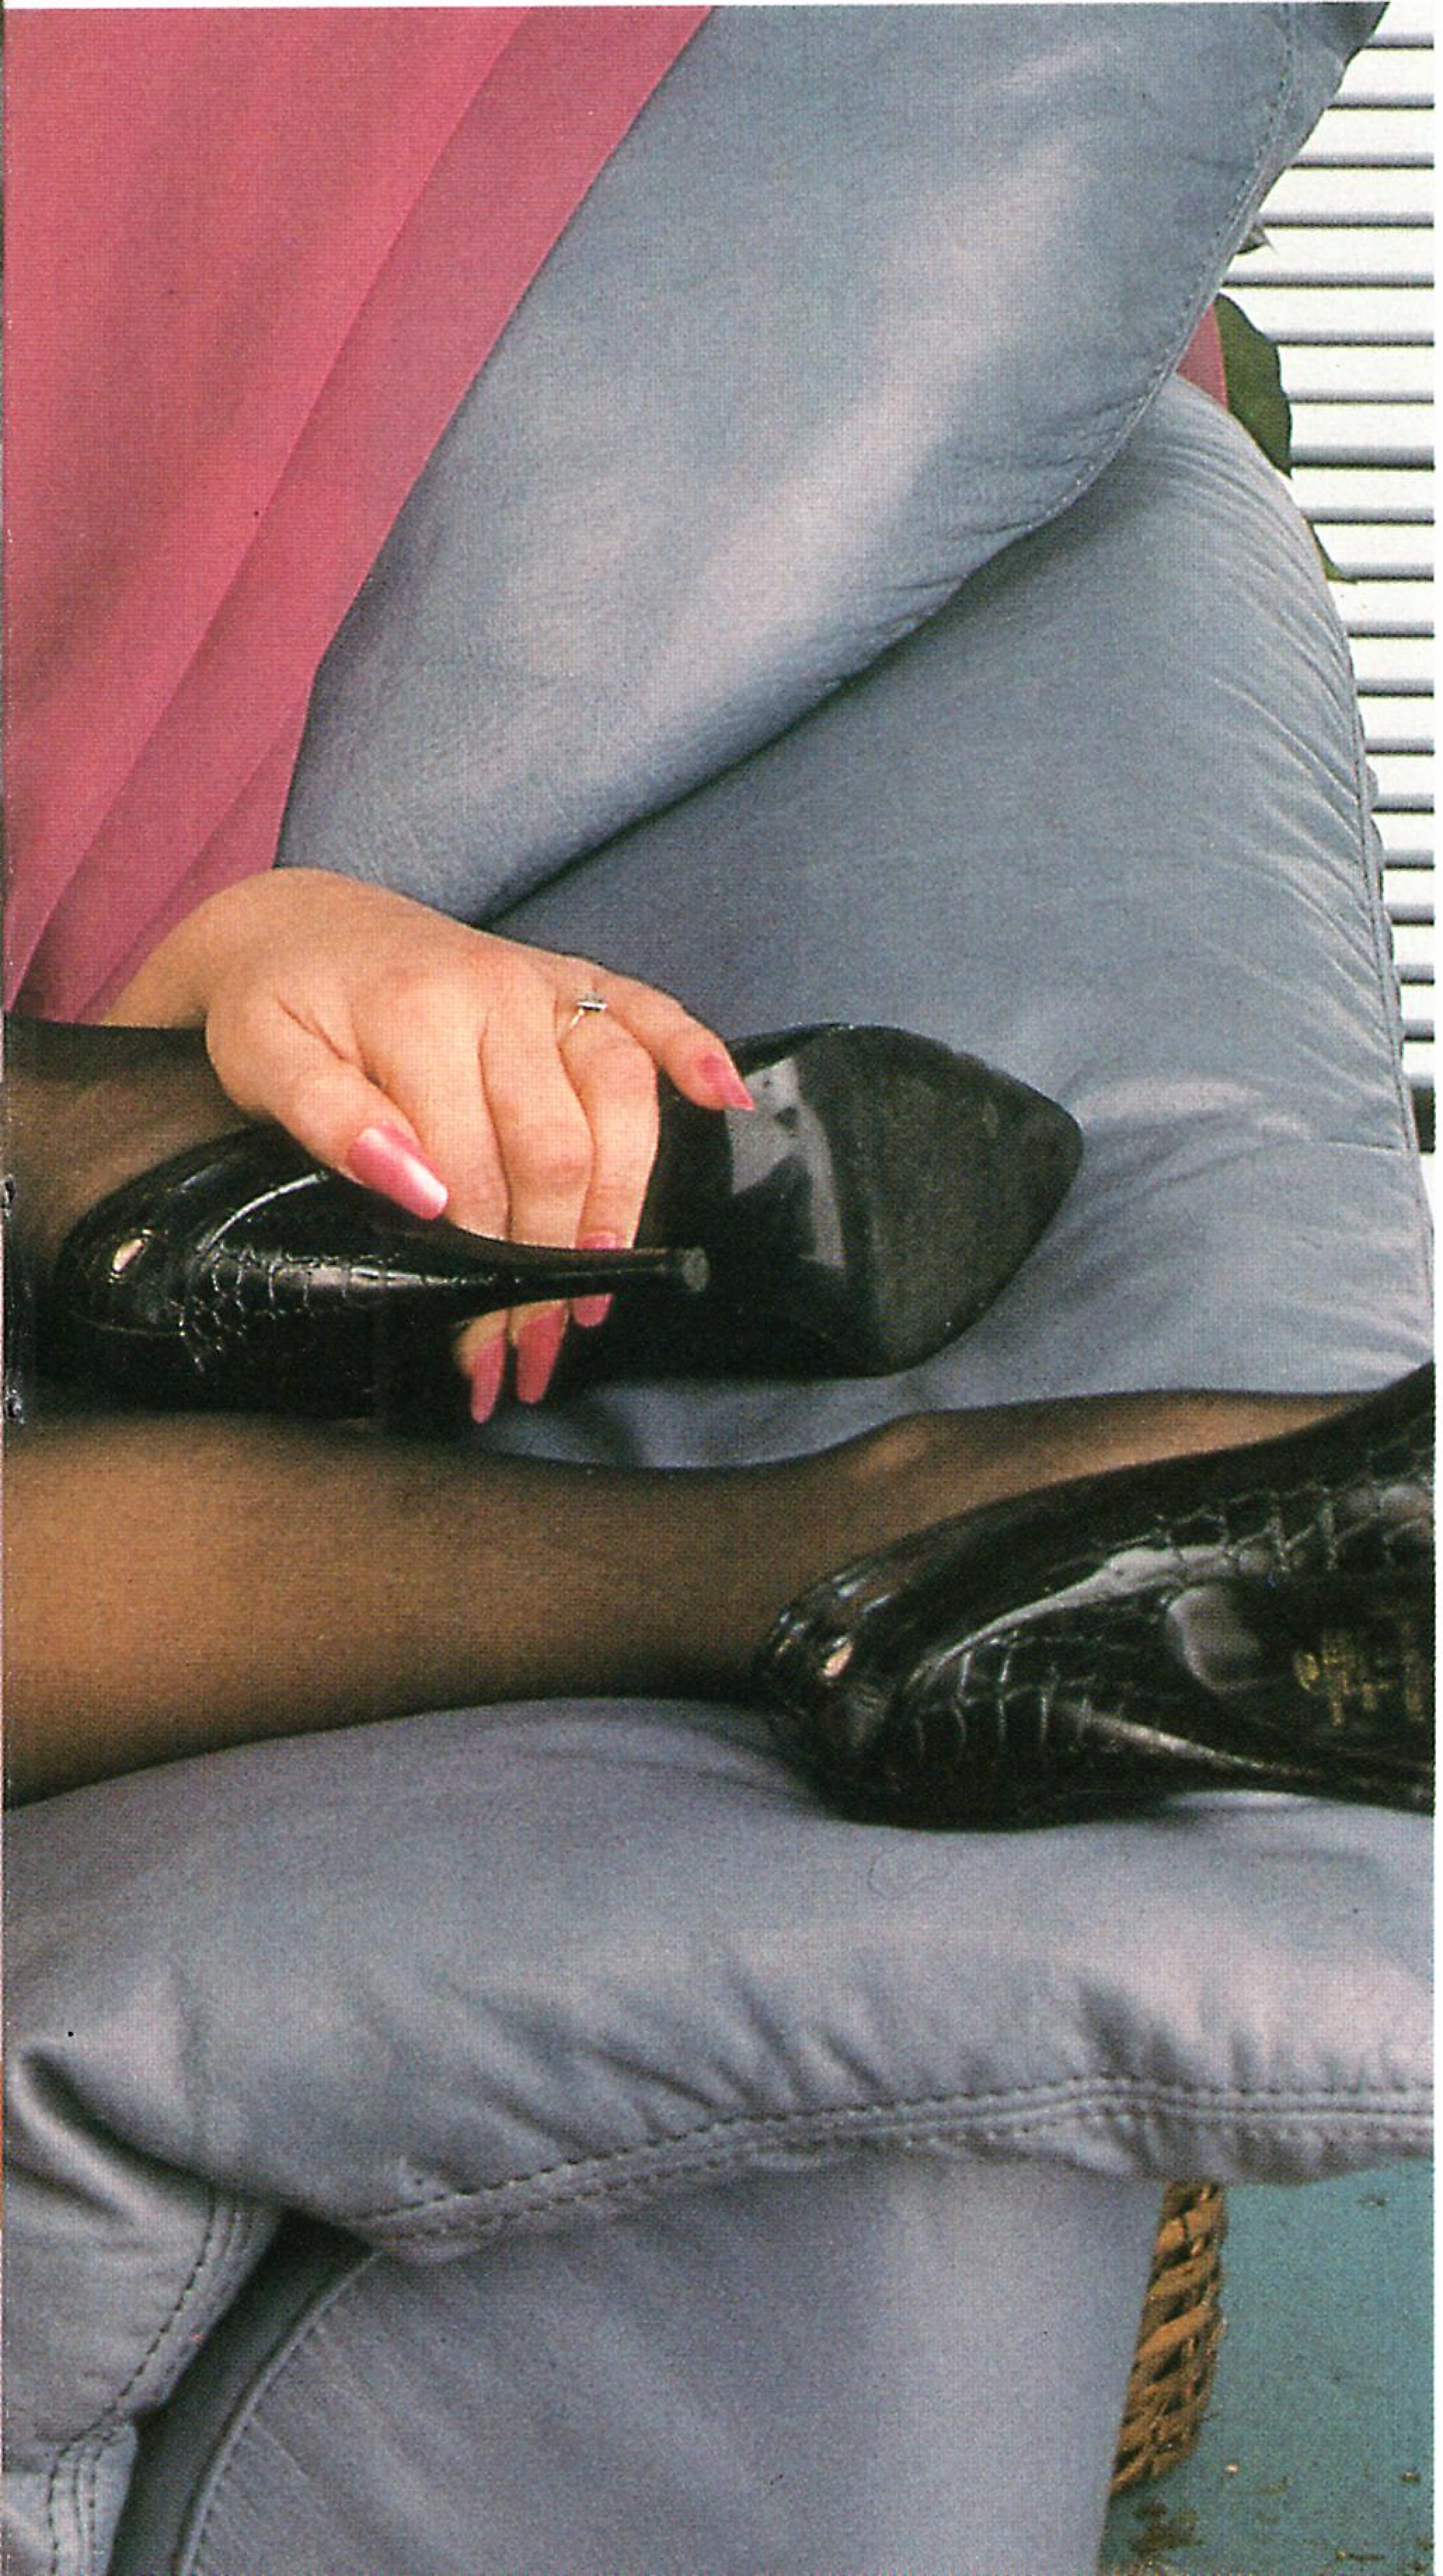
It's a welcome return to the Club centrefold for our sensational girl-next-door Sarah, the girl with the sunniest smile in the Western hemisphere. She was the rather beautiful girl who kicked off 1990 for us - by spreading her legs in the January issue.

"I was overwhelmed when I was asked to appear in Club again," Sarah told us. "And when people in my home town of Bingley, which is near Bradford, started recognising me and complimenting me on how good I looked in

the magazine, I just couldn't believe it. The thought of all those people enjoying looking at my naked body and getting turned on by seeing me got me so turned on that I had to try and show you all how I felt.

"My motto is 'start as you mean to go on', so I've spent most of this photo session lying on my back,



playing with my clitty, and imagining you all stroking yourselves as you look at me. I hope you like what you all see! I just hope it's not to long before I'm back yet again - see you soon, fellas!"

We hope you'll be back soon as well, Sarah - hopefully starting 1991 with a bang!♣

The Bastard's Guide To Old Movies

Been trapped in front of the box watching all those crap film repeats recently? No? Then you won't have to read the latest pile of old steamies from ***Reggie Snatchgobbler****, thank Christ...*

Recently your intrepid roving correspondent was laid up in bed with an indecently swollen cartilage. (It's much better now, though I'm still a bit stiff in the morning.)

Naturally enough there was a horde of nibblesome nubiles just dying to come round and see if they could ease my swelling, but unfortunately I was under strict doctor's orders not to put it under any strain. As a result, for two solid weeks I did nothing but watch TV with only my throbbing protuberance for company.

Most of the afternoons were taken up with old films like *The Panbusters, Yodellin' Crazy*, and *Heidi Goes to Bangkok*. (Or was that a video?) As I watched these masterpieces of the cinematographer's art, my mind filled with questions. Would the heroes escape? Would the heroine get her man? And which daft bastard put up the money to make this crap?

In order to provide an answer to some of these questions I decided to put together this guide. So next time you hear Dennis Boredom rambling on about the good old days of Hollywood you'll be able to look straight at your TV set and shout, "Fuck off you smug old twat, you don't know what you're talking about!" But then, you probably do that already.

Barry Moron and Benny Groine

Barry Moron, famed presenter of *Film 69*, and 'chirpy but cultured' Cockney Benny Groine are two of the country's leading experts on old movies. I asked them what the differences were between the films of today and of earlier times.

Benny Groine: They don't make 'em like they used to, Guv'nor.

Barry Moron: I agree with Mr Groine. But that, essentially, is why I'm here. Or is it? Well, yes and no.

Groine: To me, you see, it's never been proper to have sex on the cinema screen.

Moron: I know, you keep sliding off. Which brings me very nicely to my next sentence. When they made films in the old days they didn't bombard the audience with bad language and nudity.

Groine: Though you have to admit that Clara Corsets had a fuckin' good pair of bristols! I'll never forget that fan-dance she did in *The Fakir Of Baghdad*. How did the song go? "I'm a lonesome lovebird sitting in a tree/ I wouldn't mind a cockatoo to keep me company/ Now I come to think of it I'd prefer a cock or three." Cor!!!

Moron: They don't write them like that anymore. Or do they? The picture palace was a place you could take a respectable young lady.

Groine: I should coco! Get her feet up in the ashtrays and *whallop !*

Moron: Sadly that's all we have time for. A final word from you, Benny?

Groine: Yeah well, it's all sex and filth nowadays, innit...

Moron: Indeed it is. Good morning.

A Talk With Tush

I decided to get a perspective from the other side (and I don't mean Doris Stokes). I went to see ageing actress Gillian Tush, star of such masterpieces as *Sheikh Yawilli And The Showgirl*, *Ben Hairpiece* and *The Philadelphia Story* (though personally I've always thought devoting three hours of film to the history of a cheese spread was a bit OTT) Miss Tush told me about her experiences in the Hollywood of the Twenties.

Tush: I remember making the classic epic *Samson & Cleopatra* for that most brilliant of directors, Cecil Bidet-Mills....

RS: I remember it. Fantastic sets.

Tush: Yes, indeed. Cecil rogered all the female stars at regular half-hour intervals. Oh... I see, *sets*. Well, they took months to build. Because the film was set in Istanbul and Cecil insisted on historical accuracy. The Tower of London took twelve weeks to build; the Pyramids took ten and the Taj Mahal eight. Even the male star Charlton Hardon took two days to erect. But that's another story.

RS: In another of Bidet-Mills' films, *The Viking Raiders*, you played the part of Marie Antoinette.

Tush: My, yes. That was a great role. Every actress in Hollywood wanted it. I literally had to go down on my knees in front of Cecil to get that.

RS: You wanted a part you could get your teeth into?

Tush: Well, I certainly made his eyes water, honey!

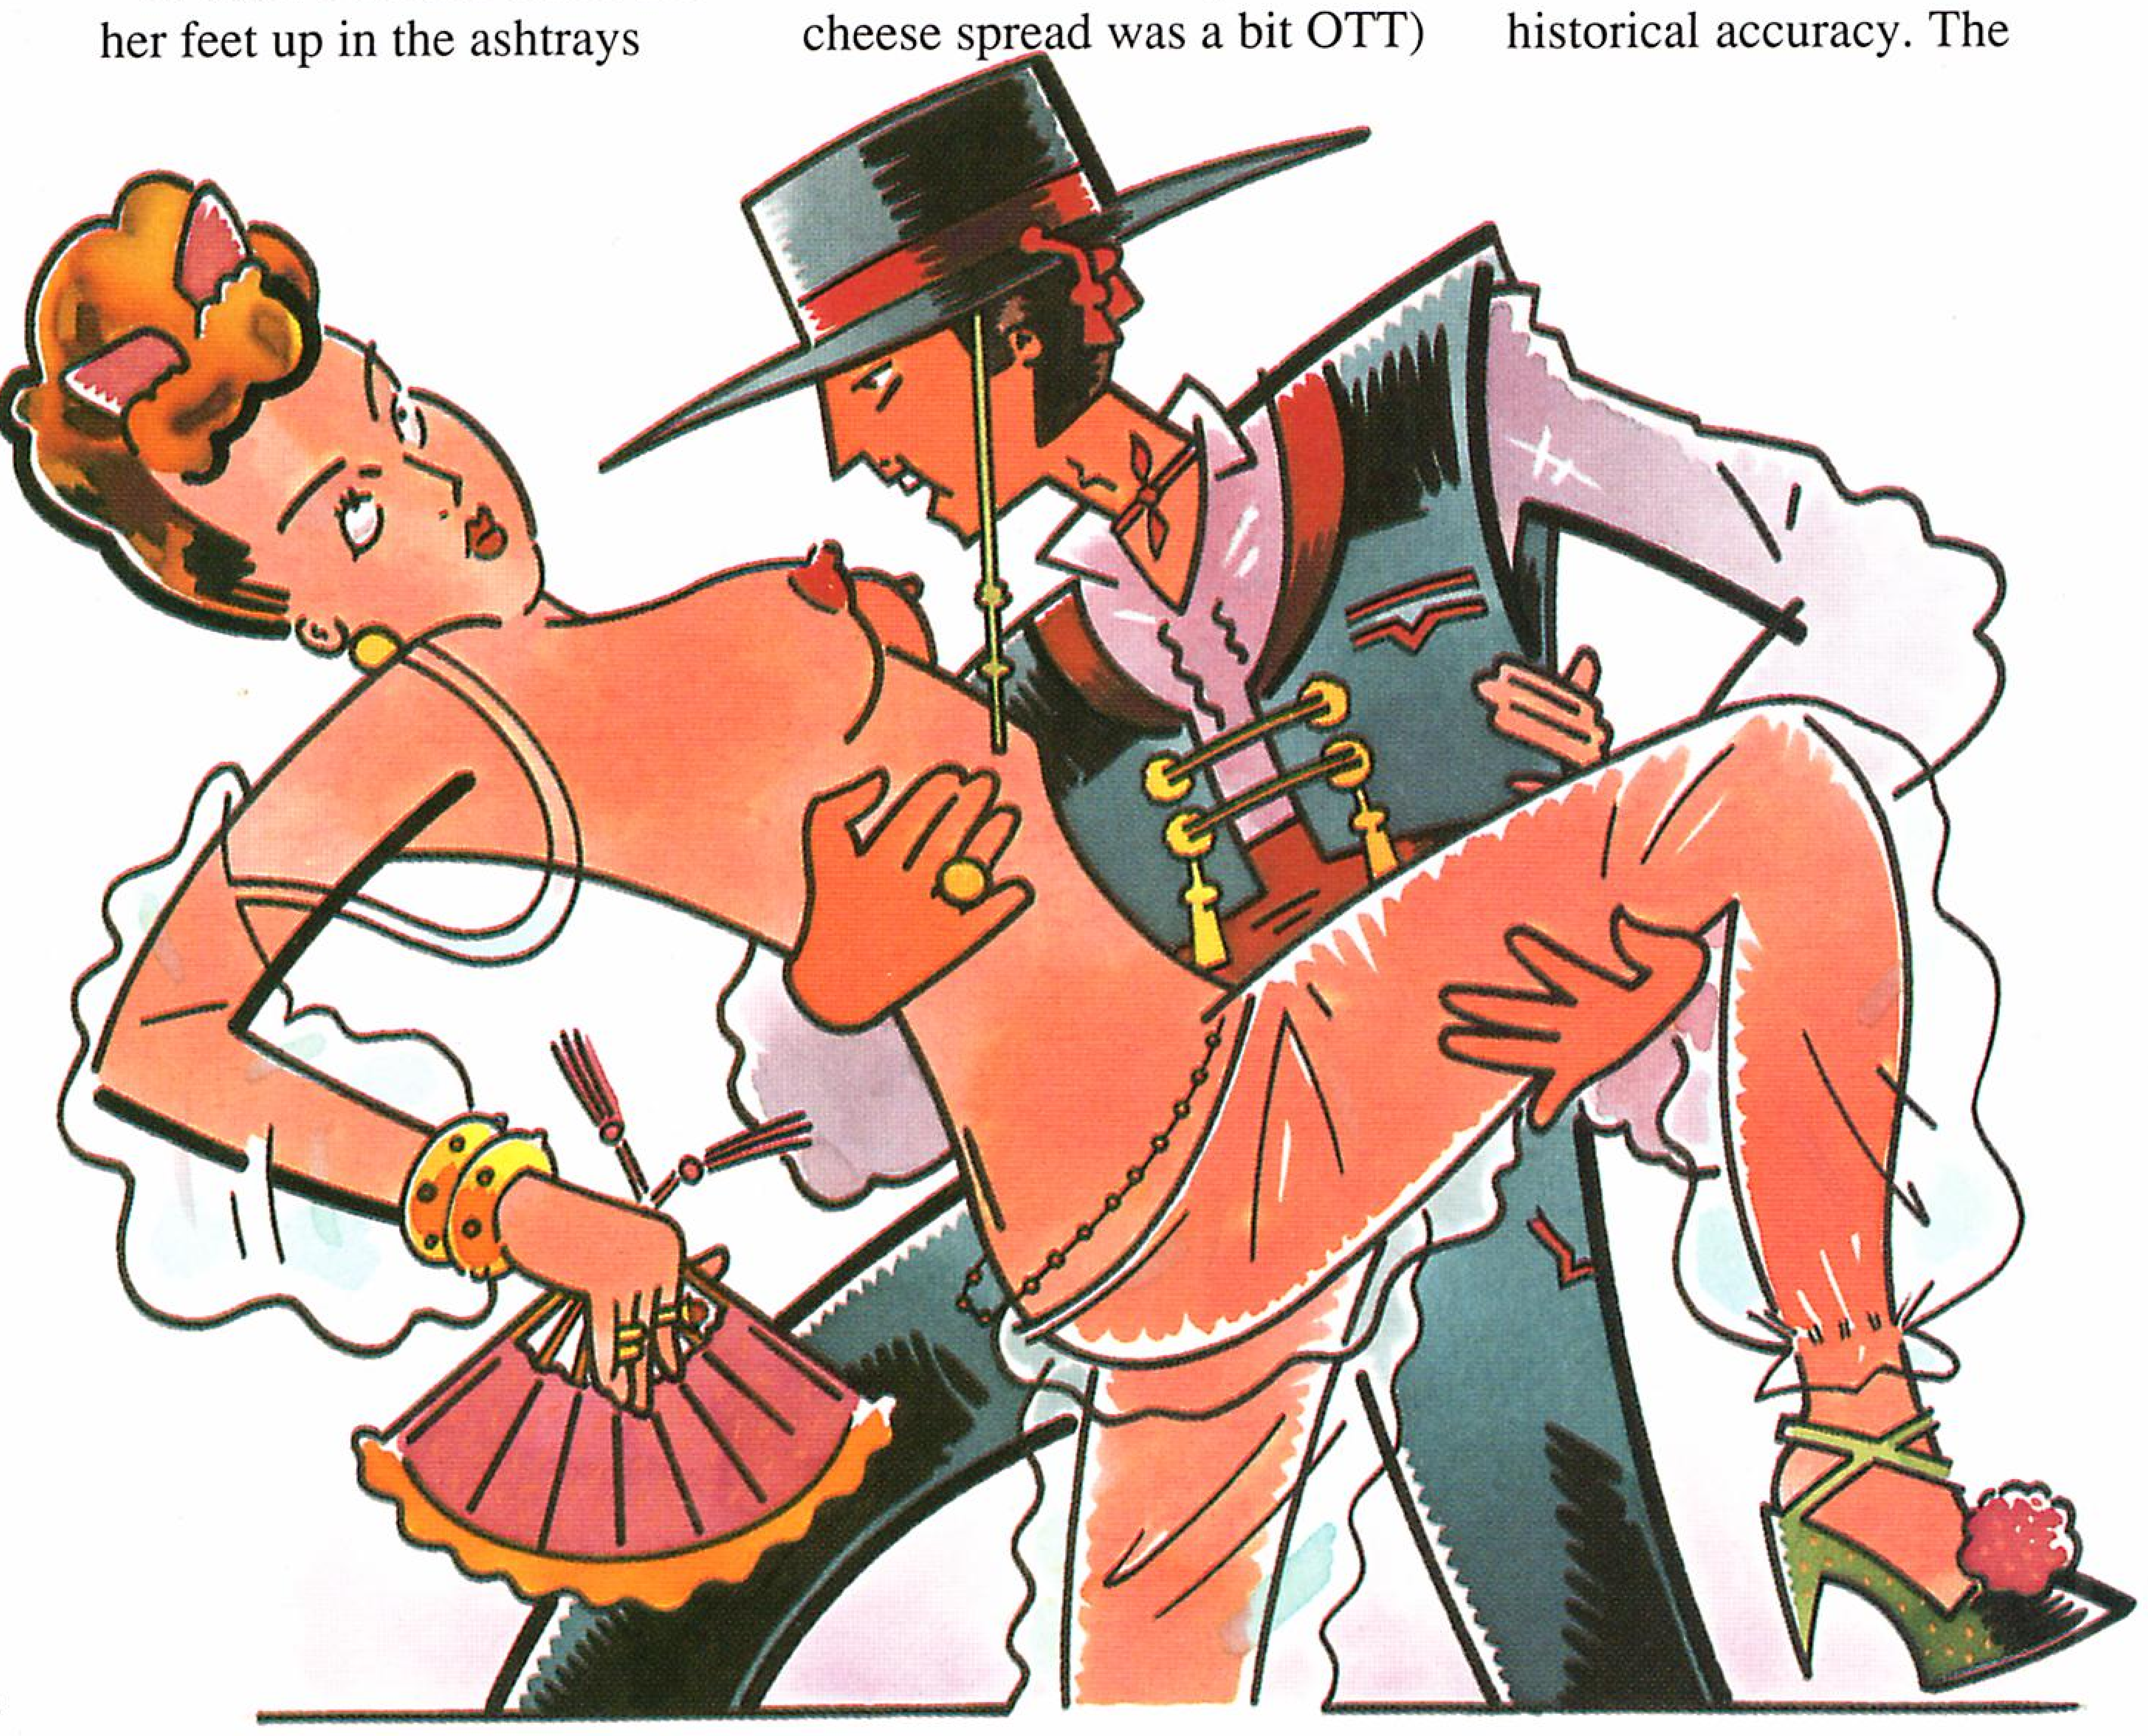
A Chat With Charlton

Miss Tush's mention of legendary star Charlton Hardon led me to seek him out. I got his address from a local agency and went to talk to the only man in history with bigger breasts than Bo Derek's.

I found him early one morning perched on top of Beverly Hills. They both seemed to be enjoying themselves, so I just left them to it.

The following day I went back and asked Mr Hardon about the famous Tortoise Race Scene in the Roman epic, *Ben Hairpiece*.

RS: Did you do the stunts yourself?



Hardon: I did. It was an awesome experience, highly dangerous. I had to run across the track, weaving in between the tortoises as they thundered around the arena. One slip and I'd have been dogmeat. Have you seen what those things can do to a lettuce leaf? It's terrifying!

RS: And what about the scene in the gladiatorial arena where you took on a herd of guinea pigs single-handed?

Hardon: Totally scary. You won't believe it, but I didn't wear any protective clothing. These modern actors are sissies. Can you imagine Sylvester Stallone or Terry Scott daring to wrestle a full-size male hamster with his bare hands? Well, I did. In the climactic scene of Bidet-Mills' blockbuster, *Gonad of Athens*. And I tell you something, buddy - if that hamster hadn't been chained to the floor it woulda been Petfood City, Arizona for Chuck Hardon.

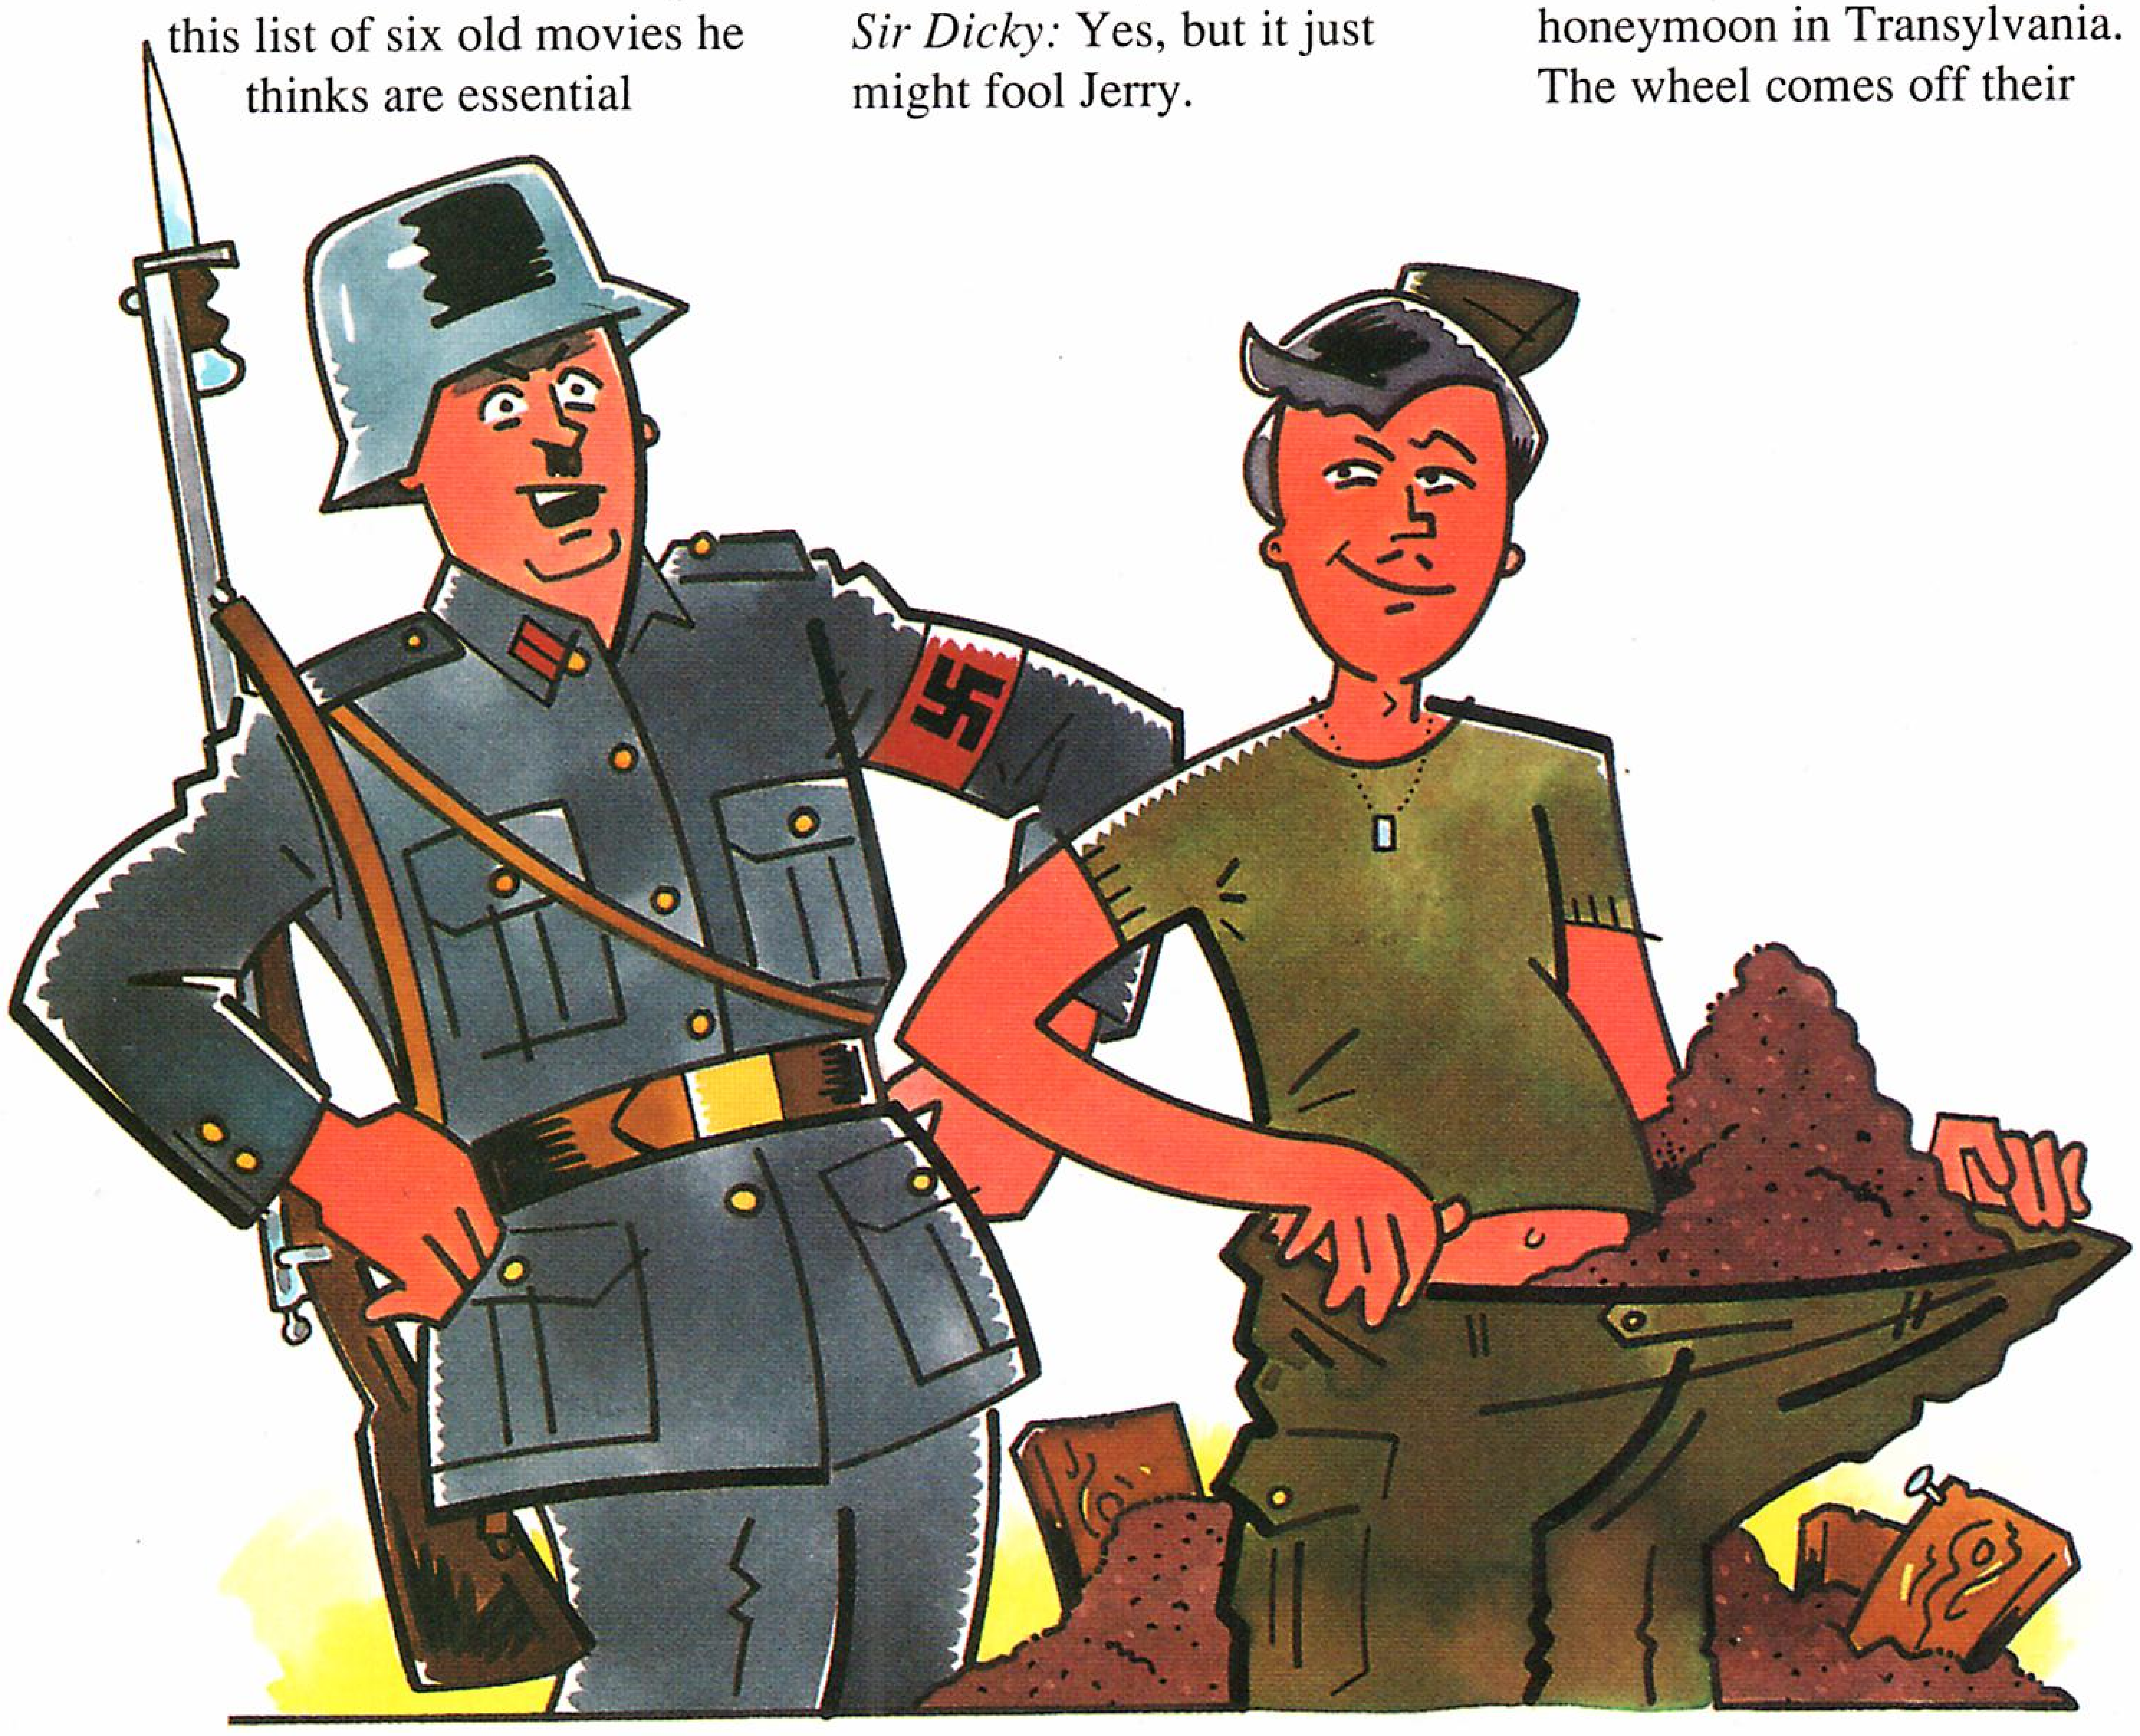
RS: Didn't you ever worry about the dangers of making movies in those days?

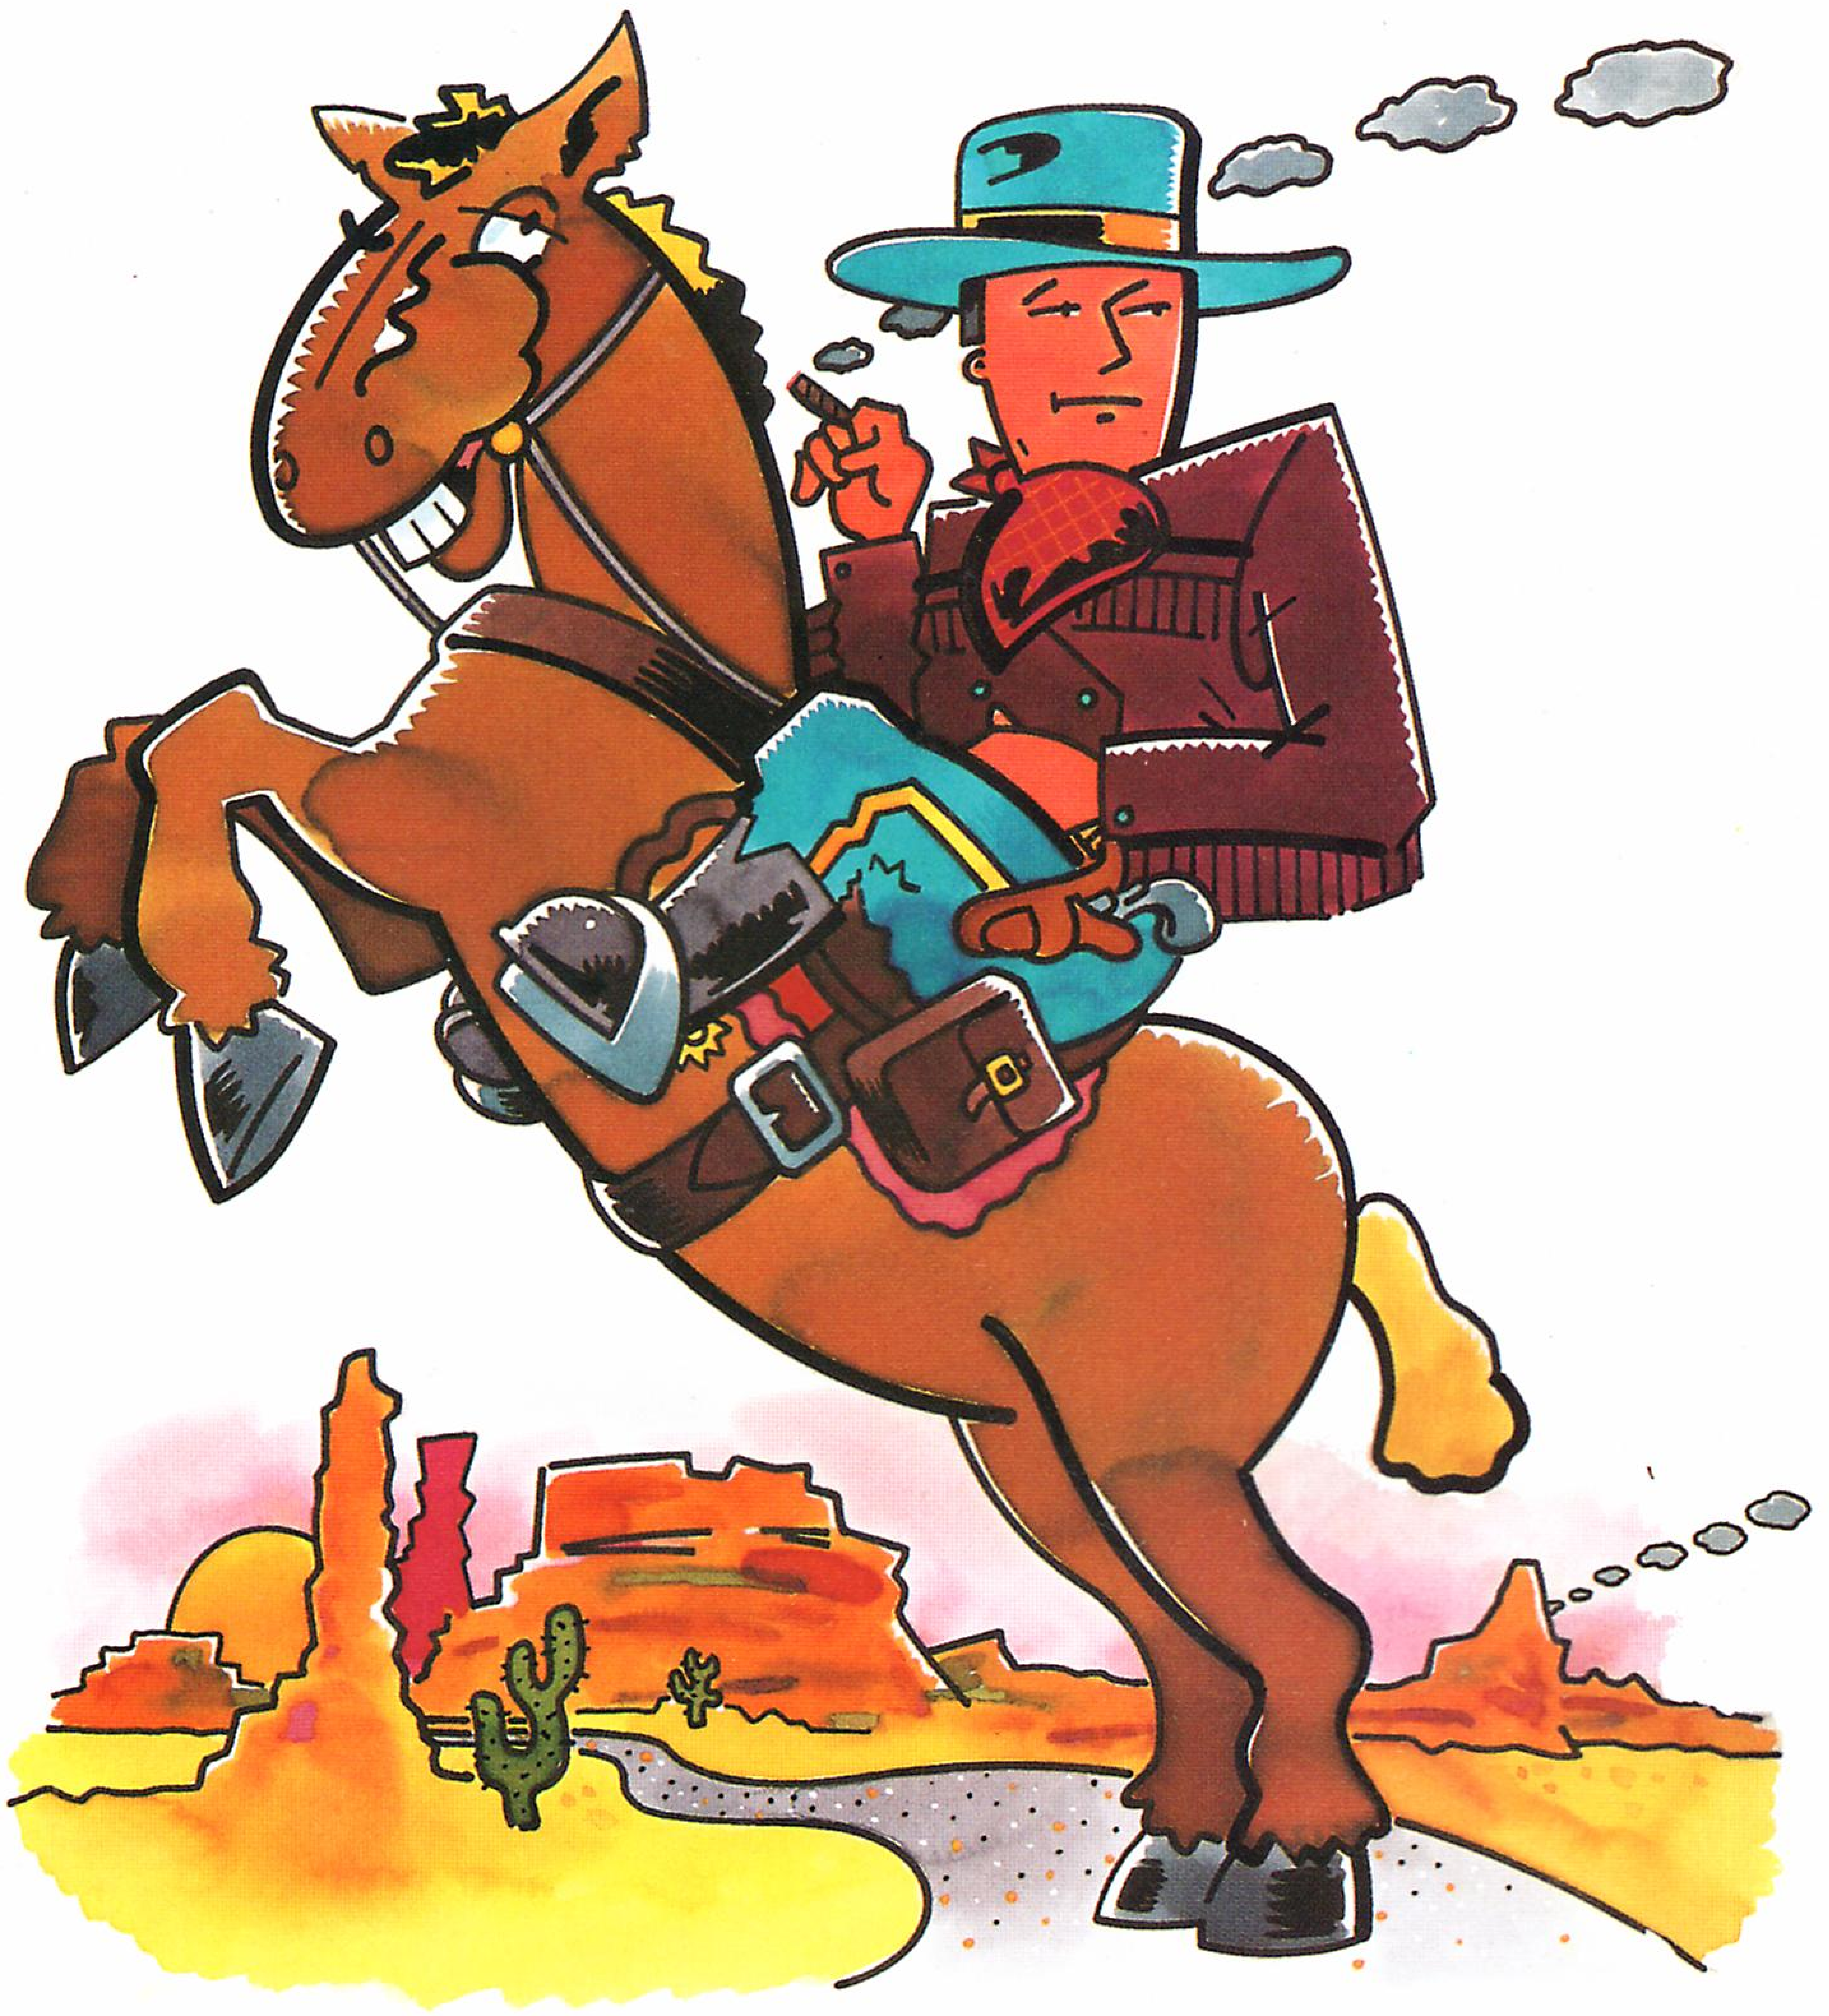
Hardon: No. It was professional pride. Everybody in Hollywood used to say, "If you want a complete stunt, get Charlton Hardon." I'll always feel deeply endignified by that remark.

Leslie Halitosis - Six To Watch Out For

Leading film guide writer Leslie Halitosis has compiled this list of six old movies he thinks are essential viewing for anybody who's interested in cinema. So next time I see that one of these beauties is on the TV I'll unplug the video and bugger off down the pub.

1) Title: *The Great Escape Clause*
Director: Sir David Plank.
Stars: Sir Dickie Borehole, Gordon Jockstrap, Charles Ronseal, Ralph Pipesucker.
Nipple Count: Zero.
"This movie gets more repeats than a bag of spring onion crisps. It raises a number of questions; why, if the Charles Ronseal character can obtain a set of three inch diameter steel wheels to fit to the bogies that run along the railway lines in the escape tunnel, didn't they just ask him to get them a Ferrari and a Jumbo Jet? If 20 POW's can dig a 25 mile tunnel in under three hours, how come the Channel Tunnel has taken so long to reach Dover harbour? Why, when they spend their whole time smoking, playing cricket and gardening, do the silly bastards want to escape?"
Sample dialogue:
Sir Dicky: We've got a problem hiding this soil, Squiffy.
Ralph: Dash it, Whiffy, you're right.
Jockstrap: Och aye the noo. If I might suggest, Sir, couldn't we hide the soil doon our troosers?
Ralph: It's a damn crazy scheme, Scotty.
Sir Dicky: Yes, but it just might fool Jerry.





2) Title: *Dracula Has Risen Again*
Director: Brian Bloodbank.
Starring: Peter Whoopeecushion, Chris Bytes, Tanya Cleavage.
Nipple Count? No thanks, I prefer necks. (Ouch).
"A couple are on their honeymoon in Transylvania. The wheel comes off their coach. In the distance on a hillside is a castle. Thunder rolls. Lightning cracks."
Sample dialogue:
Her: What do you think of the count, darling?
Him: Seems a bit batty, darling.
The Count: Velcome to Castle Dracula. If you haff any valuables - crosses, blood, virgins - please leave zem on reception.
Her: Is it true that you can't see vampires in the mirror, darling?
Him: Well, you certainly get more of them in the *Sunday Sport*.

3) Title: *Delilah And The Orgynutts*
Director: Dino Di Mented.
Stars: Steve Cheese, Victor Maturecheddar, Gordon Zola, Emma Tarl.
Nipple Count: None.
"This film is full of funny-looking things made of plasticine, that move about in a peculiar, jerky way. They are the actors' chest muscles."
Sample dialogue.
Victor: Hiya, your majesty.
Gordon: Athenian cur! When you speak to The Emperor you do so with awe in your voice.
Victor: Aw, hiya your majesty.

4) Title: *Big Wind On Cactus Prairie*
Director: John Trumpet.
Starring: John Bandylegge, Walter Hoot, Randy Tumblin.
Nipple Count: The hell I will.
"Judging by this movie the West was about as wild as a gang bang in a porcupine colony. There isn't a woman in sight, which makes you wonder about the term 'cowpoke'."
Sample dialogue:
Big John: I don't like it, Stumpy. It's quiet. Too quiet.
Walter Hoot: Heehaw. But lookee up ahead, Big John, Indian smoke signals.
Big John: What are they saying?
Walter Hoot: HeeHee. "*Sitting Bull In Tepee Sex Romp Sensation.*"
Big John: D'you suppose he'll sioux?

5) Title: *Snatchgobbler Goes Into Action* (That's more than enough crap films for now, Leslie, thank you - Reggie.)♣

"Blondes *do* have more fun!" Chrissie excitedly told us when she turned up to do our Club shoot. We can think of some fun we'd like to have with Chrissie.

"No, be serious! I'm always getting complimented on the colour of my hair. People reckon that my blonde hair means that I'm bubbly and lively and always game for a laugh, and I suppose they're right! They also think being a blonde makes me all the randier, and that's pretty true too!

"But I suppose I am a bit of a cheat," she carried on, "'cos if you look *very* closely you'll notice that I'm not blonde all over. Can you see what I mean?"

Well guys, can you see what Chrissie means? You'll have to look *very* closely, of course...♣

Women's Writes

Where the girls get down to business

SNAP HAPPY

A recent letter from one of your lady readers seemed to have certain similarities with my own story, so I thought you might like to hear it.

Although I'm only 22, I've recently come into some money from a legacy and have been able to set up my own small business. I've always been mad keen on photography and so I took the chance to set up my own small photo equipment shop.

After a couple of months I was doing so well I decided I had to take on an assistant. I had loads of applicants for the job, but I knew I just had to appoint Viv as soon as she turned up. She is just 18, fresh out of sixth form college, and came to the interview wearing a loose cotton blouse and a short, stretchy, red mini-skirt. As she sat down, I could see that she had legs that really went right up to her pink-knickered crotch, and when Viv shifted in the chair, I could sense that there were firm tits jutting under her top.

For weeks after giving Viv the job (she knew a fair bit about cameras too!), I tried to get in a position to get a flash of her tits or preferably, a good feel of her. I didn't want to rush things though, until one day my chance came.

That day I was serving one of our regular customers, a woman who works freelance for various fashion magazines. Having bought some gear, she looked over at Viv, who was stacking the shelves dressed in a loose, woolly jumper, a pair of skin tight ski pants and little black boots and said, "I'd love to do a fashion set with her. Does she model?"

"Why not ask her?" I replied.

Viv and Jennifer were soon in conversation, and after Jennifer left, Viv bounced over to me, her boobs juggling under her jumper, clearly outlined where it clung to her nipples. My eyes automatically went to the crotch of her ski pants which clearly showed the line of her knickers and mound, and I could swear that I saw a hint of a patch of dampness.

"Jennifer's asked me to model for some shots on Tuesday evening. Do you want to come along?" asked Viv, and shook her long, blonde ringlets.

"I'd love to see you model, Viv," I replied. "I know Jennifer will make a beautiful show of your body." I decided to take the risk and carry on. "I bet she'll get some lovely clothes to go with your pert little figure." With that, I leaned behind her and gently ran my hand down her high, taut buttocks, trying to push a finger round between her thighs. Viv slowly moved away, but she was smiling at me as I looked, very obviously, at the growing dampness in her crotch.

Tuesday evening came and Viv and I went off to Jennifer's studio. She made us at home and busied herself setting up cameras, lights and stands as I sat down with a drink and Viv was ushered to the bedroom to change. As her proud, wiggling bum disappeared from view, I felt a tremor of excitement thinking of what she might be modelling.

First, Viv came down in trendy gear which made her look younger than her years - hair piled up, ski jacket on and a big, baggy track suit. Very unsexy, I thought, until Jennifer started posing Viv.

"Spread your legs a bit, Viv dear," she shouted. Then, "Pout at the camera, love. Stick your bum out a bit, love." I was almost creaming at what Jennifer was getting away with saying to Viv.

Next, Jennifer wanted some shots of Viv twirling around with her jacket open. Viv turned her back on us, unzipped and I could see the jacket hanging loose at the side. "Right," called Jennifer, "arms akimbo, chest out, turn!" I could hardly believe it as Viv turned round, the jacket swung open and those brown peaked boobs were exposed. I could hear Jennifer's camera rattling off reels of film and felt my nipples erecting and my cunt juicing at the mere sight of Viv's tits.

The camera stopped. Jennifer was next to Viv, pulling the jacket slightly back off her shoulders. "Viv love, would you get those nipples stiff for the next

"shot?" she asked casually. Viv just obeyed, tweaking her brown peaks until they stood proud of her soft boobs. Jennifer was rattling off film again and I was left sitting there, staring at lecherous Viv with her teats throbbing, my hands up inside my T-shirt pounding my own fleshy jugs.

Jennifer walked over to Viv and stripped off the jacket. "No knickers, perhaps?" she asked. I couldn't believe it. My dream come true! Viv nodded and Jennifer gently eased down the waistband of the trousers to reveal Viv's high, deep-clefted bottom.

The next set of pose instructions nearly had me in a frenzy. "Legs apart! Good, now get that bum out. Arch your back, Viv tits out, shoulders back. Lick your lips, shake your hair. Good, good." Viv was really wonderful, vamping it up with her smooth, young flesh, her erect teats just oozing sex into every shot.

Jennifer looked over at me, with my legs spread wide, my hands up my T-shirt, my crotch throbbing under my silky French knickers, and said, "This is what you've been waiting for, isn't it Babs?" before she went back over to my young assistant. Something was being plotted because they were whispering to each other. Still fondling my boobs, I wriggled down in the chair so that I could feel my knickers riding into myslit.

When Jennifer reloaded her cameras and shouted, "Ready, Viv" I almost blew my mind. Viv turned to stare straight at me and very slowly thrust her hand down inside her trouser waistband, over the line of her mound and down on to her cunt. Her face was a picture of abandon - hair awry, lips wet, head back. Slowly she slipped out of the trousers and lifted her hand from her minge.

It was like the answer to my prayers. A plump, full mound topped with light golden curls and puffy, tight lips that were already oozing drops of juice. "Now watch me wank," said Viv, and she slid her two delicate little fingers between her snatch lips and spread them.

Within seconds I was on my knees in front of Viv, her blonde pubes tickling my face as I slid a slow, probing tongue back and forth on her clitty. My hands reached up and fondled those big nipples. I licked and tongued at the heart of her pussy, but Viv was really slow in coming. She pushed my face deeper and deeper into her mound and ground her clitty hard on to my invading tongue. Her come was very gentle: a sigh, a moan, a clamping of her thighs and wet juices everywhere.

As I got up from my knees, I could see Jennifer all smiles, one hand on the camera and the other clearly in her knickers. "Keep going!" she yelled, and Viv turned to me, lifting my T-shirt off and freeing my tits. She handled my big, fleshy breasts as I stroked her tits into firm peaks. Then she leaned forward and whispered very quietly, "Babs, I'm going to take off your skirt and knickers and then I'm going to finger fuck your juicy twat. I'm going to ream your clitty with my tongue. I'm going to make my boss come and come and come..." She tailed off as she slipped me out of my skirt and panties.

Viv pushed me back to my chair and spread my legs over the arms. My shaven pussy, with its pinky lips, its fleshy mound, its deep folds of flesh, was at her mercy. She certainly knew what to do!

I could hear the camera clicking as I felt something very small and slender slide through my love hole and up into my twat. Then two fingers, then three flashed in and out of my heated cunt. They only stopped their fierce, hard probing to rub over my clitty, causing a minor come that shivered through me each time.

Suddenly my whole body exploded as, fingers removed, Viv slid to her knees and a hot, wet tongue slavered over my throbbing, raw clitty. I could see Jennifer, her camera almost at the entry to my cunt, and I could see Viv nuzzling her face deeper into my shaven minge as wave after wave of comes throbbed out from my rampant clitty. Then she started to delicately suck on my erect little clit with her sweet lips. My body just blew into one immense come and I collapsed back.

I came around to Jennifer's voice saying, "That's one hell of a wet snatch" as I felt something slither into my still juicy hole. Between my widespread legs, Viv was on her haunches, legs spread out, dripping juice from her love box. Opposite her was Jennifer, topless and surprisingly flat chested, her skirt hooked up around her waist, crouching down. Viv was two fingers of her right hand deep inside Jennifer's big, black bushed cunt. Jennifer in turn was gliding an elegant forefinger to and fro on Viv's clitty.

Meanwhile, Jennifer's right hand and Viv's left hand were snaking fingers around my outer cunt lips. I could feel the blood rushing to them, and my hands clawed my aching boobs as I watched two, three and finally four fingers slide deep into my snatch. As I felt two of Viv's fingers and two of Jennifer's slide rhythmically into me, I blasted into yet another come.

Any amateur snappers want some practice at our next session? At least three glorious, sopping cunts promised! - *Babs, Corby*

WELL PLASTERED

I must be one of your older lady readers at 42, but I don't think there's anything wrong with me, a grandmother, still enjoying a regular sex life. I've always kept myself in trim, and do aerobics and swimming to keep fit. My blonde 38-26-36 assets have always attracted a good deal of attention from men, and I still love getting wolfwhistled and eyed up whenever I'm out.

I'd been without a boyfriend for a while when I needed some plastering done in my kitchen. My husband always used to do that sort of thing around the house, and since we'd split up I'd been lucky in that no DIY jobs had been really urgent. But this was, and there was no way I could do it myself. Fortunately, a friend of my son-in-law has his own painting and

decorating business, and so my daughter fixed up that he'd come round one weekend to do the work.

When he appeared I could hardly believe my eyes. Don was about 30, tall and tanned and very good looking. I felt a real rush of lust shooting straight through my groin as he smiled at me, showing perfectly white teeth. As he prepared to get started I offered him a coffee, and marvelled at the way his muscles rippled under his overalls.

He knew that I could barely take my eyes off him, and seemed quite happy to let me chat away to him as he worked. A couple of hours later I'd practically told him the story of my life, and he'd told me all about his wife and kids. The tension in the air was incredible. I couldn't tear my eyes away from the sight of his strong arms moving up and down, his taut, flat stomach showing as he was bare chested. I could see an encouraging bulge in his trousers too - he must be feeling the same lust as I was.

"Wouldn't you like something a bit stronger to drink?" I asked, opening my eyes wide as I looked at him.

"No, love," he replied, grinning and standing as close to me as he could possibly get. "But I know what I *would* like." And with that he grabbed me and kissed me harder than I'd been kissed for years. His tongue really probed inside my mouth, and our teeth banged together the same way our crotches were. I could feel the hard lump of his stiff cock pressing into my pussy. I felt my love lips immediately wetten and part.

The next minute we were writhing on the floor, our legs entwined and his hands undoing my blouse and slipping under my bra to cup my firm boobs. He tweaked my nipples and I arched my back to get his hands as close on me as possible. At the same time I reached down to his straining crotch, and undid the buttons, freeing his purple-helmeted cock.

"That's it, Joan," he gasped as I started to work my hand up and down the shaft. "Stroke it really hard."

I wanked him faster and faster as he carried on fondling my boobs, but soon my pussy needed some attention. I was getting wetter by the minute and my little clitty was aching with the need to be stimulated.

Don seemed to sense that right away, and quick as a flash he moved one of his hands down to my crotch, stroking me through the material of my skirt at first, which sent me wild as I've always loved being touched through clothes. He gradually managed to push my skirt up around my waist while still continuing the pressure on my boobs, and I felt the first touch of his fingers on my soaking pussy.

I breathed a sigh of pure pleasure as he inserted two fingers into me and rhythmically frigged while at the same time pressuring my clitty with his thumb. Little mini orgasms began to run through my pussy, and I opened my legs even further so that he could get knuckle deep inside me.

Soon I could stand it no longer - I just had to have Don's cock in my pussy. "Get on with it, fuck me!" I yelled, and wrapped my legs around his waist, arching my hips to urge him in. The minute I felt the tip of his knob end thrust into my fanny I came, and carried on coming as Don shafted me, alternating slow, deep thrusts with quick stabbing ones. And when I felt the hot spurt of his cream inside me, we were both yelling for all we were worth, before collapsing in a heap.

I've been having an affair with Don since that day, and I couldn't do without the thorough screwing he gives me almost every day. - *Joan, Basingstoke*

ON THE JOB

A Horny Hen Night

For the last couple of years I've been working as a receptionist-cum-general administration assistant at a hotel which was converted about ten years ago into one of those places where they hold medieval banquets for weekends. This place is a little different; here they hold Victoriana weekends, where everyone dresses in costumes from the mid 19th century and has huge dinners of game, before recreating the kind of balls and card parties that they used to have then. The place makes a fortune as the weekend breaks are very popular and very expensive, and I'm always kept busy when I'm on duty.

Working there has given me the chance to meet many lovers, as I have to liaise with the customers to make sure that all their needs are catered for. I've been bisexual since my late teens, and I think I've had affairs with an equal amount of women as men. It's surprising, the number of women who are really keen to get involved or sleep with other women - believe me, I've met more than my fair share through my work place.

I thought I'd like to tell you about one particular lover who I met last year. Although our affair was very brief - it only lasted for a couple of nights, because she was married and didn't want her husband to find out that she was sleeping with women - it was probably the most satisfying sexually that I've ever experienced.

Isabel came to stay at the hotel for a Victoriana weekend in September with several of her wealthy cronies from her old school. It was like an extended hen night for them because one of them was getting married, and this weekend was the last big blow-out for them before the wedding, at which Isabel was to be the chief attendant.

I didn't notice their party, which was six strong, arriving, because I wasn't on duty at that time. The first time I saw her was at dinner, when they all trooped past my desk as I was checking in some late arrivals. I caught sight of Isabel, and immediately fancied her. She's just the type of woman I like; tall, well built, with long, curly hair and a lovely sensual face. She looked stunning in a Victorian gown with a tight bodice, which pushed up her generous boobs high on her chest, and a large, hooped skirt that hid what I knew must be a great pair of legs. The way she met my eyes told me two things - she'd noticed me, and she was definitely interested.

That night at the hotel we were short staffed, and so the manager asked if I'd mind waiting on the tables in the dining room towards the end of dinner. Normally I'd have been pretty annoyed to have

to fill in like that, but the opportunity to find out just who Isabel was and to get another good look at her was too good to pass up.

Close up she was better than I'd thought. I only served the dessert course to her party, but the way Isabel kept her eyes on me as I moved around the table made me sure that she wanted me. I could hardly take my eyes off her creamy boobs that were exposed by her low cut dress, and I knew she was watching the way my skirt clung tightly to my hips and bum as I moved. I thought she wouldn't do anything in front of her friends, but when I brought their coffee and liqueurs she pressed something into my pocket, despite the fact that anyone could have seen her doing it.

I was trembling with excitement as I made my way back to the kitchen. I stuffed my hand in my pocket and pulled out a folded table napkin, on which Isabel had written: "I know this is a cliche, but I'd love it if you came to my room later on this evening. Just knock on room 203 and I'll tell you what I'd like to do to your sweet cunt." I almost dropped to the floor at that. I closed my eyes and imagined Isabel's full, red lips snugly fitted around my cunt petals, sucking my juices while her thumb played with my clitty.

All evening I spent my shift in an agony of frustration, kneading my hot mound as I sat at the reception desk. Isabel and her party were drinking in the lounge and joining in one of the card parties that was being held. The thought that I'd be in her bed before long had me desperate to frig myself and ease the ache in my clitty, but I had to stay on duty until the night porter arrived at midnight.

Isabel went up to bed at the same time as the rest of her party, and as she passed the desk she caught my eye and smiled invitingly. I'd had no doubts before that moment, but as I watched her hips swaying up the broad staircase I was counting the minutes until I could get up to her room.

I waited for half an hour to make sure the coast was clear and the night porter had arrived before I raced up the stairs and knocked.

"Who's there?" Isabel called.

"Room service," I replied through the door, and the next second it opened. Isabel stood there wearing some sexy red lingerie, her long legs covered in red silk stockings and finished off with red high heels. I could hardly speak, so Isabel smiled and ushered me in.

"I hope a delivery of fresh pussy is on the room service menu," she grinned.

I couldn't help grinning back at the corny things she was saying, but I reckoned she was doing it on purpose. She walked over to the large four poster bed that dominated the room and climbed on to it, spreading her legs wide so that the crotch of her knickers was pulled into the slit of her cunt. I could see that she was already glistening wet as she reached down to her cunt and placed a finger right on her little button.

"Want to watch me while I have a good frig?" she asked me, slowly rubbing her clit in little circles. I just nodded dumbly, my knees turning to jelly, as I saw the expression on her face turn to one of ecstatic concentration.

With the fingers of one hand she spread the lips of her cunt wide open, so that I could see right inside her love hole. It was pink and throbbing, as I moved closer and kneeled on the edge of the bed to get a better view of this totally erotic sight. With her other hand she moved her thumb on to her clit and used her fingers to massage her hanging lips. The juices were trickling out now, making her pubes glistening with moisture.

I couldn't hold myself back any longer. I quickly stripped off my blouse and skirt, fumbling a bit with the buttons as I was shaking so much with lust, and knelt in front of Isabel in just my white lacy undies. My knickers were wet and totally stuck to my crotch.

"I love to see women in sexy undies," Isabel confessed as I moved my hand down to cup my own mound. I felt hotter than I'd ever felt, and things were getting too urgent for me even to have time to take my knickers down. I just frantically rubbed my clitty and at the same time I pushed a finger right up my hole, taking my wet knickers with it, so that they were right in my cunt. The next minute my finger was shooting in and out of my hole like I hadn't had an orgasm in months.

Isabel was kneeling up on the bed too now, her fingers working as fast as she could

in her juicy hole, her boobs jiggling as she thrust her hips back and forward. We faced each other, watching each other's straining faces as we frigged. I'd never actually watched another woman frig herself off before, and the sight of Isabel's shameless wanking stimulated me to shove my fingers in and out of my cunt faster and faster.

"You're so dirty," Isabel breathed, "wanking like that. You're making me come just watching." With that, her breathing went even shallower and she came, not just once but several times over, panting and gasping for air as the wonderful sensations washed over her.

That was too much for me. I bit my lip as I came, the force of my orgasm making my body arch and my hips buck almost of their own accord. Soon I was on all fours on the bed, having fallen forward as my climaxes came one after the other. My bum was going up and down in time to the thrusts of my hand and my head was thrown back, my chest heaving. Isabel watched every minute as she lay on the bed in front of me.

It took me a couple of minutes to get my breath back, but Isabel didn't allow me much more time than that. Rolling me over on to my back, she placed her knees either side of my boobs and lowered her cunt over my mouth.

The first taste of her cunt inflamed me so much that I almost came again without touching myself. She settled right down over my mouth and ground her cunt right over my lips. Her love cream dribbled into my mouth and I tongued it up, feeling the tangy taste hitting the back of my throat. The tip of my tongue hit on her swollen, dark pink clit and she went wild, thrashing about above me and really pressing her whole pussy into my face.

"God, do it harder," she yelled, hardly able to string two words together, she was breathing so hard and fast. "Right on my clit. That's it!" I'd hit the spot and she squirmed wildly as yet more orgasms raced through her pussy. Before I knew it, she'd turned round and was bending her mouth down towards my cunt.

When I felt her tongue slowly run down my pussy slit, my hips bucked upwards of their own accord and I arched my back right off the bed. The touch of her tongue was absolute heaven! I'd been licked out by women before, but Isabel was a real expert. She seemed to find all the sensitive little nooks and crannies that I only ever found with my own knowledgable fingers, if ever, and soon my cunt was throbbing and aching as climax after shattering climax ran through my body.

After our 69 we both lay collapsed on the bed, each looking the picture of lesbian debauchery. My sopping knickers were clinging around my thighs where Isabel had pulled them down, my bra was up around my neck, and my boobs were flushed and topped with stiff little nipples. Isabel's red underwear was streaked with her juices everywhere, and a fine sheen of sweat showed on her face and body.

"That was fantastic," she grinned to me, stroking one of my tits with her palm and getting me aroused yet again. "In fact, it was so good that I don't think we should keep it to ourselves."

"What do you mean?" I asked, intrigued.

"Well," Isabel replied, a dirty gleam coming into her eyes, "you know that we're here for Sophie's hen night. What you didn't know is that Sophie and I are *extremely* good friends." She looked at me meaningfully as she said that. "And I know Sophie would love to get better acquainted with you."

I couldn't resist the idea; even though my cunt felt totally and satisfyingly fucked, Sophie, a buxom blonde, had looked rather horny earlier, and Isabel had got my mind trained on sex. There was no way I was going to refuse a threesome.

"Wait a moment," Isabel said, reaching into the bedside cabinet. "If I turn up without this Sophie won't be too happy." And she produced a large, flexible, pink dildo, one of the ones with a large, thick finger and a small, stubby thumb for stimulating the clit. I felt wet again right away at the

thought of using it on Sophie's cunt.

Pulling on a dressing gown and handing me my blouse, Isabel beckoned towards the door. Sophie was in a bedroom just down the corridor, and quietly we sneaked up and banged on the door. When Sophie called out that the door was open, we burst in to find her lying naked on the bed.

"God, Isabel, I've waited ages for you to come," she smiled, obviously not seeing me following behind. "I bloody well hope you've brought that dildo - my cunt's aching for a come."

"Of course," Isabel answered, "but I've brought an extra special treat as well tonight, darling!" And with that she stood aside to let Sophie see me.

She looked my long, smooth legs up and down, and couldn't miss the way my nipples were standing out like acorns from my chest. "You have done well for yourself, Isabel," she drawled.

"She gives great head too," Isabel grinned, and with that threw off her dressing gown and joined Sophie on the bed. I watched in amazement as they just became a tangle of arms and legs and cunts, with Isabel manoeuvering her way underneath so that Sophie was sitting on her face.

"Do my clitty!" Sophie yelled, settling down for what looked like a protracted session of cunt licking. She reached down and played with Isabel's small boobs, plucking at the nipples as Isabel groaned with satisfaction.

I couldn't help myself. I pulled off my blouse and peeled my soaking knickers off my cunt, then knelt down at the foot of the bed grasping the dildo in my sweaty hands. I didn't think I'd be able to take it properly in my cunt, not because it was all that long but because of the sheer thickness of it. But as I touched it at the entrance to my pussy hole I was so slippery that I had no trouble pushing it in.

The sounds that Isabel and Sophie were making on the bed just served to inflame me even more. The way Sophie was moaning as Isabel's expert tongue flicked across her hot clit and licked all the juices from between her legs was so horny, it sounded like the soundtrack to a blue film! Soon I was thrusting the dildo in and out of my cunt for all I was worth, feeling my pussy walls stretched to the limit by the thickness of the shaft. At the same time,

the thumb part was hitting on my hot button with every stroke and I had to lean forward on my elbows, the feeling was so intense.

I was just enjoying the third and most powerful in a series of orgasms, my juices running down my thighs, when I felt myself being lifted up. "It's about time you came up and joined us," Isabel smiled. "And besides, it's about time Sophie had a go with that dildo - after all, it *is* her hen party!"

I scrambled up on to the bed, the dildo still embedded deep into my cunt, and lay down on my back, my legs spread wide so that Isabel could remove it.

I took the dildo from Isabel and held it firmly in both hands, teasing Sophie's slit with it, watching how she was getting wetter and wetter as she felt the gentle touch of the tip on the outside of her cunt. I could actually see her quivering, she was so aroused. Isabel was watching and gently frigging her clit with one hand as she fingered her cunt with the other.

Finally Sophie couldn't stand the teasing any more. "Do it, fuck my cunt!" she yelled. I took her at her word and pushed the dildo hard, right up into her love hole. Juices squirted out as she took the whole length and width, and the thumb pressed down hard on her clitty.

"God, that's fantastic. Fuck me harder!" she begged, and I did so, alternating slow thrusts with sharp, quick ones. Sophie's gasps were so loud as she came that I thought she'd wake the whole corridor, and several times the dildo almost shot out of her slippery hole as she thrust back so hard on it.

The sight of this made me come again myself, my boobs heaving, and Isabel was wildly thrashing around on the eiderdown, her legs up by her shoulders as she fingered herself to an almighty climax.

"What a hen night present," Sophie breathed as she recovered from a very satisfying fucking.

Although Isabel and I got together again on her last night at the hotel, I've never seen her since, because she didn't want her husband to know that she's bisexual. I think she's wrong not to tell him though - I think he'd enjoy it! - *Kirsten, Scotland*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

I know that it's unusual, though not unheard of, for you to receive a letter for this section from a guy - I hope that doesn't prejudice my chances of getting this printed!

Last month my colleague at the office was away sick for a week, so our personnel manager brought in a temp to sit alongside me. The temp arrived, and was assigned to my desk to be shown the ropes by yours truly. I'd really struck gold here; she was a gorgeously sexy black girl, aged 22, named Sherry. I fancied her at first sight as we said hello, and she sat herself down next to me, where I could feast my hungry eyes in secret on the curves of her nubile body.

Tenting out the front of her white silk blouse were two huge, bouncing nipples as thick as thimbles, like rubber teats. A tiny skirt was stretched spray-on skin tight over the rounded contours of her protruding buttocks, which pumped like pistons with her slinky strut and nearly burst the straining stitches; her sleek, naked thighs gleamed with satiny highlights like oiled ebony. Her thick, juicy lips glistened scarlet like her wicked claws of nails and a couple of tiny gold rings jingled in one pierced nostril.

I struggled to stay cool while we worked together, but I could almost taste the tang of her musky scent, the smell of sex, and the provocative nearness of her body with its sexy signals was torturing me with lust. It became impossible to resist imagining the sight and feel and noise of those juicy lips and that tongue churning and slithering and slobbering all over, and then greedily smothering my throbbing cock and balls. It proved pretty tough trying to fix columns of sales figures in my head for the rest of the morning, I can tell you.

Later on I led her downstairs to the coffee machine, where I could chat her up in private for a few minutes. She talked a bit about herself: she'd been brought up in Trinidad, she was divorced, and shared a bedsit flat with her Asian girlfriend. Apparently they paired up together on their nights out, and spent them hanging round the bars of the local clubs picking up blokes.

Except tonight, complained Sherry, her girlfriend was deserting her by going out alone on her own date. The invitation was obvious, but like an idiot I kept my mouth shut, afraid to give in to the temptation in case my fiancee should somehow find out. Then it was time to make tracks back upstairs, with me thinking I'd just killed any chances I might have had with Sherry stone dead.

For the rest of the day, I grew obsessed with desperate schemes to somehow salvage the situation and still get Sherry between the sheets. The shape of her out-thrust arse almost bursting the seams of her skirt every time she bent over, and those firm, ripe teats protruding through the filmy fabric of her blouse front, was pure torment. If I lost the chance of fucking this horny girl and watching my thick, frothing mass of spunk pouring out of her cunt in hot torrents, I was never going to forgive myself.

I soon discovered I wasn't the only bloke in the place with similar feelings about Sherry. I noticed quite a few of the other blokes at the opposite end of the office stopping to chat her up, or to glue their eyes to her gyrating rump and bouncing tits, every time she walked down there past them. You could just see their eyes, like x-rays, mentally stripping her body stark naked. Later on, bolted in the privacy of the men's cubicle, I overheard a couple of them outside the door talking about Sherry.

"Wouldn't mind getting that new black chick who's working upstairs with Chris on her own in here for a few minutes... I'd have her bending right down over these basins like lightning, I would, knickers round her knees, arse up in the air, and start ramming that juicy honeypot straight away. I'd

soon have it squelching..."

"Get to the back of the queue first, mate. I'd love to have her suck me off. Gulp down a whole pint of spunk, easy. I bet it tastes like fresh cream to her..."

"Have you seen the way she walks? Wiggling that randy little arse..."

"I heard she doesn't have a regular bloke, she's shacked up with some Arab or Asian bird or something. I reckon she enjoys licking cunt more than she does cock... Just imagine watching the pair of them wrestling on the mattress together, then climbing on top of each other for a real good cunt-licking session. Those bum cheeks and those hairy cunt lips being pulled apart and those tongues lapping at those juicy slits, mmm. I bet her cunt tastes lovely and salty."

I sat there fascinated while they traded their filthy fantasies about sexy Sherry, holding my breath and pumping and squeezing my aching cock until it nearly spilled over with spunk. It was pretty obvious I'd have to move fast if I was going to get in first.

Actually, I was sure I was receiving some strong body language signals from Sherry while I sat next to her at our desk later that afternoon; from time to time I could feel her thigh pressing and rubbing against mine as she shifted on her seat, grinding her arse against the vinyl, and I was pretty sure it was deliberate. Our bodies kept touching in lots of other little 'accidental' ways too, bumping and brushing together at the slightest excuse. The friction was like an electric shock that surged straight to my loins.

As luck would have it, there was a big office 'do' on Friday afternoon at the end of the week; one of the managers was leaving and everyone had chipped in a few quid to get some drinks. So later on in the day we all packed away early, started cracking open the cans, and someone slotted a cassette into a portable music deck. After a while, when the first few glasses had been refilled and emptied again, the blokes and the birds began pairing up and dancing together, and of course I found myself dancing with Sherry.

A slow number was on and we were dancing closely; at last I was able to get my hands on that delectable body. Greedily I slid my hands up and down her soft flanks, down over her hips to her thighs and rump and back up again; her female smell was getting me full of the urge to fuck her.

Sherry finally broke our clinch and I moved over to the drinks table to try to capture a glass. When I returned I got a shock because Sherry was already locked tightly into a really smoochy cheek-to-cheek number in the corner with someone else - Julie, our blonde receptionist. Their arms were coiled around each other like tentacles, gyrating bodies pressed up against each other so hard you could see their soft tits squashed out of shape. They weren't so much dancing as rhythmically grinding and rubbing their pussy mounds together, loving the feel of the friction.

I don't know if it was just me who snatched a quick glimpse of Sherry's warm wet tongue darting hungrily into Julie's ear, but some of the other blokes must have caught Julie's palm sliding down the hollow of Sherry's back and cupping one of her buttock muscles, and her nails digging into the firm flesh. When the song finally finished, they unclasped and peeled their clinging bodies apart reluctanctly.

"Fancy that," whispered Barry, who'd been standing behind my shoulder and watching the pair of them. "A black bird and a blonde bird getting it on together. That's something I'd *really* love to watch." He'd been the guy I'd overheard in the toilet fantasizing about standing by the bed spectating while Sherry and her Asian girlfriend were making mixing bowls of each other's pussies with their tongues. I'd love to watch that too, true enough, but what about my chances of shafting Sherry? If she genuinely preferred sucking clits to cocks, how was I going to get a look in with her?

I popped downstairs to the toilet, and when I came up again and poured myself another drink, I looked around and found that Sherry had disappeared. I did a quick scan of faces and noticed that two or three of the blokes were absent as well. They hadn't been downstairs in the toilet - what the hell was going in? Things were looking a bit suspicious. I set down my glass and walked off in search of Sherry and the others. I decided to check the telex room first - if there was anywhere they could be hiding and having a private party, it was in there.

I pushed open the door and the sight which confronted my slightly boozy eyes stopped me stone cold with shock. I'd guessed right - Sherry was playing truant in here, together with three of the blokes missing from outside, and they were certainly enjoying their own *very* private party.

Sherry was kneeling down on her hands and knees in the middle of the floor, her bent-over rear end sticking up at

an irresistible angle, pointing towards Tony who crouched behind her. Rob was standing in front of her, rump braced against the edge of the desk, knees bent, trousers and Y-fronts round his ankles. He had one hand cupped around the back of Sherry's head, as she lowered her face down towards his thick, bobbing cock. She craned her neck and lowered her gaping mouth eagerly. I could only watch, speechless, as he grasped his cock with his free hand and literally fed the first five inches of his shaft into her waiting mouth.

While Rob's cock began its long journey deep down Sherry's greedy throat, Tony slipped his palms underneath her buttocks, jacking up her haunches and dragging her skirt up to the small of her back. He was obviously impatient to get stuck in for his share of Sherry, as was Mike, who was just standing there watching the proceedings, tugging down his bulging zip to free his cock.

I was stunned with shock, but Mike just turned round to me and said, "Hello, Chris! Come in and shut the door quick. We were just saying you should be in on this. Come on, get your pants down and your cock out and we'll all have a good turn. Sherry loves it, she's game for anything."

The other three were by now fully occupied with each other. Tony reached up, unbuckled, unbuttoned and unzipped his trousers and dragged them down to his knees, hurriedly followed by his silk boxer shorts, until his cock bobbed free. I couldn't see all the details because of my angle of view, but I watched Tony gripping what must have been Sherry's panties and jerking them down over her thighs. Sherry's pussy was already lubricating with her juices - probably after grinding it so hard back and forth against Julie's - because as the panties slid down we all suddenly inhaled the musky tang of female love cream, which grew stronger as Tony pushed her thighs apart to form an archway for his opening thrust. He leaned forward and lowered his head, and slid his tongue between her buttocks, running it over the pouting lips of her pussy.

At the opposite end, Sherry had wrapped her thick, juicy lips firmly around the hairy base of Rob's shaft and her cheeks hollowed as she began to suck him like a hoover. She slid one hand up between Rob's thighs to cup his tight balls, giving them a soft squeeze with her wicked scarlet nails. A gurgling groan of ecstasy rose from deep within his chest and a gasp burst from his lips. He couldn't hold on very long.

"Come on, Tony, we're going to treat this randy girl to a double helping."

His thick cock swaying in front of him, Tony needed no urging. He positioned his groin behind her naked, out-thrust arse and drove it hard forward. I couldn't exactly see Tony's meat disappearing up between Sherry's buttocks, but we could all hear the loud squelching noise as the head of his cock thrust between her sticky, swollen lips and slid deep into the rippling muscle walls of her slippery cunt passage.

Her hindquarters bucked as she ground them back desperately to try to impale herself even further upon the throbbing, thrusting spike, twisting her hips from side to side. Tony grabbed her haunches to try to control her movements and prevent his balls from pumping a load up her cunt on the spot.

Sherry's head was bobbing up and down on Rob's cock, her nose rings jingling, and suddenly her dishevelled hair fell like a curtain in front of her face and obscured our view of the action. Obligingly Rob pulled back her hair so as not to spoil our enjoyment; now we could all watch his saliva-saturated shaft sliding in and out between her glistening scarlet lips, and her mouth bobbing as she sucked and slurped and gulped.

Meanwhile Sherry's body jolted back and forth rhythmically every time Tony thrust his cock into her, his balls slapping against her buttocks, her pussy juices squelching noisily and their smell making the air in the little telex room hot and heavy. Tony leaned back, fingers digging into her upturned buttocks and pulling them roughly apart so he could watch every inch of his shaft slithering in and out of her oozing cunt and feel the wiry hairs of her crotch prickling against his balls.

Lust was overtaking me and Mike, standing there feasting our greedy eyes on the sight of Sherry sandwiched between two blokes.

Suddenly Sherry tugged Rob's cock free of her mouth and glanced back over her shoulder at Tony, and gasped, "I want to suck my cunt juice off your prick - please let me taste it." Rob and Tony exchanged glances and Tony pulled his sticky cock out of Sherry's juicy honeypot as she shuffled round on all fours to switch ends. Within seconds the guys were thrusting into her and pumping away again, and you could tell that by now all three of them were rapidly building up to breaking point.

Tony was the first to break. Thrusting really hard, he grunted, "I'm gonna come, I'm gonna come, oh *fuck...*" I could actually watch his tight hairy balls pumping away as he suddenly gushed a torrent of spunk into Sherry's mouth.

Suddenly she pulled her mouth free of his cock and spurts of milky spunk were streaming over her cheeks, chin, nose and forehead, pearly, sticky blobs and streaks of his cream glistening in the light all over the skin of her face. It was an incredibly erotic sight, and we all savoured it to the full.

It triggered off Rob behind her, because his hands slid round from the crests of her ebony buttocks to grasp her thighs, yanking them back against him. She reached down with one hand and thrust it back between her thighs, her scarlet nails probing for her swollen clit.

A groan burst from his lips: "You're getting all my spunk up your cunt..." His back arched and his arse bucked and he yelled as he heaved her forward and pumped burst after burst of thick, creamy spunk deep into her cunt passage.

By now the whole room stank of mingled spunk, pussy juice and sweat. Feeling our control slipping away, both Mike and I had already unharnessed our cocks from our pants and were cupping them in our palms. Now the others had finished, it was our turn.

Mike and I shoved our cocks into her and banged away at her like mad, me up her cunt and him in her mouth. She was wilder than I've ever seen a woman; it was obvious that fucking her was a four-man job.

Straight after that she left work, and I've never seen or heard from Sherry since; but what happened in that little telex room that afternoon has provided me (and the other blokes, I guess) with ammunition for a thousand wanking fantasies since. - *Chris L, Oxon* ♣

ESV INTERNATIONAL CORPORATION
2A PERCY ROAD, LEYTONSTONE, LONDON E11 1SJ

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos – the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

LAUREN HALL

If you've ever been lucky enough to see films like *Deep Throat 4*, *Forced Love*, *Trick Tracy* and *Night Trips*, then the face and body of Lauren Hall will be extremely familiar to you. If you've not seen them, then you've missed out!

Lauren is 24, comes from Long Beach, California, and has been acting in blue movies for some two years now. "I was discovered by a very well known adult film producer while I was working as a topless waitress in Las Vegas, where I come from. When I demonstrated right then and there how I can suck cock, he signed me up on the spot!"

Lauren's movie speciality is sitting on people's faces - men *and* women - and writhing in ecstasy. "I'm always told that I look great when I'm coming," she tells us. "My whole body contracts, my boobs shake, my pussy vibrates. I just lose control!"

How about a private viewing, Lauren?♣

The Girls want him, BAD... He wants the girls, BAD... One problem, he wants to be GOOD!

If any Club readers are having trouble seeing what 18-year-old Shelley's two biggest assets are, then we recommend an urgent visit to the opticians!

"Oooh, you are cheeky!" scowled Shelley, "but I suppose I can forgive you. They are quite large, aren't they? You can't really miss them. All my male friends certainly seem to like them!

"Although I'm single at the moment, my most recent boyfriend complained

that I wore him out - I can't imagine how or why! He just said that I was a bit of a handful. I hope that one day I'll find a fella out there somewhere who can keep me happy without running out of steam!" ♣

COMING IN

club

WHITE RIOT!

This is Michaela. She loves to wear white, lacy clothes that make her look deliciously virginal. But don't let that fool you. Here's the good news... this girl is dirtier than a Jimmy Jones joke book. And she can't wait to tell you exactly what she'd like to do to each and every one of you. Now for the bad news. You'll have to wait till next month to find out what she means! ♣

IN·THE·BAG

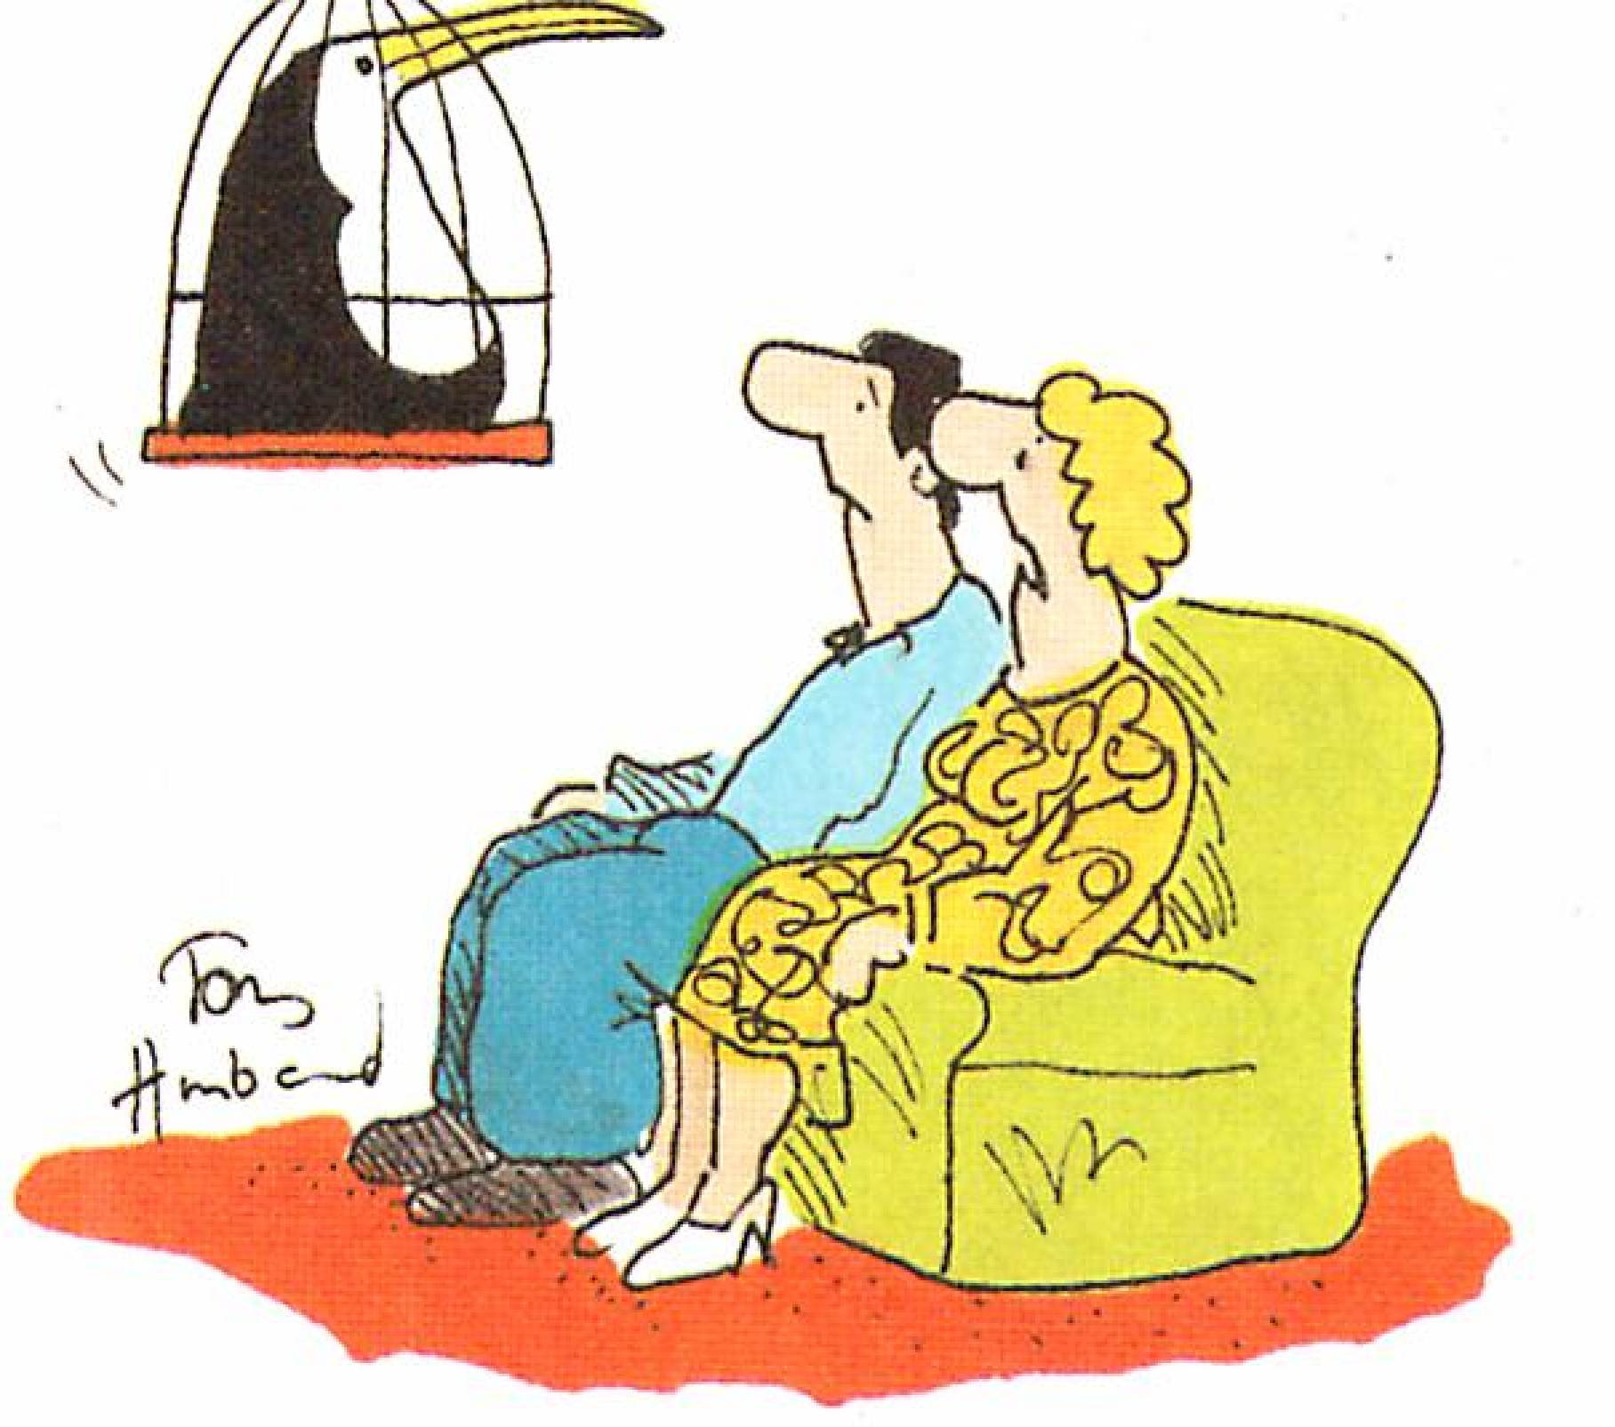
Continued from page 37

of black lace topped stockings just like Maria's. A matching black G-string covered her pussy.

I was frantically stroking my cock now, trying my hardest not to come, at least not until she removed her lace bra.

Walking towards me, Donna began unfastening her bra. "Remember, Maria doesn't show her pussy," she teased, "so this will be the climax!"

Slowly she bent over, letting her boobs, still inside the bra, hang over my face. I took a deep breath, smelling her large, perfumed tits. Suddenly she removed her bra, letting the gorgeous jugs fall right into my face. With that I shot my load, spunking all over my stomach and Donna's bed.



Well if it is a canary, it doesn't sing much

Donna grabbed my cock and wanked the last few drops out of it, at the same time diving her hand down her knickers. Taking advantage of the situation, I yanked down her panties and helped her to orgasm with her fingers. Donna would allow me to go no further; however, she did bring me off with her hand once more before Mike came home.

Our little encounter has not been repeated, and as far as I know is still unknown to Mike - until he sees this in Club... - *IR, Glamorgan*♣

Dear Dee,

You looked like such a wild woman when you posed in Vol 19 No 5. I don't know what it was that had my cock surging out of my pants as I looked at your pictures. It could have been the way you looked so dirty in that innocent, flowery underwear, or the way your lips looked so wet and shiny as you pouted them at the camera, or perhaps your sexy eyes that say, "Come to bed with me, Darryl." Whatever it is, you had me grasping my prick as hard as I possibly could, feeling it growing massive and throbbing as I worked my fingers up and down the sticky shaft. Soon I was shooting gobs and gobs of my hot, creamy come for you - just tell me where you'd like it, Dee. - *Darryl, Lothian*

***The best place for come is in my pussy, I can tell you, Darryl. I love the feeling of having a hard pecker shooting its wads in my love hole, and if I'm playing with my clitty at the same time, that's even better! - Dee*♣**

FINAL SCORE

A brand new series of 20 totally random things we shove up the back every issue. This month, ***Vinny Sprocket*** *studies 20 things your women do to get up your bracket - on purpose...*

1. Spend all your money.

2. Use your last razor to shave their legs without telling you, so you slice your face open with the blunt blade the morning before a job interview.

3. After seeing what the razor's done to your face, say: "Now you know what it's like to have your legs waxed."

4. Get slightly drunk, pester you for a fuck and then take two hours of suffocating fanny-licking to come.

5. Invent a pet name for you like "Sweetiepiewacket", and then when they realise you hate it, use it all the time, especially in front of your friends.

6. Squeeze their cellulite in front of you, poking their thighs and saying: "Yuck. Look at all that horrible fat." Then they complain you don't fancy them.

7. Spend an hour getting dressed up to go out, then when you're already late say: "But I haven't even started my make-up yet."

8. Hoover when the football's on telly because "you don't need the sound on for that, do you?"

9. Get pregnant.

10. Tell your mates how sweet you look when you're asleep.

11. Spend an hour walking around a clothes shop, asking your opinion on everything, and then buy the first thing they saw.

12. Hate your best mate.

13. Fancy your best mate.

14. When they come back from a weekend away, say: "Did you have a wank? Come on, I bet you did. Did you think of me, then? Did you?" (You didn't think of them, you thought of their best mate.)

15. Nag you to wear their underwear during sex, then when you finally do, sit there and giggle.

16. Tell their mates the size of your dick.

17. Watch *Emmerdale Farm* at every possible opportunity.

18. Make sure you're getting enough roughage by putting kidney beans in everything they cook and refusing to buy white bread. Then forget to buy loo roll.

19. Complain when you swear a lot, then ask you to talk dirty to them in bed.

20. Complain constantly that their tits/arse/legs are too small/big/fat/thin. And when you say, "That's rubbish. Anyway, I fancy you like mad," reply, "Well, you fancy anything."♣
